SECTION I

ACADEMIC RIGHTS AND REGULATIONS

SECTION I

ACADEMIC RIGHTS AND REGULATIONS

ACADEMIC ADVISING

Each new student is assigned a faculty advisor to assist with program planning, course selection, career choices, academic difficulties and personal problems. A freshman student will keep this advisor at least for the duration of the freshman year, usually even for the first two years. When the student decides on a major field of study, the advisor should be someone in that field or discipline. A transfer student will usually be assigned a faculty advisor from the discipline in which the student has expressed an interest. If a student plans to major in two fields, two advisors will be assigned to that student.

During course registration, each student is required to meet with the faculty advisor. At the time of pre-registration, a detailed schedule of classes for the coming year is to be completed in consultation with the advisor. All registration forms must be validated with the advisor's signature.

ACADEMIC PROBATION AND DISMISSAL

The academic progress of every student is reviewed by the faculty and/or by the Dean of Faculty at the end of each term, and a student who is not making satisfactory progress toward the degree will be dismissed from the College.

A student who fails two course credits in a given academic year is automatically placed on probation. During the period of academic probation, which is determined by the Dean of the Faculty, the student must carry a full course load, unless specifically excused by the Dean, and must complete successfully all his or her courses. A student on probation may not fail any courses or academic dismissal will ensue.

A student who fails three course credits in a given academic year is subject to dismissal, and is not eligible for readmission for at least six months, although the College reserves the right to dismiss permanently, at any time, a student whose academic standing is unsatisfactory. A second academic dismissal makes a student ineligible for readmission.

Probationary status and academic dismissal are noted on the student's transcript, and parents of dependent students are notified of such actions. Any exceptions to the above rules, because of unusual circumstances, must be approved by the Academic Appeals Board.

Dismissal or suspension from the College may also be mandated under conditions set forth under the judicial process.

ACADEMIC HONESTY

Lake Forest College, like any other community, depends upon the integrity of its members to achieve its aims. Students are therefore responsible for intellectual honesty in all their academic work. Moreover, faculty and students alike share the responsibility for fostering and preserving intellectual honesty in the college as a whole. In order that there be no misunderstanding about the nature of this responsibility regarding examinations and written work, the faculty has established rules and procedures which are published in Section V of the Student Handbook.

ACADEMIC EVALUATION AND APPEAL PROCEDURE

Students are responsible for maintaining standards of academic performance established by their professors, but they shall have protection against prejudiced or capricious academic evaluation.

Students shall be informed at the beginning of the course of the evaluative criteria which are to be used for that course.

When a student feels that his/her final grade in a course has been prejudiced or capricious, and he/she has been unable to resolve the matter through interaction with the faculty member involved, the student may call the matter to the attention of the departmental chairperson. The student must contact the chairperson within two calendar weeks following the beginning of classes in the term following that in which the alleged injustice took place. After the student has filled out an appropriate form specifying the details of the alleged injustice, the chairperson will appoint a committee of the instructor's colleagues to meet with the student and the instructor and hear evidence concerning the alleged injustice. Whenever possible, the committee will consist of three members of the instructor's department. In a case where the department is too small to permit this procedure, the committee may be composed of two colleagues instead of three. When the departmental chairperson is the instructor accused of the alleged injustice, the student may contact another senior member of the department, who will appoint a review committee.

Any student requesting a review is responsible for presenting for review all tests, papers, etc., which enter into a grade and which have been returned to him. Instructors will have to keep on file, for at least a term following that in which a course is offered, all tests, papers, etc., which enter into a grade and which have not been returned to students.

After hearing all available evidence in a particular case, the members of the review committee should meet with the instructor, the student not being present, and state their opinions concerning the matter. If there is unanimous agreement among the committee members that a grade should be changed, the instructor is obligated to change the grade accordingly. In the absence of such unanimous agreement, the grade decision rests solely with the instructor.

This policy was approved by the faculty on June 3, 1977, (with editorial revisions July 18, 1977.)

ACADEMIC PROGRESS AND STANDING

Normally a student is expected to fulfill graduation requirements in four years. A student will be classified as a sophomore if the student has completed seven courses, as a junior if he or she has completed fifteen courses, and as a senior if the student has completed twenty-four courses.

ADVANCED PLACEMENT (See College Bulletin, p. 28)

ASSOCIATED COLLEGES OF THE MIDWEST (ACM) COOPERATIVE PROGRAMS

Lake Forest College is a member of the ACM, Associated Colleges of the Midwest. Other participating colleges include: Beloit, Carleton, Coe, Colorado College, Cornell, Grinnell, Knox, Lawrence, Macalester, Monmouth, Ripon, and St. Olaf. The ACM sponsors a wide variety of off-campus programs. Inquiries may be addressed to the individual program advisors, or the Office of Off-Campus Programs. (See College Bulletin, pp. 16-23, for details regarding application procedures and deadline as well as for a description of each program.

The ACM programs and the advisors for each are:

The Arts of London and Florence	A. Mitchell
East Asian Studies (Japan & Chinese)	C.A. Miller
India Studies	C. Louch
Latin American Programs	J. Moldof-Kurtz
Urban Studies in Chicago	A. Eskilson
Urban Education	M. Tierno
Wilderness Field Station	K. Weik
Geology in the Rocky Mountains	W. Martin
Oak Ridge Science Semester	
Natural Science advisor	A. Schmidt
Social Science advisor	A. Schmidt
Newberry Library Program	R. Greenfield
Yugoslavia	C. Moodie
Tropical Field Research	J. Moldof-Kurtz

CALENDAR

Course work at Lake Forest College is scheduled into a calendar of two 15-week semesters, running September through December, and January through May. Students normally take four course credits a semester (i.e. equivalent of 16 spring semester hours). All courses run for 15 weeks, with the exception of a selection of spring term courses which run 7 1/2 weeks and are offered in each of two consecutive short terms, January to March, and March to May.

Students may take various combinations of 15 and 7 1/2 week courses. (See Course Load.) This arrangement offers great flexibility in that it enables upperclassmen to pursue intensive off-campus experiences during either of the 7 1/2 week terms in the spring, and to spend the other term on campus enrolled in regular courses. The off-campus experiences may

include a full-time internship or the ACM Humanities Seminar Program in Chicago. In this way students can enjoy a valuable off-campus experience for college credit without sacrificing a whole semester or a summer in the process.

A seven-week summer session normally scheduled from mid-June to late July, offers a number of basic and special courses, taught by the regular faculty of the College. Students may take a maximum of two courses.

CLASS ATTENDANCE

Because classroom activities are intended to assist students in the learning experience, it is expected that they will attend class sessions.

COOPERATION WITH BARAT COLLEGE

Lake Forest College joins with nearby Barat College in offering certain programs jointly, and in coordinating offerings in some academic departments. Both colleges are on the semester system, which facilitates cross-scheduling. A student at Lake Forest may, upon approval of his or her advisor, register for up to four semester hours in a given semester at Barat College, for which full Lake Forest credit will be granted. Such registrations are made at the Office of the Registrar of Lake Forest at the usual time of registration.

Lake Forest students travel to Barat, one mile away, primarily for specialized coursework in creative arts - dance, ceramics, painting - and women's studies. Barat students register at Lake Forest primarily in the sciences - biology, chemistry, physics.

Course work at Barat College for which a full-time student registers will be considered as part of the total Lake Forest College course load and will be billed in accordance with the statements under College Expenses and Special Charges, p. 148 of the College Bulletin.

COURSE CHANGES AND COURSE WITHDRAWALS

In order to change from one course to another after Registration a student must file a Change of Registration form. If this is not done, failure in the course will be recorded.

Withdrawal from a course:

a. Load Reduction From 4 1/2 or Above to No Fewer than 3 Courses
Since the normal course load is defined under the semester system as from 4 1/2 to 3 courses, students may, if circumstances require and the academic advisor approves of the withdrawal in writing, adjust from 4 1/2 courses (or more if the student has previously registered for an overload) to as low as 3 courses, with the following consequences:

i. Within the first two weeks of the semester, the withdrawal will be regarded only as a permissible change of registration. Only the courses in which the student remains registered will appear on the transcript.
ii. In a 15 week course after the end of the second week, but before the end of the eighth week, or in a 7 1/2 week after the end of the first week but before the end of the fourth week, withdrawal of this type will result in a W on the transcript (unless medical withdrawal is authorized - see below).
iii. After the end of the eighth week of a 15 week course or of the fourth week of a 7 1/2 week course, withdrawal will result in either a W or WF depending on the instructor's evaluation of the student's progress. No student may withdraw from a course after the last day of classes (i.e. during the exam week).

All such withdrawals, although falling within the normal load range, will be reviewed as a matter of course by the Dean of the Faculty before being processed. There are no refunds for reductions within the normal course load. Failure to withdraw officially from any course (including physical education) in which a student is officially registered will result in the recording of a failing grade in that course.

b. Reduction of Load to Fewer than 3 Courses
A full-time student will not normally be permitted to reduce his or her course-load to fewer than 3 course credits in any one semester.

c. Medical Withdrawal
If a student is advised by his or her attending off-campus physician or other appropriate off-campus health care professional to withdraw from one or more courses (but not from the College) after the first two weeks of the semester, or after the first week of a 7 1/2 week course, the student may apply to the Dean of the Faculty for Medical Withdrawal from the relevant course(s).

Applications of this type must be made in writing to the Dean of the Faculty and must be accompanied by the signed statements from the attending off-campus health care professional. After application has been made, students may, at the Dean of the Faculty's discretion, receive a grade of MW instead of W or WF. The student may fall behind one course and may, therefore, have to take an overload, or a summer school course in order to graduate on schedule.

For course changes which do not fall within the normal full-time student range of 3-4 1/2 course credits, please see information sheet regarding additional charges and/or refunds in the Business Office.

COURSE LOAD, CREDITS, AND FULL TIME STATUS

A normal course load is four (4) course credits per semester, but a student may choose to take any load between three (3) and four-and-one-half (4 1/2) course credits. An overload is anything in excess of 4 1/2 credits in a given semester. With the permission of the advisor, a student may register for an overload if the total is not greater than five (5) course credits in any semester. In the spring semester the majority of students will enroll in 15-week courses. For those students taking advantage of our internship and off-campus programs, however, an adequate number and variety of 7 1/2 week courses are offered. Sufficient space will be reserved in these classes to accommodate our interns and off-campus participants in the spring term after which other students will be permitted to register for them also. Combinations of 15-week and 7 1/2 week courses may be taken, but no more than two 7 1/2 week courses may be taken at one time, no more than 3 credits in 15-week courses may be taken at the same time as one 7 1/2 week course and no more than one credit in a 15-week course may be taken at the same time as two 7 1/2 week courses.

A student has full-time status if he or she is registered for at least a three-course load (12 semester hours) per semester. Those courses in education which are required for certification but which are not credited toward a degree, and private music lessons, or choir for credit, may be added to the normal course load. Students are to consult the Registrar regarding private music lessons and choir for credit for complete information.

In the fall of each year, students register for a full course load for the entire year, unless they are seniors needing less than a full course load to graduate on time.

CREDIT BY EXAMINATION (See College Bulletin, p. 28)

CREDIT FOR SUMMER WORK ELSEWHERE

A student who plans to attend a summer session at a college other than Lake Forest must obtain prior approval for the program of study. Transfer credits may not be accepted for a student who fails to obtain approval. The student should report to the Registrar to obtain the necessary form. Lake Forest College does not grant transfer credit from community colleges to LFC students in their junior and senior years.

DEAN'S LIST

The Dean's List recognizes students who have achieved distinguished academic records. It is compiled at the end of each academic year. Only Lake Forest College course credits are counted. To be selected for this honor, a student must have received during the year at least six graded course credits, the student must have received no more than two credits on the Credit-D-Fail option, and the student must have attained a grade point average during the year of at least 3.60.

DOUBLE MAJOR

Students declaring a double major must be aware that they must complete course requirements in both major fields. Courses which may be counted for one major or another, such as Biology 301 or Chemistry 300 (Biochemistry), may be counted for both majors in a double major upon petition and approval of the department heads of each field.

EXAMINATIONS

Final examinations must follow the published schedule. They may not be given to individual students prior to the beginning of the final examination period, but a faculty member is free to arrange an individual examination any time during the examination period if he/she feels that the student's request for a change is justified. The examination for the rest of the class must be given at the scheduled time. The instructor may decide whether or not to remain in the examination room but in any case, the instructor will be readily available throughout the examination.

In lieu of a final examination in a course, term papers may be assigned, but in such cases the students are entitled to have until the end of the scheduled time for the examination in a course to submit their term papers.

Examination papers, particularly final examination papers and term papers, if not returned immediately to students, are to be kept at least for one term before they are destroyed so as to be available for examination by students. It is understood that papers from the spring term will be kept through the fall term.

FOREIGN LANGUAGE PLACEMENT

Students interested in continuing a language started in secondary school will be placed in the appropriate level courses on the basis of interviews with the Foreign Language Department faculty. Subsequent placement tests may be required of some students. As a guide, students generally may assume that each year of secondary school study of a language should qualify them to by-pass one term of the study of that language. If the appropriate level course is not available during the fall term, it will be offered during the spring term.

FREEDOM OF EXPRESSION

The professor in the classroom and in conference shall encourage free discussion, inquiry, and expression. Students shall be evaluated solely on the basis of their academic performance, not on their opinions or conduct in matters unrelated to academic standards.

GRADES

The College employs an A, B, C, D, F grading system. The A grade is awarded for work of clearly outstanding quality. The B indicates "superior", C "satisfactory", D "marginal". Courses in which a student receives a D grade normally count toward graduation, however, no more than 20 percent of a student's Lake Forest College credits counting toward graduation may be D grades, and the departments may require a grade of C

or better in courses prerequisite to more advanced work. A course for which the D grade is received may be repeated for the purpose of improving the grade, but not for additional credit. F indicates failure. Repetition of a course will not remove the original grade, but both grades will be recorded.

With the approval of their advisor, students may choose for each course the option of receiving a notation on the transcript of "credit" to indicate a grade of C or better. With this option, grades of D, F, W, and WF would be recorded on the transcript as usual. Application for this option and for changing back to letter grades must be made before the end of the first two weeks of the semester, or before the end of the first week of classes during 7 1/2 A or B.

Grade reports for failing, barely passing, or incomplete work are issued for all freshman students at midterm. Final grade reports are sent to students at the close of each term.

Incompletes: A student who is prevented by illness from completing the requirements of a course may, on the initiative of the instructor, receive a grade of I (incomplete). The student must complete the appropriate assignments and deliver them to the instructor no later than the end of the first week of classes of the spring semester, if the I was received at the end of the fall semester, and no later than one calendar week after the close of the spring semester final exams, if the I was received in the spring semester. Instructors are required to turn in the revised grade to the Registrar by the tenth day of the grace period. Extensions of the deadlines require the special permission of the Dean of the Faculty. If the Registrar does not receive a revised grade by the appropriate deadline, a grade of F will be recorded in place of the I.

X Grades are awarded at the initiative of the instructor, when a student who has been doing passing work or better in a course unexpectedly fails in a final assignment. The student has the same amount of time to redo the assignment, or its equivalent, as for an Incomplete, but the revised grade cannot be higher than a D.

The warning grade of "Y" is given only at the time of the mid-term grade report when a student is barely passing a course. Grade reports for failing, barely passing, or incomplete work are made to all freshman students at midterm. Final grade reports are mailed to students at their homes at the close of fall and spring terms.

GRADUATION WITH HONORS

Graduation with Honors at Lake Forest College may be achieved in two categories, the grade point average (GPA) and/or the student's major field.

1.

(a) The category for general honors at graduation will consist of summa cum laude for GPA's from 3.9 to 4.0, magna cum laude for GPA's from 3.7 up to 3.9, and cum laude for GPA's from 3.4 up to 3.7.

(b) To achieve honors in a given category a student must have a transcript which satisfies ALL of the following conditions:

(1) At least 14 Lake Forest College courses taken with the full range of letter grades (A, B, C, D, F, but not CR);

(2) A Lake Forest College GPA equal to or exceeding the minimum designated above for the given category;

(3) A total GPA (LFC and transfer courses taken together) which also equals or exceeds the above minimum for the given category.

(c) For the purpose of calculating GPA's the following guidelines will be used:

(1) ACM Program credit will count as LFC course credit. Barat course credit will be counted as transfer credit.

(2) GPA's will not be rounded off (for instance, a 3.898 GPA will not be in the summa cum laude category). Total GPA's will be calculated by using letter grades only, dropping any + or - present in transfer grades. Transfer grades from colleges with different grading systems will be dealt with on a case-by-case basis by the Dean of the Faculty in consultation with the Registrar. Difficult cases will be brought to the Academic Policies Committee.

(3) In computing total GPA's, grades of all transfer courses acceptable by Lake Forest College for transfer credit will be used. The transfer GPA will be combined with the LFC GPA as a weighted average.

2.

The category for specific honors at graduation in the student's major department or interdisciplinary major (except the Independent Scholar Program) is based on two criteria: (1) a demonstration of the student's mastery of the subject material, and (2) a demonstration of the student's ability to do creative work in an area. These two criteria are met as follows:

(1) A student must have a 3.5 grade point average (GPA) or above in all courses in the major taken at Lake Forest College. This is based on a 4.0 GPA or straight A's; a minimum of six must have been taken at Lake Forest College. (The grade point average is to be computed at the end of the term preceding graduation.)

or

A student can choose to take the senior major examination (written or oral); however, a student must have a 3.0 GPA in the department to take such an exam. This will be evaluated by the department.

(2) A student must be evaluated as having an outstanding senior thesis. In exceptional circumstances (where a senior thesis seems inappropriate) a well-documented senior research project or imaginative creative project brought to fruition in the senior year may be a substitute for the senior thesis. The request for such substitution must be initiated by the project director and requires the unanimous approval of the members of the department(s) involved. This work must be evaluated as excellent by a committee which is defined similarly to the senior thesis committee.

INDEPENDENT SCHOLAR PROGRAM

General Description

The Independent Scholar Program, established as "The College Scholar Program" in 1970, offers students the opportunity to play a major role in determining the nature and goals of their college education.

The program is open to students who have completed half the credits needed for graduation. Admission into the program is based on evidence that student applicants are capable of superior academic achievement, self-directed study, and completion of their formal study plan.

Students may formulate their study plan so as to incorporate one or more of the official majors at the college or they may devise their own major. In either case, the benefit of the program to students is to provide them with greater range for independent study and self-determination in their college program.

While student innovation, flexibility, and independence are encouraged, the work of students in the program is measured against high standards and monitored by individual Independent Scholar advisors and by the Independent Scholar Committee. Graduation as an Independent Scholar requires completing a substantial and meritorious senior thesis or equivalent creative project in the senior year and passing an oral or written senior examination on the student's area of concentration.

Details follow concerning administration of the program, admission procedures, enactment of the study plan, withdrawal from the program, and the junior and senior evaluations.

Administration

1. Responsibility for overseeing the program as a whole rests with the Independent Scholar Committee, consisting of the Dean of the Faculty and three faculty members, one from each division, appointed by the President.

2. Particular duties of the Independent Scholar Committee include promulgating information about the program, admitting students, removing students, approving changes in study plans of the Independent Scholars, and carrying out other tasks mentioned in the following sections.

3. Much of the responsibility for overseeing the work of individual Independent Scholars rests with the Independent Study Advisors who have agreed to work with them. Particular duties of the advisors include the following:

a. Help the prospective Independent Scholar devise a study plan.

b. Serve as liaison between the student, faculty members in the major department or area of concentration, other instructors, and the IS Committee.

c. Schedule regular study plan review conferences with the student and report to the IS Committee concerning any student who does not seem to be performing well.

d. Submit a brief report to the IS Committee at the end of the student's junior year, including an assessment of student performance and a recommendation concerning continuance in the program.

e. Assist the student in defining the senior project and securing appropriate faculty guidance.

f. Work with other appropriate faculty on the content and design of the senior examination, select an examination committee, and supervise the examination.

g. Submit a final report to the IS Committee at the end of the student's senior year, including an evaluation of the senior thesis or creative project, an assessment of how well the student performed in the program and the degree to which the student profited from participation in the program, and an evaluation of the senior examination signed by the examining committee.

Admissions Procedures

1. Admission into the Independent Scholar Program is based on a study plan, an evaluation by the student's prospective IS advisor of the academic merits of the plan and the probability of its completion, a letter of recommendation from one other faculty member of the student's choice with whom he/she has studied, and any other supporting materials the student or committee wishes to include. A clearly superior academic record, as indicated by the student's grades and letters of recommendation, is required for entrance into the program.

2. The study plan is prepared after consultation with the faculty member who agrees to be the student's IS advisor. The plan is a crucial sample of performance for purposes of judging admission into the program. It should include the following:

a. Name of special field, topic or theme of interest. This may or may not correspond to existing majors.

b. Description of intellectual goals and methods for achieving those goals, including how the Independent Scholar Program can facilitate that achievement.

c. Specific study schedule for the first year and a tentative one for completion of the program thereafter. The study schedule should indicate relevant courses, independent studies, internships, etc. The schedule should reflect both an integrated study program within the field of interest and, together with previous course work, the breadth that marks a liberal education.

d. Proposal for the method of evaluation of work done in the study schedule and credit value of courses and projects.

The next section suggests some of the options and requirements that the student and adviser might consider in formulating the study plan.

Enactment of the Study Plan

1. Independent Scholars are expected to confer regularly with their advisors. The advisor must approve the study schedule and any changes made in it. Major changes must be approved by the IS Committee.

2. Components of the study schedule might include any combination of existing courses, modification of existing courses, and independent studies and internships, without the normal restrictions. For modification of existing courses, the Independent Scholar must secure the approval of the instructor. For Independent studies and internships, the credit value, duration, and method of evaluation will be negotiated by the Independent Scholar, the IS advisor, and the faculty members under whose direct guidance the IS intends to work. Credit value other than what is normal must be approved by the IS Committee. Whatever the composition of the study schedule, the Independent Scholar must complete the college-wide requirement of 32 course credits for graduation.

3. After securing the consent of the IS advisor and the appropriate supervisor(s), the Independent Scholar may register for an independent study project simply by entering the appropriate information on the class registration form. Upon termination of the project, the IS will submit to the supervisor a completed form designated "Report on Independent Study Project." A copy of the statement should be forwarded to the IS advisor.

4. Except for regular courses, instructors will be requested to submit to the IS advisor at the end of the semester a written evaluation of the Independent Scholar's performance.

5. An Independent Scholar may enroll in academic programs at other institutions as part of an official "Program Leave"; however, college policy regarding the maximum number of credits which may be accrued in this manner still applies.

6. Each Independent Scholar is required to carry out a senior project in the form of scholarly research or creative expression. This will take the form of a senior thesis or an equivalent creative project and will be evaluated in accordance with current policy. The senior thesis or creative project should represent competent scholarship or creative activity on the part of the student.

Withdrawal

Students may withdraw voluntarily from the program at any time. Students whom the IS Committee judges to fall short of the anticipated level of performance may be asked or required to withdraw at the end of a semester and resume a conventional program of study. In any case of withdrawal the IS Committee will request instructors to assign a letter grade for all work which has not thus been formally evaluated. Students who have left the program can be reinstated by the IS Committee only after a formal request has been endorsed by the IS advisor.

Junior Evaluation

At the end of the junior year each student will meet with the IS Committee to discuss the student's progress in the program originally outlined by the student and accepted by the IS Committee. If it is the judgement of the Committee that the student has not fulfilled the obligations and shows little promise of doing so, it may decide to drop the student from the program.

Senior Evaluation

1. At the end of the senior year an examination will provide Independent Scholars with an opportunity for articulating and synthesizing the work done under their study plan.

2. The content and design of the examination will be determined by the IS advisor working with faculty from the appropriate department or field of expertise. The examination may be written or oral.

3. The IS advisor will appoint a minimum of two members of the faculty to evaluate the examination. In the case of an oral examination or in cases where there is balanced disagreement over the evaluation of a written examination, the chairperson of the IS Committee will appoint an additional examiner.

4. Examiners sign an evaluative statement, which the IS advisor forwards to the IS Committee along with the advisor's evaluation of the senior thesis or creative project and the student's performance in and benefit from the program.

5. Independent Scholars who fulfill their study plan and pass the senior examination will be graduated as "Independent Scholars", with this fact recorded on their academic records. Independent Scholars who do not complete the senior thesis or who fail the senior examination will not be

so designated, but they will not thereby be prevented from graduating. (The title of the major in these cases will be determined by the Dean of the Faculty, the IS Committee, and the IS advisor.) Independent Scholars may graduate with honors when they meet the college-wide requirements.

INDEPENDENT STUDY

Increasingly, independent study and research under the guidance and supervision of members of the faculty is sought by students as an avenue of investigating areas beyond the limits of the formalized course.

Qualified students may engage in independent study with the appropriate approval of the faculty. A student may take no more than a total of seven independent courses, tutorials, research, senior thesis, creative projects, or off-campus activities such as internships.

In addition to registration with the Registrar, approved plans must be submitted to the Office of the Dean of the Faculty before the beginning of the term in which the study is to take place.

A student may undertake a research project, under the supervision of a faculty member, during the junior and senior years. The maximum allowed toward graduation is four: two per semester, but no more than three per year.

A Senior Thesis is original, scholarly research undertaken in the student's senior year, usually over more than one term. The research culminates in the presentation of a formal written dissertation, which is evaluated by a committee of faculty who also examine the student in person. Outstanding theses are awarded Thesis Honors at graduation. Senior thesis may be undertaken for up to three course credits, no more than two of which may be taken in the same semester. The category of research will include Senior Thesis programs.

A creative project is an independent course of work, under faculty supervision, in a creative medium such as painting, fiction, sculpture, poetry, photography, or music. No more than four such projects are allowed toward the degree and no more than one may be undertaken in a given academic year, except that Senior Projects in Studio Art may be approved for a maximum of two course credits.

A student may take a tutorial (a directed reading project) under the supervision of a faculty member during any term after the first term of the freshman year, but no student may take more than four tutorials while at Lake Forest College, and no more than one per year.

An internship is an independent study which is pursued off-campus in an established organization under the immediate supervision and partial evaluation of someone else outside the faculty. A student may earn a maximum of four course credits in internships but no internship can be for more than two course credits. Internships and practicums are graded only on a Credit/D/Fail basis.

OFF-CAMPUS PROGRAMS

Especially during the junior year students may live and study through one of the college's Off-Campus programs. These programs are limited to one academic term and are planned and directed by members of the Lake Forest College Faculty. Since the classes are a regular part of the academic schedule of the college, credit is given by Lake Forest. The College will offer one off-campus program in 1983-84, provided that it has the requisite number of qualified students enrolled:

Spring Semester in Greece (see p. 16, College Bulletin)

In addition, off-campus study is possible through the various ACM programs for which credit is given by Lake Forest College.

See Section V of the Student Handbook for Off-Campus Program application procedures.

PRE-REGISTRATION AND ROOM DRAW CREDIT REQUIREMENT

Each spring returning students enrolled in the College who have established the appropriate account credit balance are eligible to pre-register for the next academic year. Pre-registration should be completed before the end of the spring term. Students who have pre-registered by this date will be given first priority in classes for the coming year. Thereafter, students must register in the fall after all new students have registered.

The account credit is also required for students who wish to participate in spring room draw.

Any student meeting the pre-registration and room draw account credit requirement who subsequently decides to withdraw from the College will have the credit refunded in full if the student does not draw a room, and the Office of the Dean of Students is notified in writing prior to July 15. No refund is made if a room has been selected, and any withdrawal or leave of absence requested after July 15 will result in forfeiture of the credit.

Any pre-registration that is canceled will result in a $25 reinstatement fee being charged. It should be noted that this fee does not entitle the affected student to enroll in the courses previously scheduled, but rather to register for those courses available.

New students plan a tentative course schedule during the summer preceding their entrance to the College. Registration is completed on designated registration days in September.

READMISSION

Students applying for readmission need to reapply formally through the Admissions Office describing their activities while away from campus and the date that they hope to return. In the event of dismissal for

academic reasons, students are not eligible for readmission for at least six calendar months. In cases of dismissal for disciplinary reasons, eligibility for readmission is stated at the time of dismissal. No readmission is given to persons dismissed twice for academic reasons.

RECORDS OF ACADEMIC WORK

The Registrar's Office maintains a permanent transcript for each student on which are recorded the courses a student is enrolled in, grades, credits, etc.

REQUIREMENTS FOR GRADUATION

A total of thirty-two course credits is required for graduation. Of these at least eight, but not more than fifteen, must be taken in the student's major field. No student may take more than fifteen credits in any discipline. If a student chooses an interdisciplinary major in place of a departmental major, more than the minimum of eight may be required, but the upper limit of fifteen still applies with respect to the courses within one discipline. It is required that twelve of the last sixteen credits be Lake Forest College credits and it is required that the last four credits, with the exception of credits earned during internships, be earned on campus. A grade of C or better must be earned in at least eighty percent of the Lake Forest course credits counting toward graduation. Exceptions to these rules can be granted only by the Academic Appeals Board.

The requirement that a grade of C or better be earned in eighty percent of the Lake Forest College credits counting toward graduation applies only to those courses taken in fall 1980 or later.

While no specific distribution of courses is required within the electives outside the major, students are urged to choose their courses carefully, keeping in mind that breadth of background as well as concentration in one field of interest is an essential ingredient of a liberal arts education. Certain courses require proficiency in mathematics and/or foreign languages. All students are expected to have competence in the use of the English language and to exhibit it in all their oral and written work.

RETAKING COURSES

Repetition of a course will not remove the original grade, but rather both grades will be recorded. A course in which a passing grade was received may not be repeated for additional credit. However, students do earn academic credit when the first grade was failing and the second grade is passing. Permission to retake a course must be approved by the student's advisor.

The College does not attempt to evaluate coursework retaken elsewhere. The evaluation is left to other institutions which the student may attend.

SENIOR STUDENT THESIS AND SENIOR THESIS HONORS

With the approval of a thesis advisor, the student's faculty advisor, the chairperson of the department or interdisciplinary committee in which the student is majoring, and the Dean of the Faculty, students in their senior year may write a thesis for up to three course credits, no more than two of which may be taken in the same semester.

As soon as the Dean of the Faculty approves a thesis proposal, he appoints a three member thesis committee, at least one of whom must be extra-departmental.

Senior theses are to be submitted to the thesis advisor on Monday morning of the next to last week of classes in the term. A copy of the thesis must also be presented to the Dean of the Faculty who must approve its format. (For details on the proper format, see the information sheet distributed in the Office of the Dean of the Faculty.)

The thesis committee, of which the thesis advisor serves as chairperson, determines, after reading the thesis and examining its author in person, whether or not it is acceptable as a senior thesis. If it is not acceptable, if it falls short of the standards expected of advanced undergraduate written research in content or form, the chairperson will grade the student's work as a "Research Project." If the committee finds the thesis acceptable, but not outstanding, the chairperson will grade the student's work as a "Senior Thesis." If the thesis is found to be an outstanding and original piece of research, the committee will award the student Senior Thesis Honors, a distinction that will be recognized in the Commencement Program as well as on the student's transcript. This award of Senior Thesis Honors is to be made regardless of whether the student is to graduate with an Honors degree in a program.

SUMMER SESSION

Schedules and registration forms for the LFC summer term may be obtained in the Registrar's Office. Independent study during the summer is restricted to internships. Other independent studies will be approved only in very exceptional cases, and only if it can be demonstrated that a student's academic program makes that work a necessity. Such requests are to be submitted to the Dean of the Faculty before the end of the Spring semester.

TRANSCRIPTS

Every student is entitled, without charge, to one certified copy of his/her College record. The Registrar's Office charges $1.00 for each additional official transcript requested. Students must clear financial obligations with the Business Office before transcripts will be released. Forms are available at the Registrar's Office for transcript requests. A period of a week should be allowed for filling the request. Official transcripts are released only upon written authorization of individual students or alumni.

TRANSFER OF CREDITS

An official transcript from the issuing institution must be made available to the Registrar's Office before any academic work done elsewhere may be accepted for Lake Forest College credit.

The College is most likely to recognize a course taken at another accredited institution if Lake Forest offers a comparable course. Also, courses at other accredited institutions which are in the Liberal Arts tradition, but do not have comparable counterparts at Lake Forest, may be granted credit. LFC students are required to receive prior approval from the College before taking coursework at other colleges. Lake Forest College does not grant credit in transfer from community colleges to LFC students in their junior and/or senior years. The Registrar evaluates transcripts for LFC course credit. However, students may appeal decisions to the Academic Appeals Board.

TUITION CHARGES (See College Bulletin, p. 150)

WITHDRAWALS, LEAVES, AND TRANSFERS

To ensure prompt release of transcripts, grades, etc., please pay careful attention to the following procedures:

1. A "Separation Form" should be obtained from the Dean of Students Office and an interview scheduled with one of the Deans.

2. Check with the Financial Aid Office to be sure that any scholarships or other awards are appropriately terminated.

3. Clear your account with the Business Office, i.e., secure the $100.00 credit required to maintain class status, etc. for Leaves of Absence.

4. Provide a written statement concerning your reasons for departure from Lake Forest College. This statement will be treated confidentially, and is very useful in helping the College identify areas which may need attention.

5. Interview: Please bring the completed Separation Form and statement concerning reasons for departure to the interview with one of the Deans.

Please Note:

Academic or disciplinary dismissal takes precedence over Withdrawal. If an extension of a Leave of Absence is desired, it is the student's responsibility to contact the Academic Appeals Board by June 30th of the oncoming academic year to avoid forfeiture of the $100 credit.

A student who wishes to be on leave of absence may request from the Dean of Students a leave for a minimum of one-half an academic year and a maximum of one academic year as long as the $100 credit balance is established with the Business Office. A refund of the credit balance is available for students on leave who thereafter withdraw if notice is given prior to July 15 (for leaves due to expire in September) or December 1 (for leaves due to expire in January) and the student has not participated in room draw. Students who withdraw and thereafter wish to return to Lake Forest College must reapply for admission to the College. Academic dismissal will cancel a leave of absence already approved, and a student on leave will be allowed to return without further review of status if at the time of return he or she is in good standing according to the standards then in force. Credit to be transferred must be approved by the student's advisor, the Registrar and, in the case of foreign study, by the Academic Appeals Board.

Your I.D. card should be included when you submit the Separation Form. Residence hall keys should be returned to the Head Resident; other keys should be returned to the Physical Plant.

Any financial deposit or financial aid deadlines which apply to students currently enrolled apply as well to students on leaves of absence.

LAKE FOREST COLLEGE
1983-84 COLLEGE CALENDAR

FALL TERM '83

August	29	New Students Arrive
August	31	Registration
September	1	Fall Classes Begin
September	5	Labor Day (classes held)
September	14	Last day for permissible change of registration
September	14	Last day to register for credit/D/fail option
October	26	Last day for approved withdrawal from a course with an automatic "W"
October	27	Mid-term grade report due

SECTION II

STUDENT LIFE

SECTION II

STUDENT LIFE

(A) STUDENT GOVERNMENT

HISTORY

The first Lake Forest College student body self-governing organization was the Student Council which was established in 1917. Between 1917 and 1969 the student self-governing organization took various forms, from a Student Association and Student Congress of the 1930's to the Community Government Association (CGA) of the 1960's.

Between 1969 and 1972 the student body self-governing organization at LFC underwent several radical changes. During this time the students were governed successively by four different governing bodies: The Community Government Association (CGA), the Student Coordinating Committee (SCC), an intermediary junta, and the Provisional Revolutionary Government (PRG). The present student governing system, known as the Student Government (SG), was established during the spring of 1972 following the collapse of the PRG.

The current Student Government is composed of the General Assembly (GA) and its subcommittees, the Executive Committee (EC), and the three SG officers: the President, Vice-President, and Treasurer. Student members of other college governance committees also play an active and important role in the Student Government. In addition, campus organizations are supported by Student Government.

STUDENT GOVERNMENT OFFICES

The Student Government Offices are located in Commons.

The Main Office is open regularly Monday through Friday from 8:30 a.m. to 5:30 p.m., but it is not unlikely to find someone in there on the weekends or at night. Everyone is encouraged and welcome to stop in at any time.

Phone 234-3100, ext. 451. Address any correspondence to Student Government.

ELECTIONS AND APPOINTMENTS

Student Government Officers, Governance Committee positions, and most campus organization leaders are chosen in the Spring. Consult the SG Constitution, Governance elections sections, and organization write-ups for details. There are many ways to be involved in Student Government without running for an elective office. Throughout the year SG will be sending out notices to the student body announcing various committee openings. Applications for most organization positions are provided by Student Government. Petitions, where necessary, are to be signed by 50

full-time LFC students and are provided by the Dean of Students Office. All full-time LFC students are eligible to run.

MINUTES

Any student interested in receiving current minutes for any of the college governance committees should contact Student Government. In addition, minutes from previous years are kept on file in the Student Government Office and are open to review.

STUDENT GOVERNMENT CONSTITUTION

A. The name of this organization shall be the Lake Forest College Student Government.
B. The Student Government has oversight, within the framework of the College Governance System, of student affairs and supervision of student activities and activity funds.
C. The General Assembly
   1) It is the responsibility of the Student Government to guarantee that residence halls purpose units, and non-resident representatives are elected by their constituencies to serve on the General Assembly following the provisions set forth in this constitution.
   2) Each General Assembly delegate will have one vote.
   3) Residence hall representatives to the General Assembly shall be delegated proportionally as follows:
      1-30 independent residents represented shall be assigned 1 delegate;
      31-60 independent residents represented shall be assigned 2 delegates;
      61-90 independent residents represented shall be assigned 3 delegates;
      91-120 independent residents represented shall be assigned 4 delegates;
      121-150 independent residents represented shall be assigned 5 delegates; and so on.
      These representatives shall be elected from and by the independent residents in each residence hall.
   4) Each purpose unit shall be represented at the General Assembly by one delegate elected by the purpose unit, additional delegates shall be awarded following the apportionments outlined in section C-3 of this constitution.
   5) Non-resident representatives to the General Assembly shall be elected from and by the non-resident constituency following the apportionment outlined in section C-3 of this constitution.
   6) General Assembly representatives elected in the beginning of Fall term shall serve until a second election is held in early January.
   7) In a case where a majority of a General Assembly representative's constituency determines that said representative is not performing his or her duties he or she shall be asked to resign and another representative shall be elected by his or her constituency to take his or her place.
   8) The General Assembly shall meet at least once a month.

   a. A simple majority of the General Assembly's elected membership will constitute a quorum.
   b. Proxies at General Assembly meetings will be honored in the following manner:
      1. A proxy can only be given to a member of the absent delegate's constituency.
      2. A proxy must state the name of the person receiving it and the name of the person giving it. It must also state the specific date of the meeting.
      3. Any member of the General Assembly or of the student body is limited to carrying one proxy per meeting.
      4. Proxies will not be included in the establishment of a quorum.
      5. General Assembly representatives may exercise the use of a proxy no more than twice per academic term.
      6. Proxies will not be honored during the process of electing General Assembly representatives to the Executive Committee.
   9) General Assembly members may be absent from no more than two meetings per academic term. Use of the proxy does not constitute attendance at a meeting.
      a. Any General Assembly member who misses more than two meetings per academic term will be subject to removal from the General Assembly under the provisions of section C-7 of this constitution.
   10) Procedures shall follow Robert's Rules of Order.
   11) General Assembly Duties
      a. The General Assembly has the power of veto over any legislation passed by the College Life Advisory Board and the Executive Committee by a 2/3 vote of the elected members present.
      b. The General Assembly shall elect three of its members to serve as delegates at large on the Executive Committee to be chosen no later than the third week of Fall term.
      c. The General Assembly representatives to the Executive Committee of the Student Government shall serve until a second election can be held after the January elections of new General Assembly representatives. The time of this second election shall be determined by a majority vote of the General Assembly, but should take place no later than mid-January. (Representatives elected at the first election may be re-elected at the second election.)
D. The Executive Committee
   1) The Executive Committee shall consist of a President, Vice-President in charge of information, and a Treasurer who are elected by the student body at large, following the procedures recommended by College Governance. The Campus Activities Director will serve in an ex-officio capacity to provide a faculty/administrative perspective to the committee. It shall also include three representatives elected out of the General Assembly, by the General Assembly. The President of the Executive Committee shall have the power to appoint one member of the student body at large to the Executive Committee. Five members of the Executive Committee constitutes a quorum.
      a. In the period between the elections of new officers to the Executive Committee in the Spring and at the end of the term, the Executive Committee shall be composed of the three newly elected officers, the three representatives elected from and by the

General Assembly, one member of the student body chosen by the new president, and the three former officers serving in ex-officio capacity. This committee shall have the same responsibilities and duties as the Executive Committee is granted in this constitution.

2) All seven members of the Executive Committee have one vote each. Except in cases of appointments by the Executive Committee, the chairperson shall vote only to break a tie.
3) Duties
   a. Administers the affairs of Student Government
   b. Allocates the Student Activity Fee funds to student organizations and activities in accordance with student needs and priorities. (These funds are released to Student Government by the President of the College upon his review and approval of the proposed annual budget.)
   c. Determines the ongoing goals, priorities, and philosophy of the Student Government, subject to veto by the General Assembly.
   d. Is responsible for insuring the ongoing operations of all Student Government funded activities.
   e. Reports all it's actions regularly to the General Assembly.
4) Individual Duties
   a. The President shall preside over all Executive Committee and General Assembly meetings; shall appoint one member of the student body at large to serve on the Executive Committee; shall be chief executive officer of all Student Government subcommittees; shall appoint students to serve on General Assembly subcommittees; shall allocate student office space; has the responsibility with the treasurer for proper expenditure of the Student Activity Fee monies. (These funds are released to Student Government by the President of the College upon his review and approval of the proposed annual budget.)
   b. The Vice-President in charge of information shall serve as assistant to the President and act in place of the President in his or her absence; shall be responsible for the dispensing of all Student Government information to the student body including, but not limited to, dispensing of all Student Government announcements, and the taking, distributing, and posting of all Executive Committee and General Assembly minutes; shall be responsible for keeping an up-to-date file containing all minutes and correspondence concerning Student Government affairs; shall serve on the Executive Committee.
   c. The Treasurer shall conduct an audit at least once a term for all student organization accounts operating out of the Student Government account; shall keep an up to date file of all requisitions; shall have jurisdiction over all student organizational accounts operating out of the Student Government account, except those accounts recognized by the Student Government as being economically autonomous, in which case these organizations must compile a budget report every term for the Treasurer's file and are subject to an audit by the treasurer at any time; shall prepare treasury reports for all Executive Committee and General Assembly meetings; shall make recommendations to the Executive Committee concerning the allocation of funds; shall serve on the Executive Committee.

5) The delegates at large are responsible for providing the Executive Committee, of which they are a part, with the sentiment of the student body.
6) If a General Assembly Representative to the Executive Committee resigns or is expelled, it is the duty of the General Assembly to elect a successor no later than one week after that member's resignation.
   a. If a General Assembly member elected to the Executive Committee is replaced as the General Assembly delegate from his or her own constituency or moves out of his or her area of constituency, a new election for that Executive Committee position must be held within one week of that delegate's departure from the General Assembly.
7) If an officer resigns or is expelled, it will be the duty of the Executive Committee to hold a campus-wide election for a successor to that office within two weeks after that officer's resignation. In the interim, it is the duty of the Executive Committee to appoint a temporary officer.

E. Impeachment Procedures
   1) Any General Assembly member, with the approval of a simple majority of the elected members present at any General Assembly meeting, has the power to form a General Assembly subcommittee to investigate the conduct of any Student Government officer or Executive Committee member.
   2) The accused will be expelled from his or her office or Executive Committee position by a 2/3 vote of the entire elected General Assembly membership. A new election for that vacant position will be held in accordance with the provisions in sections D-6 and 7 of this constitution.

F. Amendment Procedures
   1) This constitution can be amended by a 2/3 vote of the entire elected membership of the General Assembly provided that 2 weeks public notice has been given to the student body.
   2) This constitution can also be amended by a referendum proposed through a petition signed by 10% of the full-time students enrolled in the college. If 2/3 of the students voting approve the referendum it shall be ratified.

ADDITIONAL DUTIES OF THE OFFICERS AND EXECUTIVE COMMITTEE

The following are the duties and responsibilities of the Student Government Officers and Executive Committee which do not appear in the constitution.

The PRESIDENT is Chief Executive Officer of all SG activities, serves as spokesperson for the student body, College Council member, student voting member of the full Board of Trustees of Lake Forest College, has extensive contact with administrative officials, appoints students to various committees, and serves on a committee with the Director of Admissions and Dean of Students which selects the freshman to receive the Jacob Wardwell Edwards Award for having demonstrated outstanding qualities of leadership.
The VICE-PRESIDENT is a College Life Advisory Board member. The President, Vice-President and TREASURER serve on a committee with two representatives from the Dean of Students Office, and one faculty member

chosen by the committee, which selects the senior Edward H. Oppenheimer Award winners and the Tamara Lee Wefler Award winner each spring following the SG elections.

The EXECUTIVE COMMITTEE (EC) appoints student representatives to the Speaker/Lecture/Fine Arts Board (SLFA), Campus Entertainment Committee (CEC), Academic Appeals Board, Club Sports Committee (CSC), as well as various other groups and organizations. In addition, the EC recommends to the President of the College students to serve on the Conduct Board (CB), the Committee on Dispositions (COD), and Board of Trustees' subcommittees. The EC generally meets at least once a week, usually more often.

STUDENT GOVERNMENT BUDGETING PROCESS

Any student organization or activity on campus is entitled to request funding from the Student Government of Lake Forest College. For reasons of efficiency and practicality certain guidelines have been established.

Before any budgeting takes place, Student Government makes available the necessary forms. These consist of an Activity Information Report which allows the organization to set forth both its objectives and its proposed programs. Following this there is an Income Report which describes the previous year's allocation and where it was derived from, as well as the present budget request. The third sheet is the Current Estimated Expenditure Sheet which details the organization's budget request, which allows the Executive Committee (EC) to understand the complete breakdown of the itemization requested. Lastly, there is the Inventory Sheet provides a continuing record of what items have been purchased in the past. This helps organizations and Student Government to avoid duplicate spending, as well as insure continuity of inventory from year to year.

Upon completion of these forms, they are submitted to the SG Treasurer who will then report to the SG President who schedules the EC Budget Hearings. These hearings are open to all students and are posted in advance. All allocations made by the EC at such hearings are subject to veto by the General Assembly (GA).

Budgeting is done twice each school year, both in the Fall and Spring. This allows organizations to revise their requests when necessary, and allows newly formed organizations to request funding. All budget requests and the election of new officers are to be completed by Thanksgiving of the Fall semester and Spring Break of the Spring semester. Failure to comply with these deadlines will result in a "No Guarantee of Budgeting" by the Executive Committee.

The TREASURER will assign an acoount number, name, budget allocation to each funded student organization. Such listing will be supplied through the Business Office. When an individual expenditure exceeds the amount stipulated by the Student Government officers then the request of expenditure must also be signed for by the Student Government Treasurer and President. The Business Office will be provided with the stipulated limits. The Treasurer will review all charges recorded in the general Student Government account. A petty cash fund of limited size exists

under the control of the Student Government Treasurer and President for emergency expenditures. These expenditures must have the Student Government number, receipts or purpose and be of such a timely nature that a check cannot be written through proper College channels. All charges in the Print Shop, Bookstore, Mail Room, Food Service and requests for checks must be signed by persons authorized by the Student Government officers in order to be recognized as proper.

The detail of all the Student Government organizations is kept by the Business Office. Records will be maintained and posted on a micro-computer and the printouts will be available in a year to date detail form soon after the end of each month. Information for each account will include budget allocation, detail of expenditures listing vendor name, amount, and date, total expenditures year to date and remaining budget allocations. The Student Government officers will review this listing with the specific intention of performing an audit function. The Business Office audit function is strictly a procedures audit. Unless circumstances dictate an audit of a different nature the audit of specific expenditures is done by the Student Government officers. Standard College procedures for the requisition of checks, and purchase guidelines will apply.

STUDENT GOVERNMENT SPECIAL SERVICES

The following are special services provided by the Student Government for the benefit of the student body.

EMERGENCY BAIL FUND

The Student Government-sponsored Emergency Bail Fund is a fund of $150.00 maintained in the Office of Campus Security for the purpose of having cash available for those Lake Forest College students who have been arrested for a misdemeanor or a traffic violation and cannot readily post bail. The Office of Campus Security can make funds available ONLY IF bail does not exceed $50.00.

This interest-free loan MUST be repaid by the student within 10 working days. If the money is not repaid within the 10 working day limit, the Emergency Bail Loan will then be handled as a Lake Forest College loan and the same penalty for failure to pay the loan on time will be enforced.

The student for whom bail is being posted must sign a Letter of Receipt for the necessary amount. If a friend of the arrested student is to receive the Bail Loan, in order to post Bail, she/he must present the Office of Campus Security with her/his I.D. card and also sign a Letter of Receipt for the loan. The bailed student must then return to the Office of Campus Security to sign the Letter of Receipt.

A student will not be eligible to receive a second Bail Loan until the first is repaid.

The Office of Campus Security will be responsible only for disbursement and safekeeping of the Emergency Bail Fund. Security will also make telephone contact with the police to insure that said applicant is in custody.

The Treasurer of Student Government is responsible for accounting for the Emergency Bail Fund.

PRINTING FACILITIES

Every student organization and activity is entitled, at the discretion of Student Government, to use of Student Government's mimeo and duplicator facilities. Paper and stencils may also be obtained from Student Government.

Individuals may also use the facilities if they provide their own paper and stencils and pay a penny a copy charge to cover ink and maintenance costs.

STUDENTS AND THE BOARD OF TRUSTEES

Ultimate responsibility for running Lake Forest College rests in the Board of Trustees, whose members serve voluntarily. Through eight standing committees, the Board oversees the annual operation of the College and makes long-range planning decisions. Two students, appointed by the Executive Committee of Student Government with the approval of the College President, serve as voting members on the full Board. The standing committees of the Board of Trustees on which students serve are composed as follows:

1. Two students, appointed with the approval of the President at the beginning of the school year by the Student Government Executive Committee.
2. One alumni representative.
3. Two faculty members appointed by the President.
4. An officer or staff assistant of the College appointed by the President to serve as ex-officio Secretary of the committee.
5. Trustees appointed by the Chairman of the Board of Trustees.

The committees and their functions are as follows:

COMMITTEE ON ACADEMIC AFFAIRS - recommends educational policies, faculty appointments, promotions and salaries, and candidates for honorary degrees. It has discussed development of the Health Services Institute, Master of Liberal Studies program, and the Writing Center.

COMMITTEE ON FINANCE - recommends fiscal policy, sale of off-campus real estate, selection of auditors, insurance and personnel benefits and changes in the College's operating budget. It has dealt with the College budget, a tuition increase, investment procedures, and an examination of the College's insurance coverage.

COMMITTEE ON PROPERTY AND OPERATIONS - recommends policies for the administration of campus grounds and buildings. It has been involved with the renovation of Hixon Hall and Lily Reid Holt Chapel, preparation for renovation of Durand Institute, and computerized energy controls for Donnelley Library and the Sports Center.

COMMITTEE ON STUDENT AFFAIRS - makes recommendations to the full Board of Trustees on student life and welfare.

The Full Board holds at least four regular annual meetings. Standing committees usually meet just prior to the full Board, although some, such as the Committee on Finance, meet more often.

Student members are links between the student body and the board; it is their responsibility to keep each component advised of the other group's policies, problems and viewpoints.

(B) CAMPUS ORGANIZATIONS, CLUBS, GROUPS

ALPHI CHI

Alpha Chi of Lake Forest College is the newest purpose unit to join the college community. Its primary goals and philosophy are based on the group's concern with the betterment of the college and community as a whole, while working in cooperation with other established purpose units to enhance the social life of the college, and to encourage leadership and participation. Events of the group tentatively planned for the 1983-84 academic year include "Residence Hall Athletic Event Attendance Contest: games, a Mardi Gras party, participation in RA festival events and intramurals, volunteer work for the American Cancer Society, and a Thanksgiving dinner for the underpriviledged. Membership is based on potential leadership qualities, academic excellence, and participation in LFC extracurriculars or athletics. All interested individuals should inquire at the third floor annex of Harlan Hall.

AMBASSADORS

The Ambassadors are a group of approximately forty students responsible for giving tours and hosting overnight visits. In an effort to discuss ongoing projects, especially the important Fall and Spring Open Houses, an informal meeting is held once a month. Generally speaking, the Ambassadors try to answer any questions prospective students might have concerning Lake Forest College's academic and/or social opportunities.

In December of each year, the current Ambassadors recommend to the admissions staff twelve to fifteen students who are considered to be good potential Ambassadors. Anyone who enjoys and feels involved in the Lake Forest College experience is encouraged to stop by the admissions office to fill out an information sheet. It is a unique facet of the Lake Forest College experience that allows current students to meet future Foresters.

AMNESTY INTERNATIONAL, GROUP 177

Works for the release of Prisoners of Conscience. These are men and women who have been imprisoned anywhere for their beliefs, color, ethnic origin or religion, provided they have never used or advocated violence.

The College Chapter, Adoption Group 177, has adopted two such prisoners, both imprisoned without trial, and meets once a month to plan practical ways to help them, and secure their release.

Please contact, Professor Louis Lombardi, ext. 533, for further information.

BETA TRITON

Beta Triton ("BT"), a local fraternity located in McClure Hall, provides the college with numerous social and community oriented functions throughout the year. Among these are the Pearl Harbor and Hiroshima parties, the Student-Faculty Cocktail Party, the Homecoming Half-Time Party and the Student Government Presidential Debates. In addition to these events, members enjoy the benefits of living in a cohesive and identifiable group comprised of individuals having the same interests.

Members are expected to pay dues, attend all meetings, participate in all fraternity functions, as well as uphold the goals and policies of the College. Residence in the purpose unit is preferred but not required.

The fraternity holds several "Monday Night Football" parties in the fall to allow new students the opportunity to familiarize themselves with the group. Interested men are selected for membership by active members each February and are "rushed" shortly thereafter. Interested persons are encouraged to contact members during the fall semester.

BLACK RAP

Black Rap is a news and literary publication produced by the LFC Black community with the dual purpose of increasing community awareness of the Black population and providing exposure and experience for contributors.

Issues are distributed inside and outside of the LFC campus. Editors are chosen by BUCS. Interested persons should contact one of the Black Rap editors.

BLACK UNITED AND CONCERNED STUDENTS - HOUSE OF SOUL

The purpose of BUCS is to make Black students and other LFC students more aware of Black culture. BUCS hopes to accomplish this through presenting campus-wide activities that will enrich the student body as a whole.

Each BUCS member is expected to attend bi-weekly meetings, participate in at least one campus-wide activity per term sponsored by BUCS, and be present at all campus-wide activities. The BUCS officers, the Coordinator of Finance, the Coordinator of Communications, the Coordinator of Committee Functions and the Coordinator of Community Relations are elected each Spring term along with three secretaries and committee heads.

BUCS activities include fall Orientation for Black students, publication of Black Rap, Black Cultural Week and Senior Send-off.

The BUCS housing purpose unit, House of Soul, is located in Roberts Hall.

THE BROTHERHOOD

The Brotherhood is a social organization housed in McClure Hall whose purpose is to provide a place where camaraderie and good fellowship can be enjoyed by its members. While the most common of shared interests is athletics, members of the Brotherhood engage in a number of campus events and activities.

Anyone interested in joining the Brotherhood need only visit the East Wing of McClure Hall.

CAMPUS ENTERTAINMENT COMMITTEE (CEC)

The Campus Entertainment Committee is composed of volunteer students and the Director of Campus Activities. The CEC is responsible for planning dances, concerts and other weekend entertainment. CEC also has major involvement in Homecoming and RA Weekends. The CEC Chairperson is selected each Spring from among the membership.

CHOIR AND MADRIGAL SINGERS

The Choir and Madrigal Singers give interested students the opportunity to cultivate and refine musical talents through the performance of quality choral literature.

The season begins in the Fall with a Homecoming Broadway Cabaret. This is followed by the Christmas Festival -- and in late February, the performance of a major choral work with orchestra. The year culminates in a Spring concert and various appearances outside the College community.

The Madrigal Singers is a select chamber group, chosen from the Choir, which performs music of a particular style. This ensemble performs in all major concerts and dons Elizabethan costumes to present an authentic Madrigal Festival in the Spring.

The Choir rehearses four times a week for one hour in Lily Reid Holt Chapel. Regular attendance is mandatory and admission to the group is by audition. Interested students should contact the Choir Director, Mrs. Carol Ptack.

CLUB SPORTS COMMITTEE

The Club Sports Committee is a joint student/administration committee that receives matching funds from both the Student Government and the Administration to support a comprehensive club sports program. Student Government will refer funding requests for sports-related activities to this committee.

The Club Sports Committee is composed of five students, an EC representative, and a representative from the Athletic Department. The five students are appointed each Spring by the new EC. Applications are distributed to the entire student body each spring so that anyone interested in one of the student positions can apply.

COLLAGES

Collages is published in the Spring of the academic year and represents the fond efforts of both students and faculty in the Department of Foreign Languages. The purpose of the magazine is to share with its readers the literary ideas of its contributors, and to provide encouragement to students of French, German, and Spanish at all levels by making available to them a vehicle for the expression of literary attempts in all three languages. Collages also contains artwork and photography.

Anyone interested in contributing or finding out more information should contact the president of Phi Sigma Iota or its faculty advisor.

CONVOCATION SERIES

The series provides a balanced schedule of events which are informative, stimulating, and sometimes controversial. It consists primarily of speakers representing varied interests, disciplines and professions, but also includes cultural programs. A committee of students, faculty, and administration have been working on the concept and execution of the program, and selected students introduce the featured guests at these weekly events. Students interested in becoming involved with the committee should contact the Director of Campus Activities.

DEBATE CIRCLE

The Debate Circle was founded in 1982 to promote reasoned political discourse among both students and faculty. Its campus activities include the sponsoring of debates among faculty, among students, and among teams of faculty and students on topics of general interest. Last year's topics included the Nuclear Freeze, the draft, freedom of the press, and abortion. In addition the Circle envisions the scheduling of campus debates between Lake Forest students and students from surrounding colleges. Creation of a debate team and participation in collegiate debate tournaments will begin should student interest prove sufficient to initiate and sustain such a program.

EL CLUB ESPANOL

El Club Espanol es cultura. Comprender a nuestros companeros es nuestro objetivo. Annual events sponsored by the club are as follows: an international reception, a cooking demonstration day, guest speakers and outings to a restaurant and a festival. Members of the club meet for supper once a week and may speak only Spanish.

The Club is open to all people who are interested in furthering their knowledge of the Spanish language and culture; beginning Spanish students, faculty, everyone.

FILM GROUP

The Film Group supplies LFC with film presentations that fulfill the entertainment, curricular, and cultural needs of the students.

The Film Group is not only responsible for the Friday and Saturday night entertainment film showings, but also has Wednesday night film showings, which usually fall into two areas: undisputed film classics, or film showings for other student organizations and activities.

The Film Group is composed of students and faculty, and new members are always welcome. The outgoing Film Group elects the new student chairperson.

FOOD SERVICE COMMITTEE

The Food Service Committee is a special committee of Student Government which meets weekly with Food Service Management and monitors all on-campus operations of the food service contractors. The Committee provides a forum in which suggestions and recommendations may be aired and forwarded to the food service personnel for their action. Additionally, the Committee provides status reports when appropriate to Student Government, the College Life Advisory Board, the Health Center, the College's Administration and the student body at large. The Executive Committee of the Student Government will appoint three students (two of whom must be General Assembly members) to oversee the Committee and report back to the General Assembly on a weekly basis. These three students will in turn form a committee which will be open to no more than ten interested students from the Lake Forest College community, a representative from the Dean of Students Office, and a representative from the food service who will sit ex officio. The Committee, once formed, will elect its own Chairman and Vice-Chairman. The Chairman will, in addition, be responsible for forming subcommittees to deal with issues such as vegetarian and nutritional concerns.

GAMMA RHO DELTA

Gamma Rho Delta, the College's only sorority, is an organization which has as its purpose providing a social outlet for women on the campus. In addition to social activities, Gamma Rho engages in a number of projects throughout the year which support various worthwhile activities in the community. The membership meets weekly for dinner.

Women interested in finding out more about Gamma Rho Delta may inquire through the Campus Activities Office.

GARRICK PLAYERS

The LFC theatre group, known as the Garrick Players, is the "oldest continuous collegiate theatre organization in the Illinois area." The 1977-78 season marked the opening of the new Garrick home, the Allan Carr Theatre in Hixon Hall. The old building has been remodeled into a new flexible theatre facility with a large variety of staging and creative possibilities. In addition to the faculty directed shows, there is also opportunity for student directed and organized productions.

The Garrick Players are governed by the Garrick Executive Board. The Board consists of seven students elected each spring by the voting members of the Garrick Players organization, and is advised by the faculty director. One of the seven Board members is elected by the new Board to serve as chairperson.

To become a voting member of the Garrick Players, a student must contribute in a substantial way to technical or performing aspects of at least two of the productions in a given year. However, a student needn't be a voting member to be a Garrick Player. Garrick members are not only actors, but also directors, playwrights, set designers, set builders, lighting technicians, make-up artists, costume designers and makers, prop supervisors, publicizers, and so on. Garrick produces plays from the ground up, so there is a place for anyone with an interest in theatre and performing arts in Garrick, whether that interest be onstage or backstage.

HOMECOMING COMMITTEE

LFC's Homecoming Weekend is held each October and the Homecoming Committee, in conjunction with the Alumni Affairs Office, sees to it that students and alumni have fun.

The Homecoming Committee Chairperson is selected by the Campus Program Board after a campus-wide solicitation of applications during the Spring of each year. All students are welcome to become members of the committee. Interested students should contact the Homecoming Committee Chairperson.

HONORARY SOCIETIES

ALPHA PSI OMEGA (NATIONAL DRAMATICS HONORARY FRATERNITY) - Nu Sigma Chapter

Alpha Psi Omega is a national dramatics honorary fraternity dedicated to the promotion and recognition of excellence in college theatre.

Lake Forest College's Nu Sigma Chapter was established in 1954 and for the past quarter of a century has served to honor scholastically outstanding upperclass students who have shown superior accomplishment in dramatic arts at Lake Forest College. To be eligible, students also must have completed two years of study at Lake Forest College.

Pledgeship is determined by the current student membership with the advisement of the faculty sponsors. An initiation ceremony is traditionally performed each spring.

Over the years, honorary membership has been awarded to LFC alumnus Richard Widmark, Class of '37, and playwright William Inge. Recent honorary memberships were bestowed on such noted theatre alumni as athlete Diane Nyad and Hollywood producer Allan Carr.

BETA BETA BETA (TRI-BETA), BIOLOGY HONORARY SOCIETY

Beta Beta Beta, whose LFC chapter dates back to 1935, functions as an honor society for students of the biological sciences. Its activities are designed to stimulate interest, scholarly attainment, and investigation in the biological sciences as well as to promote the dissemination of information and new interpretations among students of the life sciences.

Each year Tri-Beta sponsors an open house for new students in biology, a blood drive, the presentation of numerous films, hosts several lectures by guest and faculty speakers, and holds an annual picnic for members in the Spring.

To become an active member of Tri-Beta, a student must have completed four biology courses and have received a grade of B or better in those courses. Associate membership is open to any student with an interest in the life sciences. New active and associate members are elected each term by the present chapter members. Members must attend business meetings and continue to show a strong interest in sciences. The Tri-Beta officers are the president, vice-president, secretary, historian, and faculty advisor who also serves as treasurer. The officers are elected from among the active members at the last meeting of each school year.

PHI BETA KAPPA

Phi Beta Kappa is an academic honorary society dedicated to the recognition of superior academic achievement in the liberal arts and sciences. The Lake Forest College chapter, Theta of Illinois, was founded in 1962. To have a Phi Beta Kappa chapter approved by the national organization is a high honor for a college. In order to win a chapter, the college or university must meet Phi Beta Kappa standards in providing a solid and high quality liberal arts program.

Both faculty and students are members of Phi Beta Kappa. It is the faculty membership which each year elects student members on the basis of outstanding academic achievement. Ordinarily these are graduating seniors, but it is possible, in the case of extraordinary achievement, to be elected in the junior year. This is rare, and is regarded as a special honor.

The criteria for election include sustained academic excellence as reflected in a strong academic record. Weight is given to the breadth of the program pursued by students, as shown by the number and variety of courses taken outside the major. Weight is also given to balance and proportion in the student's degree program as a whole (professional training courses, such as education, business and internships are not counted). Finally, a student elected to Phi Beta Kappa is expected to have demonstrated a knowledge of mathematics or of a foreign language at least minimally appropriate for a liberal arts education.

In addition to the election of new members, the faculty members of Phi Beta Kappa also select a senior thesis for the Phi Beta Kappa Thesis Award.

The new Phi Beta Kappa members are initiated in a special ceremony that takes place in late Spring.

PHI SIGMA IOTA, THE FOREIGN LANGUAGE NATIONAL HONOR SOCIETY

Phi Sigma Iota is the Foreign Language National Honor Society. Its purpose is to cultivate interest and encourage excellence in the field of foreign languages. The organization offers its members and the college community at large an opportunity to come into contact with different aspects of various foreign languages and cultures.

The society's activities include sponsorship of lectures on various topics concerning languages, publication of a foreign languages literary magazine called Collages, sponsorship of a foreign film festival, and organization of social activities such as initiation dinners and informal gatherings/meetings.

Candidates for membership must have reached the 230, 311, or 312 course level in a foreign language at LFC or equivalent courses at another institution. They must also have a B average in a foreign language as well as an overall B average. Membership responsibilities include payment of membership dues, attendance at meetings, and participation in activities.

The society's officers (president, vice-president/treasurer, and secretary) are elected at the end of the spring term by democratic vote of members.

PHI SIGMA TAU

Phi Sigma Tau is the national honor society in philosophy and is dedicated to honoring academic excellence and philosophical interest and to stimulating philosophical discussions on the local and national levels. Philosophical exchanges are promoted through the activities of the local chapters and through publication of Dialogue, the journal of the national organization. Dialogue publishes the philosophical work of undergraduate and graduate students.

Lake Forest College's chapter was established in 1981. The chapter has sponsored panel discussions and colloquia by LFC students and by faculty members from LFC and from outside institutions.

Membership is awarded to outstanding students and faculty with interests in philosophy. Students can become eligible after three semesters of course work (which must include three courses in philosophy).

PI SIGMA ALPHA, POLITICAL SCIENCE HONORARY SOCIETY

Pi Sigma Alpha is the national political science honorary society. The LFC chapter was founded in 1971. Its purpose is to stimulate productive scholarship and interest in the subject of politics and government by honoring superior students in this field.

To become members, students must be either juniors or seniors; must have taken four Politics courses (at least two of those at LFC, and at least one at the 300 or 400 level); must have a B average in politics; and must have an overall B- average in all courses. Members pay a $10.00 membership fee for national dues.

New members are inducted each Spring; the officers (president, vice-president, and secretary/treasurer) are elected in the Spring.

PSI CHI, PSYCHOLOGY HONORARY SOCIETY

Psi Chi is the national honorary society for psychology majors who have been recognized for their academic excellence. The LFC chapter was established in 1960. Its purpose is to organize social and intellectual activities for psychology majors.

Some of the activities that Psi Chi engages in include: sponsoring guest lectures, seminars by faculty, attending regional conventions, holding career conferences, providing information about graduate schools in psychology and the social services, and holding the Psychology Department social events.

In the Spring of each year the present members review a list of psychology majors who have at least a 3.5 average in psychology courses and a 3.0 GPA. Those students who qualify are invited to join Psi Chi.

SIGMA PI SIGMA, PHYSICS HONORARY SOCIETY

Sigma Pi Sigma is the national physics honorary society. Its purpose is to promote excellence in physics by recognizing outstanding physics students. The original LFC Sigma Pi Sigma charter dates back to May 31, 1930, which makes it one of the oldest chapters in the country. After more than ten years of inactivity, the LFC chapter was refounded in 1974.

The main activity of the group is the induction of new members at a banquet in the spring of each academic year, and the membership requirements are: an overall B average, excellence in physics, and courses through the sophomore level in physics. New members are chosen by present LFC members each Spring. The president for the next academic year is selected at the Spring induction ceremony.

STUDENT AFFILIATES OF THE AMERICAN CHEMICAL SOCIETY (SAACS)

The LFC chapter of Student Affiliates of the American Chemical Society was established on October 20, 1954. The objective of this chapter is to afford an opportunity for students interested in chemistry at LFC to become better acquainted, to secure the intellectual stimulation that arises from professional association, to gain experience in preparing and presenting technical materials, to foster a professional spirit among the members, and to instill a professional pride in chemistry.

SAACS sponsors lectures by guest faculty, and student speakers, holds a fall picnic, and conducts a tour of an industrial chemistry laboratory for its members.

Any student interested in science, especially chemistry, is invited to join SAACS. Though not necessarily required, it is assumed that the student intends to major in chemistry or in related disciplines. SAACS' officers are elected by the members at the end of each school year. Any student interested in joining should contact one of the officers.

SOCIETY OF PHYSICS STUDENTS (SPS)

The Society of Physics Students keeps members informed on recent developments in physics and astrophysics, as well as providing a time when topics brought up in regular classes can be expanded upon, bringing out aspects of the topic that could not fit into the class schedule.

The group invites outside speakers and faculty members to speak on relevant topics and organizes outings to places such as the Argonne National Lab, Yerkes Observatory and Fermi Laboratory.

Besides paying yearly dues, members are expected to display an interest in physics and to have taken some physics courses. SPS meetings and lectures are open to any LFC community member. Non-members as well as members are encouraged to attend. Each year, Sigma Pi Sigma, a physics honor society within SPS invites outstanding students to become members.

Officers (president, vice-president, secretary and treasurer) are elected at the last meeting of the school year. All those interested in joining SPS should contact either one of the officers or the Physics Department.

INTERFAITH CENTER

The purpose of IFC is to facilitate the spiritual growth of Lake Forest College students in a context reflecting the pluralism of campus religious life. A student steering committee suggests and implements programs to meet current campus needs. Activities sponsred include: denominational services on Sunday evenings, weekly New Testament Study and Torah Study, daily meditations. The Interfaith Center also heads two major outreach programs: a yearly Fast For World Harvest project coordinated through Oxfam; a Peach and Justice Initiative which meets monthly to study and act on issues of social responsibility. The faculty coordinator, Professor Ron Miller, serves as liaison with the Dean of Students Office and with the student steering committee. He also works with local clergy who minister to various denominations of students.

INTRAMURAL SPORTS - Entry information will be announced in The Stentor and posted in the Sports Center.

Intramural Director - Coach Charles Miller

LEAGUE FOR ENERGY AND ENVRIONMENTAL AWARENESS

The League for Energy and Environmental Awareness (LEEA) strives to increase awareness of conservation, energy, recycling, etc. in the colleg community. Through activities, speakers, and special programs, we hope to educate ourselves, and the rest of the college. A few of our activities include setting up barrels on campus for collecting newspapers for recycling, and the yearly ravine clean-up.

Any interested member of the student body, faculty, or staff is welcome to participate in the activities of the League.

LITERARY MAGAZINE

The Literary Magazine provides an outlet for student poets, prose writers, photographers, and artists. The Literary Magazine, Tusitala, w first published in January of 1935.

Students who enjoy a personal involvement with literature are encouraged to join the staff, submit material, or both. If interested, contact one of the editors, Lori Barron or Debbie Fulton, or the faculty advisor, Nance Van Winckel.

THE OUTING CLUB

The Outing Club was created in 1973 to promote outdoor activities for all member of the College community. To achieve that end, plans are made each Fall for hiking and camping trips to state and national parks within close proximity to Lake Forest. If enough interest is engendered, trips to local ski areas will be organized.

Students interested in the club and its activities should contact the Campus Activities Office.

PHI PI EPSILON (PHIPES)

Phi Pi Epsilon (Phipes) is the "oldest local fraternity in the United States." It was established at LFC in 1895, and is currently a purpose unit located in Bradley Lodge for the 1982-83 academic year.

Phipes is a social organization that also provides leadership to the campus community. Many members are actively involved in various groups, committees and athletic teams. Phipes participates in many campus and off-campus events throughout the school year. On campus these activities include sponsoring all-campus social events such as South Seas Nite, participating in I.M. sports, and supporting activities such as Homecoming and the annual celebration of Spring. Off campus, the purpose unit is currently involved in the North Shore Handicapped Scouting and other community services.

Member responsibilities are: payment of dues ($45 per term), attendance at weekly meetings, and participation in all chapter functions. Positions of leadership held in the fraternity are: President, Vice-President, Secretary, Treasurer, Historian, Sergeant-At-Arms, and chairmen of all committees.

Phipe pledges are selected in February, and initiation is held in May. Interested students are encouraged to drop by Bradley Lodge.

RACQUETBALL CLUB

The Racquetball Club, organized during the 1973-74 academic year, is a coed group which encourages participation in organized racquetball, both for the beginner and the expert.

The club is sponsored by a national racquetball champion, also a LFC professor, who offers private lessons. The club offers both competitive and noncompetitive play. Several workshops are held during the year, to give members a chance to improve their game, at any level. The club organizes various tournaments each year, also a racquetball marathon, to "Smash Cancer in its Corner." It is a 24 hour marathon designed to earn money for the American Cancer Society. The club encourages all interested LFC students to contact the club chairperson.

THE SISTERHOOD

Created in 1980, the Sisterhood is an organization dedicated to serving the needs of Black women in the LFC community. The responsibilities of Sisterhood and its members are:

1. to provide services to other members in need
2. to sponsor social activities and women's discussion groups
3. to increase the awareness of the LFC community of the concerns of Black women
4. to present to the members the growing demands of society on Black women
5. to help the members develop their talents to meet these demands

Those interested are encouraged to contact group members or elected officials.

SOCIAL SERVICES ORGANIZATION

The purpose of the Social Services Organization at Lake Forest College is to provide students with opportunities for community service through volunteer work. Examples include aiding handicapped children, sponsoring parties at homes for the elderly and conducting field trips to social agencies.

The Social Services Organization has coordinated two major volunteer programs. The first is at Grove School, in Lake Forest, where students teach multiple-handicapped children basic academic skills and basic self-care skills.

The second program is at Omni House, a state-funded agency geared towards juvenile delinquency prevention. In this program the volunteers work with children on a one-to-one basis. The volunteer, called a "youth advocate", acts as a role model for the child.

The Social Services Organization is open to all persons who are interested in volunteer work regardless of major or career orientation.

SPEAKER/LECTURE/FINE ARTS BOARD (SLFA)

The Speaker/Lecture/Fine Arts Board was created during the 1975-76 academic year by the EC and the Dean of Students Office. It is a student/faculty/administration committee jointly funded by Student Government and the Administration.

The Board is composed of six students, two faculty members, and two representatives of the Dean of Students Office. Student members are appointed by the EC. The chairperson, treasurer, and secretary are elected by the Board at their first Fall meeting.

1. The SLFA is responsible for offering a balanced program. It is expected that every effort will be made to support and where necessary, develop the following areas: dance, dramatic programs, musical programs, speakers and exhibits.

2. The SLFA will not fund programs which are, in the judgment of the board, in the exclusive interest of a particular department.

3. It is designed to serve the following constituents in order of priority listed:

   A. Students B. Faculty C. Community

4. Requests are welcome from all sources; including SLFA members. A group funded for a particular program must agree to accept responsibility for publicity, promotion and implementation and other follow-up duties. (Persons requesting assistance may contact the Director of Campus Activities).

5. The SLFA board is responsible for providing program applications and evaluation forms to be completed by SLFA members attending the function and persons responsible for initiating the function. The materials are to be kept by the Director of Campus Activities and available to all campus members.

SPRING CELEBRATION

During the 1971-72 school year students and faculty members of the Art Department created the Festival of RA, a spring fun weekend inspired by the Egyptian sun god. The Festival has become an annual event.

STENTOR

The Stentor, Lake Forest College's student newspaper, was published for the first time during the 1886-87 academic year and has been published bi-weekly or weekly ever since. The newspaper covers campus events, provides editorial opinions, and offers a means of expression for the students and faculty.

Although most of the staff is comprised f reporters, there are other ways that students may be involved with the Stentor. The staff is divided into three parts: the Executive Editorial Board, comprised of the Editor-in-Chief, the Managing Editor, and the News Editor: the Editorial Board, made up of the Features Editor, the Sports Editor, the Production Manager, and the Business Manager, the Photo Editor, the Circulation Manager, and the Copy Editor; and the General staff, primarily comprised of writers and layout staff. Each department has a number of staff members working for it, responsible to that department's head. Students with an interest in any area of the newspaper are encouraged to talk to the editor of a department. Students are welcome to join the staff at anytime during the year.

Editors are selected by a vote of the Editorial Board each November. Those elected editors then serve one complete year.

The Stentor office is located in the lower level of Commons, adjacent to the Gameroom.

WMXM

WMXM is the College's FM radio station located in the lower level of Commons. The 300 watt station broadcasts at 88.9 on the FM dial and is under license by the FCC to the Board of Trustees of Lake Forest College. Contact the Director of Campus Activities for further information.

YEARBOOK (THE FORESTER)

Each year the yearbook staff sets out to produce a book that depicts the flavor of life for students, faculty, and administration as they engage in social and academic activities on campus. Through the use of pictures of and copy about the underclassmen as well as the seniors, the staff works toward assembling a publication which will contain many lasting memories.

In order to produce a book that depicts the activities of the entire year, the staff must start working together in the Fall. The editorial staff includes: the Editor-in-Chief, Layout Editor, Photo Editor, Art Editor, Copy Editor, and Business Manager, however, there are many other equally important opportunities for the writer and photographer. The Editors for the coming year are elected by the staff each Spring. The Chief Editor is chosen by the outgoing staff.

The yearbook is a continuous effort which students can affect with their involvement. It takes a lot more than just editors to produce a truly representative yearbook. Students from all classes are encouraged and welcome to join the staff.

The Yearbook Office is in a basement lounge in Nollen Hall.

(C) STUDENT HONORS AND AWARDS

The College community honors and rewards the outstanding achievements of its students and faculty by acclaiming them in public and by awarding them significant prizes at its annual Fall and Spring Convocation.

In keeping with the dignity and college-wide importance of its convocations, only the most outstanding achievements are to be honored in this way. Prizes are not awarded to the best students in a given graduating class, but to those students who have proved themselves genuinely outstanding by absolute rather than relative standards. Each prize is to be a distinguished and valuable reward commensurate with the occasion and with the prize winner's achievement.

Such distribution and value are embodied particularly in the prizes endowed and donated by friends and alumni of the College to perpetuate their ties to the academic community. These awards, presented at the Fall and Spring Convocations, collectively express and celebrate not only intellectual and personal excellence but also the special, enduring

relationship between present and past generations of Lake Forest College. Outstanding students in academic areas for which there are no endowed or donated prizes are honored out of the College's own prize fund for graduating seniors.

Awards and prizes other than those referred to above are presented at departmental gatherings or at chapter meetings of the respective honor societies.

GENERAL

The Jacob Wardwell Edwards Prize - The prize was established by friends and relatives in memory of Mr. Edwards, former Director of Admissions. The prize is given annually to the freshman student who is judged to have demonstrated the most outstanding qualities of leadership by a committee composed of the Dean of Students, the Director of Admissions, and the immediate past Student Government President. The award is announced and presented at the Fall Opening Convocation.

The Emma O. Haas Memorial Awards for Merit in Scholarship -The late Judge John F. Haas a graduate in the Class of 1900, established at the College annual awards in memory of his mother. A cash prize is awarded to a senior class student outstanding in scholarship, selected by the faculty from those attending Lake Forest College the entire four years. This award is announced and presented the day of the annual Spring Senior Honors Convocation. Awards are also given at the Fall Convocation to the students with the best all-around academic record of the previous year's juniors and sophomores.

The McPherson Prizes for Excellence in Scholarship - Each year several prizes given for excellence in scholarship are named after the Reverend Simon J. McPherson. A sum of $3000 was contributed in 1899 by his friends to establish prizes in English, philosophy, foreign languages, and dramatics. The winners are chosen by the department heads, and are announced at the Spring Senior Honors Convocation.

The Edward H. Oppenheimer Memorial Prize - Awards are given each year to a senior man and senior woman who are judged by a committee consisting of the three Student Government officers, two representatives from the Dean of Students Office, and one faculty member chosen by the committee, to have contributed most to the College Community. The prize, given by James K. Oppenheimer, Class of 1965, honors his father. It is awarded and announced at the Spring Senior Honors Convocation.

Phi Beta Kappa Senior Thesis Award - This award is given in recognition of outstanding scholarship, intellectual maturity, originality, and competence in academic skills as evidenced in the senior thesis. This award is presented at Senior Honors Convocation by the Lake Forest College Phi Beta Kappa Association.

The Tamara Lee Wefler Award - This award was established by the Class of 1977 in memory of their classmate Tamara Lee Wefler (1955-1975). The prize will be awarded annually to that senior whose independent spirit has encouraged the acceptance of a diversity of values and beliefs among the

student body; whose inspiration and enthusiasm have promoted the highest standards of character and integrity in others; and whose actions have consistently demonstrated a sensitivity for and an interest in the welfare of others. This award is to be conferred by a committee consisting of the three Student Government Officers, two Deans of Students and one faculty member to be selected by the other members of the committee. It will be announced and awarded each Spring at the Senior Honors Convocation.

ART

The Senior Prize in Art History - This prize is the result of a generous anonymous donation. The prize is intended for the student, or students, who in the judgement of the Chairman of the Department have been outstanding in Art History. It is awarded at Senior Honors Convocation.

Angela Knott Butler Prize in Studio Art - This prize is established through the generosity of Hartman L. Butler, Jr., and is named in memory of his wife. It is to go to the student who in the judgement of the Art Department has been the outstanding senior studio artist. It is awarded at Senior Honors Convocation.

ATHLETICS

The Letterman's Plaque - The athletic letter winner having the best scholastic record for the three terms preceding the annual Fall Convocation will be honored by having his/her name engraved on a plaque which hangs in the Alumni Memorial Field House. A senior winner is honored at Senior Honors Convocation.

The Nicholas J. Wasylik Senior Athletic Award - This award was created and endowed in 1983 by Seymour H. Knox IV, a Lake Forest College graduate of the Class of 1979, to honor Nicholas J. Waylik, who served on the faculty of the College from 1958 to 1979 as Director of Athletics, Coach, Physical Educator, and in his earlier years as Assistant Professor of Russian. The Award is presented to the senior athlete who best emulates the positive, outgoing attitude as well as the drive and determination of Nicholas J. Wasylik. The recipient is chosen by the Director of Athletics, in consultation with the members of the Athletic Department. An engraved bowl is presented to the student at the Senior Honors Convocation and his/her name is inscribed on a NICHOLAS J. WASYLIK SENIOR ATHLETIC AWARD PLAQUE, to be located in the Sports Center.

ECONOMICS

The H. Murray Herlihy Prize in Economics - This award was created and endowed in 1982, initially by a 1974 alumnus as well as by other students, to honor Professor Herlihy, whose influence during his 25 years of service to the College, from 1957 to 1982, has touched their academic and professional careers. It is awarded to the outstanding senior economics major at the Seniors Honors Convocation.

The Warren A. Peterson Memorial Prize in Economics - This award was established by members of Mr. Peterson's family. The prize is awarded annually to student(s) majoring in economics, with grades, activities, and leadership qualities being the criteria used for selection. It is awarded at the Spring Senior Honors Convocation.

ENGLISH

The Gail DeHerder Prize in Creative Writing - The Class of 1959 established a memorial fund to honor Gail DeHerder, a member of the class for three years. The income from this fund is used to provide a cash prize to be awarded each year, at the Spring Honors Convocation, to the senior who submits the best piece of creative writing. Only students who have attended Lake Forest College the entire four years are eligible.

HISTORY

The Richard Watson Hantke Award in History - This award is presented to a graduating senior majoring in history or in an interdisciplinary field in which the study of history is emphasized, who, in the opinion of the history faculty, clearly merits recognition for distinguished performance in the study of history at Lake Forest College, as evidenced in classroom work, in independent study and research, and in general appreciation of the discipline of history. The award is presented at Seniors Honors Convocation.

LINGUISTICS

Superlative Achievement in Linguistics Award - This award is presented to a student who demonstrates superlative achievement in both Descriptive Linguistics and Romance Philosophy. It is usually awarded to a senior chosen by the language department faculty and is presented at a departmental meeting.

MATHEMATICS

The Harold Bartlett Curtis Prize for Mathematics - In 1967 alumni and faculty members who knew Professor Harold Bartlett Curtis during his long period of service to Lake Forest College created an endowment fund in his honor in order to establish a prize to a senior, who is judged by the faculty of the Department of Mathematics as the outstanding student majoring in mathematics. The prize is an appropriate set of books chosen by the recipient in consultation with the Mathematics Department, and presented at Senior Honors Convocation.

POLITICS

The Solly A. Hartzo Award in Politics - In 1971 the Department of Politics established an endowment fund, the income from which is to be used to provide the Solly A. Hartzo award for excellence in the study of politics and government. This annual award in memory of Professor Hartzo, a member of the faculty for thirty-five years until his retirement in 1965, is presented at the Fall Convocation to an outstanding junior student majoring in politics and selected by the faculty of that department.

PSYCHOLOGY

The Sterling Price Williams Prize - This prize in psychology, given by friends in honor of Dr. Williams, Professor of Psychology and Philosophy at Lake Forest, consists of books on the subject of psychology chosen by the recipient. The student to whom the award is made is selected by the members of the faculty of the Department of Psychology as the senior psychology major who shows greatest promise in this field. It is awarded at the Spring Honors Convocation.

RELIGION

The Scott Award in Religion - In 1957, Miss Mildred Scott of Cleveland, Ohio, established by endowment "The Scott Award for Excellence in the Study of Religion." The annual cash award honors her parents, Mr. and Mrs. Lyman H. Scott. It is given at the Fall Convocation to that student, usually a junior, who, in the opinion of the faculty in the Department of Religion, has done the most outstanding course work in that department.

THE SCIENCES

American Institute of Chemists Award for demonstrated leadership and character as well as high scholastic standing and potential for advancement in the chemical profession. The award is presented at a departmental gathering.

Analytical Chemistry Award - This award is given by the Analytical Division of the American Chemical Society. The prize is a one year subscription to the Journal of Analytical Chemistry and is awarded at a departmental meeting.

The Chemistry Achievement Awards - The Chemical Rubber Publishing Company of Cleveland, Ohio, gives annually a copy of the Handbook of Chemistry and Physics to an outstanding student in freshman chemistry. The recipient is selected by the faculty of the Department of Chemistry and honored at a departmental gathering.

The Fredericka L. Stahl Memorial Award for Excellence in Science - Judge Haas established these annual cash awards in memory of his wife, for excellence in science. The recipients of the awards are determined by a committee of faculty members and announced at the Spring Seniors Honors Convocation. The prizes are awarded to the senior class students who have the best records in the field of natural sciences during the four years they have attended Lake Forest College. Students who major in biology, chemistry, and physics are eligible. Excellence in the natural science courses forms the primary basis for selection. Attitude, habits of work, and spirit of cooperation are all taken into consideration by the committee.

Freshman Achievement Award in Biology - This award is presented at a departmental gathering to the freshman whose performance in biology courses is deemed best by the biology faculty.

The Merck Award in Organic Chemistry - Merck & Company of Rahway, New Jersey, presents a copy of the Merck Index at a departmental gathering to the outstanding student in Organic Chemistry.

(D) STRANGE FACTS

ALUMNI OFFICE SERVICES FOR UNDERGRADUATES

The Alumni Office provides a typing service for resumes and letters to prospective employers and graduate schools. This service is free, and is available to all students.

AMBASSADORS

The Ambassadors are a group of approximately forty students responsible for giving tours and hosting overnight visits. In an effort to discuss ongoing projects, especially the important Fall and Spring Open Houses, an informal meeting is held once a month. Generally speaking, the Ambassadors try to answer questions prospective students might have concerning Lake Forest College's academic and/or social opportunities.

In December of each year, the current Ambassadors recommend to the admissions staff twelve to fifteen who are considered to be good potential Ambassadors. Anyone who enjoys and feels involved in the Lake Forest College experience is encouraged to stop by the admissions office to fill out an information sheet. It is a unique facet of the Lake Forest College experience that allows current students to meet future Foresters.

COMMONPLACE

Commonplace houses the student snack bar and lounge. The room serves as an informal recreation spot, and is open until midnight every night.

EMPLOYMENT OF STUDENTS

Students interested in obtaining employment on campus should see the Director of Financial Aid. Students interested in securing employment off campus should see listings in Commons.

GAME ROOM

The Game Room is on the lower level of Commons: Billiards, pinball machines, and table games such as backgammon are available.

IDENTIFICATION CARD

The student identification card is furnished by the College for use as a means of personal identification as a Lake Forest College student and represents membership in the College community. It remains the property of the College and must be returned to the Dean of Students Office when the student is no longer enrolled.

Carry the I.D. card at all times. The I.D. card must have a current validation sticker attached in order to be considered valid. It must be presented upon request to any College official.

I.D. cards are available at the Security Office weekdays between the hours of 9:00 a.m. and 4:00 p.m., and replacements for lost or damaged cards are available to the student upon payment of a $5.00 (cash) charge.

LOANS

Short term emergency loans are available in the Dean of Students Office. Loans will only be granted for specifically demonstrable emergency educational or personal (i.e. death in family) needs that influence educational objectives. There is always a nominal interest charge to cover the cost of providing this service.

LOST AND FOUND ARTICLES

The "lost and found" is located at the Campus Activities Office.

MAILBOXES

All students are assigned a mailbox which is located on the lower level of Commons. All students retain the same mailbox throughout their tenure at LFC.

The proper form of address for letters and parcels is: Your Name, Student Box XXXX (your number), Lake Forest College, Lake Forest, IL 60045. Please do not use P.O. Box no. XXXX as your mailing address since this causes mail to be misdirected to the Lake Forest Post Office. Mail not bearing the student box number leads to delayed delivery.

MUSIC PRACTICE ROOMS

Ravine Lodge houses music practice rooms which may be used by students studying applied music.

SECTION III

CAMPUS SERVICES

SECTION III

CAMPUS SERVICES

ADMISSIONS - Patterson Lodge

"Spike" Gummere, Dean
Ellen Syburg, Associate Director
James Jacobs, Assistant Director
Anthony Leggett, Assistant Director
Naomi Tsuzuki, Assistant Director
Virginia Reichl, Assistant to the Dean

The Admissions Staff encourages the participation of students, faculty, and staff in the admission process since it is vital that prospective students experience as much of campus life as possible. The Admissions staff is available to answer questions about the College, arrange for tours, and help students plan for college. Students, staff, and faculty are encouraged to contact the Admissions Office with names of prospective students.

BOOKSTORE - Commons Ground Level

Madge Buchholz, Manager
Hours: Monday-Tuesday, 8:00 a.m. - 7:00 p.m.
Wednesday-Friday, 8:00 a.m. - 4:00 p.m.

The College Bookstore carries leisure reading paperbacks, books by faculty authors, art supplies, school supplies, sundries, T-shirts, greeting cards, magazines and newspapers. The Bookstore is self-service and students may write checks for a maximum of five dollars above the cost of their purchase. The Bookstore will special order any book you want, with a $2.00 deposit. NO PERSONAL CHARGES and NO CREDIT CARDS accepted.

RETURNS POLICY: Books will be accepted for full price, if not written in, with cash register receipt during the first two weeks of class. If book is written in, the Bookstore will refund 1/2 of the original price during the first two weeks of class. After the first two weeks of class you must have a drop slip and cash register receipt in order to return books. Drop slips will not be accepted if more than two weeks old. All books listed as required will be considered as such until the instructor notifies the Bookstore. At the end of the term, the Bookstore will buy back a book for 50% of new price, if the book is to be used the next term. Books may be sold at the end of fall and spring terms to a wholesaler. A wholesale price catalogue is available in the Bookstore for price reference.

BUSINESS AND FINANCE - North Hall 107

Theodore R. Carlus, Vice President, Business
Leslie Thomas Chapman, Assistant Vice President, Business
Jane Shillinglaw, Assistant to the Vice President, Business

The Business Office is responsible for all internal accounting, budget, accounting for special funds, government grants, student hospitalization insurance and much more.

CAMPUS ACTIVITIES - Commons Main Floor

Wayne Doleski, Director

The Campus Activities Office plans and sponsors social, cultural and special academic events, maintains the Master Calendar (scheduling and reservations), publicizes via the Capsule, distributes complimentary tickets for special events in and around Chicago, arranges trips to cultural and entertainment events in Chicago, sponsors leadership education workshops, coordinates activities with Barat College, and provides services regarding international student travel.

CAREER PLANNING AND PLACEMENT - Young Hall 222

Leslie Davis, Director

The office of Career Planning and Placement (CP&P) seeks to help students discover and develop career objectives through individual interviews and group discussions. Some of the services provided are job-hunting strategies workshops (resume writing and interviewing skills), career development and workshops and assistance with securing employment after graduation and during the summer. A library of resource materials, containing career and employer information, relevant periodicals and graduate school catalogues, is available for students' use. Special services offered include computer assisted career guidance and on-campus alumni career programs. Students from all classes are encouraged to utilize the CP&P facilities.

CASHIER - North Hall 107

Ilse Beaufoy

Students can cash checks up to $20 per day and can also pay their bills at the cashier's window. Students forfeit the right to cash their personal checks if two of their checks are returned by their bank. There is a $7.00 service charge for any check returned by the bank. A limited supply of stamps and postcards are available for purchase from the cashier.

COMMUNITY EDUCATION AND GRADUATE PROGRAM IN LIBERAL STUDIES - Young Hall 222

Arthur Zilversmit, Director
Carol Gayle Moodie, Associate Director

This Office is geared to meet the needs of non-traditional-aged students. Carol Moodie has a special interest in providing academic counseling for adult learners. The C.E. office urges all non-traditionally aged students to drop into the office, 222 Young Hall, to discuss any problems or questions. During the regular academic year all non-traditional-aged students are invited to a series of informal discussions at lunchtime. The Office also supervises the graduate program, the Master of Liberal Studies, and runs a series of non-credit workshops for the North Shore community.

COMPUTER SERVICES - Donnelley Library

Michael Davis, Director
Hours: 8:30 a.m. - noon, 1:00 p.m. - 5:00 p.m.
Monday through Friday, except holidays.

COUNSELING CENTER - Johnson 173 (Call extension 361 or 362)

Dr. Phylis Frankel, Director

Individual counseling is available to students who are experiencing academic, personal, or emotional difficulties. In addition, a variety of workshops are available to all students who may wish to further their personal growth and development. The workshops, generally, focus on enhancing the effectiveness of one's ability to communicate and relate to others, and on stress management.

Complete confidentiality is absolutely assured, and there is no fee involved for services provided to students.

DEAN OF FACULTY - North Hall 103

Bailey L. Donnally, Provost and Dean of Faculty
George L. Speros, Associate Dean of Faculty

The Dean oversees all academic programs at the College. In addition, the Dean periodically reviews the academic records of every student and notifies students of their progress toward obtaining a degree.

DEAN OF STUDENTS - Young Hall 212

Eric R. Riedel, Dean
Karla Spurlock-Evans, Assistant Dean
Steven J. Watter, Assistant Dean

The Dean of Students Office is responsible for Campus Activities, Career Planning and Placement, Counseling, Food and Health Services, Campus Ministry, Judicial and Disciplinary Matters, Loans, Residence Life, Security, Student Life, and Withdrawals, Transfers or Leaves of Absence.

FINANCIAL AID - North Hall 200

Gordon White, Director and Assistant to the President

The Office of Financial Aid assists students in evaluating their eligibility for institutional, state and federal financial aid programs.

The Office also co-ordinates Campus employment for any student desirous of such an employment opportunity. While student aid recipients receive first consideration for such employment, approximately 30% of the students employed are not recipients of financial aid.

HEALTH INSURANCE PROGRAM

All full-time students of the College are eligible for protection under the student health insurance program; students residing in the College's residence halls are required to participate in the plan unless a written waiver is presented indicating evidence of equal or superior coverage. Insurance waiver forms may be obtained from the Business Office. The completed waivers must be returned to and approved by the Business Office before October 1, 1983 for full cancellation and February 1, 1984 for partial cancellation. This insurance covers a 12-month period for the 1983-84 academic year. Because of the low cost, $87 per year, this policy looks first to any other coverage before honoring claims. The provisions of the College Insurance Plan are detailed in a separate pamphlet available in the Health Office or the Business Office, and copies

of the brochure are also mailed to all parents. Students are billed separately by the hospital for the difference between the charge from hospitals and doctors and the insurance coverage. The College insurance plan does not cover the costs of eyeglasses, private doctor's office visits, dental care (except resulting from injury to sound natural teeth up to $100 per tooth), outpatient diagnostic charges (except resulting from an accident), or maternity care.

The College carries an additional insurance policy for varsity athletic teams; this policy also first looks to other coverage. Charges in addition to those covered by the policy are borne by the individual.

HEALTH SERVICE - Sports/Health Center Building (Main Lobby)

Nancy Ryan, M.D., (Medical Director)
Carole Hoskins, R.N., College Health Nurse Practitioner
Hours: 8:30 a.m. - 4:30 p.m., Monday through Friday

The Lake Forest College Health Service, in cooperation with Lake Forest Hospital, exists to assist the students of Lake Forest College in maintaining a state of optimum health in order that they can pursue their studies at the College to the best of their abilities.

Emotional and physical needs of the students are met in a way which is both corrective and educational.

It is required that all students show proof of equal or better insurance coverage than that of the College carrier, or else pay for coverage with the College company.

Health care for faculty and staff is not a duty of the Health Office. However, in an emergency, treatment will be provided and immediate arrangements made for further emergency treatment elsewhere.

A. EMERGENCY SERVICE

In the event of an urgent illness or injury occurring when the Health Service is not open, the student should be seen in the Emergency Department of Lake Forest Hospital. NOTE, however, that referral by the Residence Staff or Security is required.

B. CHARGES

Services provided at the College Health Service are free of charge to the student who has paid the health fee. Scheduled visits at the College Health Service with the nurse or physician, medications in stock (non-prescription), dressings and physical examinations are included. Mono spot and urine tests for pregnancy are also done by the Student Health Nurse at no additional charge. All laboratory work sent to the Lake Forest Hospital and diagnostic x-rays are not covered by the health fee. Students properly referred to Lake Forest Hospital Emergency Room (by the nurse, Residence Staff, or Security) will receive a college discount on their charges.

Students not properly referred will be expected to pay the full emergency charge made to private citizens who use the emergency facilities of the hospital.

C. HEALTH RECORDS

All new, transfer, resident and commuter students are required to complete a Health Questionnaire, or the student will not be permitted to register. Students are urged to have a physical examination by their own physician (form included in the questionnaire). All students planning to participate in intercollegiate sports must have an examination.

If the student leaves the College and returns after a period of one year has elapsed, the medical report record must be updated by reporting to the nurse at the Student Health Service for re-evaluation. If the student remains at Lake Forest College without leaving for a period greater than one year the health record will remain valid. This health record becomes a permanent part of the student's health file. When the student leaves the College, having graduated, transferred, or withdrawn, the health record will be kept for no less than seven (7) years. The professional staff of the Health Service will chart-in the student's health record. The health record will remain a confidential document and information will be released only with the written permission of the student.

D. SPORTS INJURY & TEAM PHYSICALS

Athletic related injuries must be seen in the Health Service if at all possible. Most injuries do occur during intercollegiate athletic events, and these events are scheduled most often at times when the Health Service is closed. In these cases the injured student should be taken to Lake Forest Hospital Emergency Department.

Physical examinations are required of all students who play sports. All new students (freshmen, transferred, commuters, residents) who plan to participate in intercollegiate sports are required to have a physical examination before registration by their own physician. This form is included in the Health Questionnaire. The student will not be permitted to participate in intercollegiate sports if this requirement is not met. Returning upperclassmen physical examinations are done in the Health Service at an appointed time and date set by the nurse or a physician.

E. MEALS

In the event that a student is confined to the residence hall by illness or injury a meal ticket for a sick tray order may be obtained in the Health Service or after hours from the Residence Staff.

The sick tray order card will state the length of time for meals and the type of foods the student should receive. This card enables another classmate to bring food from the cafeteria to the ill student.

INTERFAITH CENTER (IFC) - downstairs office of Lily Reid Holt Memorial Chapel

Ronald Miller, Coordinator

The purpose of IFC is to facilitate the spiritual search and growth of Lake Forest College students in a context reflecting the pluralism of campus religious life. A student steering committee suggests and implements programs to meet current campus needs. Activities sponsored

include: denominational services on Sunday evenings, weekly New Testament Study and Torah Study, daily meditations. The Interfaith Center also heads two major outreach programs: a yearly Fast For World Harvest project coordinated through Oxfam; a Peace and Justice Initiative which meets monthly to study and act on issues of social responsibility. The faculty coordinator, Professor Ron Miller, serves as liaison with the Dean of Students Office and with the student steering committee. He also works with local clergy who minister to various denominations of students.

LIBRARIES

Arthur Miller, College Librarian
Joann Lee, Assistant Librarian. Reference, bibliographic instruction, on-line data base searching, research assistance.
William Starck, Assistant Librarian. Technical services.
Guynell Williams, Assistant Librarian. Reference, interlibrary loan, A-V.
Heidi Ford, Assistant Librarian. Technical services.
Nancy Rozak, Assistant to the Librarian. Circulation (overdue books, reserve problems), student personnel.
Mary Guenin, Technical Services Assistant.
Doris McKinven, Office of the College Librarian. Administrative assistant, archives and special collections.
Carol Miller, Assistant. Circulation, interlibrary loan, and administrative.

HOURS:	DONNELLEY	SCIENCE
Mon.-Thur.	8:00a.m.-midnight	Mon.-Thur. 8:30a.m.-11:00p.m.
Fri.	8:00a.m. - 10:00p.m.	Fri.-Sat. 8:30a.m.-5:00p.m.
Sat.	8:30a.m. - 10:00p.m.	Sun. 10:30a.m.-11:00p.m.
Sun.	10:00a.m. - midnight	

DONNELLEY LIBRARY

The main College library collection is located in the Donnelley Library on Middle Campus; other service points are the Freeman Science Library which houses the biology, physics, and chemistry collections and the Math Library (periodicals) in Young Hall. Several business periodicals and books on management are received by the Lake Forest School of Management, located on South Campus.

Donnelley Library's strengths are in U.S. history (including North American Indians), Black studies, British history, the World Wars, economics, and English Language and Literature. The College is fortunate to have several special collections of note. These collections include the Stuart collection of Scotiana, the Garrett Leverton Memorial Library in theater, the Hamill collection in humanities and rare books, the Elliott Donnelley Railroad Collection, and the O'Kieffe Collection of Western literature. In microform the library holds complete runs of the New York Times, the Chicago Tribune, the Chicago Defender (1901-1956), the Underground Newspaper Collection produced by Bell and Howell, Jeffersonian Americana, German War Records, The Congressional Record, Slavery Source Materials, and the Federal Writers' Project Slave Narrative Collection.

MAIN FLOOR

Bibliographic Center (located on the north side)

1. Reference Service. The reference desk is located on the right side of the lobby. At times when the reference librarian is busy or the desk is unattended, please consult the library staff in the administrative offices just east of the reference desk or at the Circulation desk. In addition, several printed guides on specific needs are readily available ("Periodicals," "Dictionaries," "Politics" in general, etc.) at the reference desk.

2. Access to LFC's Book Collection. Access to books in the College's libraries is by two means: (1) a card catalog and (2) a computer file. The card catalog is located behind the stairs and has two parts; one section is an alphabetical listing of books by author and title, the other an alphabetical listing by subject. The library uses the Library of Congress classification system.

   The computer terminals located near the card catalog also provide bibliographic and circulation information for Lake Forest College's holdings as well as those of the other academic libraries in Illinois sharing the Library Computer System.

3. Access to Periodicals

   a. To find articles in periodicals, use the indexes and abstracts located in the Reference Room. They provide author, title, and subject access to the articles appearing in journals, newspapers, government publications, and collections which have appeared in book form. The librarians will be glad to help you find the appropriate index or abstract for your subject.

   b. i. Periodicals List, a computer printout located near the catalog, at the service desk, and in the Index and Abstract section of the Reference Room, lists alphabetically by title holdings at LFC, the Lake Forest (Public) Library, Barat College, and the Lake Forest School of Management on South Campus.

   ii. Journal list from Management, Legal, and Computer Contents, located with Periodicals List. Journals listed are on deposit in Donnelley; ask a librarian for access.

   iii. LCS. In progress in 1983 is a project to provide listings in LCS by title.

4. Access to Materials Not in the Library. The library takes part in a shared circulation system centered at the University of Illinois which makes available to LFC patrons the holdings of 19 other libraries. Direct access is implemented through the computer terminals located at the Circulation Desk and card catalog. (See also Interlibrary Loan, under Services, below.)

5. Pamphlet File. Blue cards in the subject catalog refer to materials arranged in the cabinets adjacent to the card catalog. The materials are arranged alphabetically by subject.

Reference Collection

The reference collection is located at the rear (or west end) of the main floor. These books are distinguished by yellow "Reference" labels. Some major types of reference books are encyclopedias and dictionaries, yearbooks and almanacs, general bibliographies, handbooks, atlases, directories and concordances. Printed guides to these types of sources are available near the reference desk. Reference books must be available at all times, so they are not permitted to leave the library. Computer-assisted bibliographic searches are often available to students. Consult a reference librarian for information on this service.

Periodicals

Current periodicals can be found on the south side of the main lobby; back issues (bound volumes) are located on the lower level. Also, current issues of heavily-used periodicals are available on reserve at the Circulation Desk or in the Open Reserve Room. An alphabetical computerized listing of the periodicals is located at the card catalog, and at the Reference Desk. Recent Math periodicals are located in Young Hall on the second floor. See a librarian or a member of the mathematics faculty for access. Biology, chemistry, and physics periodicals are in the Science Library.

Reserve Room

Reserve reading materials are used in this part of the library only, inside a security gate south of the regular check-out station at the Circulation Desk. Some books are on open shelves while others are available at this reserve desk.

Check-Out Desk

The Circulation Desk is located to your left (south) as you enter the library. Here you can charge books to take out of the library or renew books. All books should be returned here by placing them in the book return slot.

Group Study Rooms

For groups wanting to study together on the main level, group study rooms are located both in the reserve and reference areas.

Photocopiers

One copier (ten cents per copy) is located adjacent to the card catalog; another is in the reserve area.

SECOND FLOOR - This level is a study area; talking is not allowed in stacks and carrel areas.

Lounge

An attractive browsing, smoking and quiet conversation room is located east of the main stairs.

Quiet Study Room

The north room on the second floor is a quiet area reserved for individual study only. No Smoking, except in the Lounge.

LOWER LEVEL

Writing Center

This instructional support unit, independent administratively of the library, is at the foot of the main stairs on the Lower Level.

Computer Center

The College's computer and its administrators are located on the north side of the lower level. Visitors to the Center should use the main library entrance to reach the north stairs, from the reference room (see maps and signage).

A.D. Johnson Audio-Visual Center

Hours: Sunday - Thursday, 1:00 - 5:00 p.m., 6:00 - 10:00 p.m.
Friday
Friday, 1:00 - 5:00 p.m.
(no Saturday hours)

Located in the southeast corner of the lower level, the A.V. center houses centralized A.V. equipment to support teaching and provides software and listening facilities for the music and language programs. The A.V. classroom is used for instructional showings of films and videotapes, and for bibliographic instruction sessions.

Collections

1. Periodicals (bound) - non-circulating.
2. Research - infrequently circulating books, arranged by LC class number. (Frequently circulating titles are on the upper level).
3. Microform - in the microform reading room (south wall lower level). Administered from the A.V. Center.
4. Government Documents - northwest corner lower level. Superintendent of Documents classification system. See a librarian for assistance.

Group Study Rooms

West wall of lower level; available for study in groups, on a conversational level. Not for individual study.

THOMAS O. FREEMAN SCIENCE LIBRARY

This small unit convenient to the science building houses the collections used by the departments of biology, chemistry, and physics. With study space for more than sixty students it is heavily used by science students seeking reference access to the collections and a quiet smoke-

free atmosphere. The reference tools in scientific areas are complex but also vital to the serious student. While no professional librarian is stationed in the science library, reference help is always readily accessible from the main library by a phone in the public area near the office. Users should consult the student personnel on duty for general and location information, and use the phone for reference help. An LCS terminal also provides information on both libraries' collections and allows users to search the holdings of all other 19 LCS libraries.

SERVICES AND PROCEDURES FOR DONNELLEY AND FREEMAN LIBRARIES

Borrowing

Along with acquiring and organizing books and guiding users to information, the libraries also establish procedures for the rationing of library materials among those who need them. At Lake Forest College, the procedures attempt to focus primarily on regulating and monitoring the use of those materials most in demand.

Through the use of the Library Circulation System, LFC users can check books out directly from many of the 20 other libraries who share the system. See a librarian for more information.

1. Charging Out Books. Present your validated student identification card along with the desired book at the loan desk. For all direct loans (from our own library or from another library in the LCS), a patron must have his or her patron number.

2. "Instant Recall." Any book can be recalled at any time regardless of when it was originally charged out. (See recall reserve.)

3. Recall Reserve. If you have a book which has been recalled, but you still need it for yourself, request the circulation assistant to place it on "recall reserve." The book will be assigned a three-day reserve status so that all interested parties can make use of it. In this way we hope to provide the utmost access to the most sought-after books and, in doing so, inconvenience fewer people.

4. Reserves.

   a. Open Reserve. The open reserve room houses assigned and recommended course readings (arranged by subject and course) and other high-use reference materials on open stacks. All materials must stay in the reserve room or its adjacent group study room.

   b. Closed Reserve. Some high-demand reserve items are kept at the circulation desk, and are available when a librarian is on duty only. These are obtained by filling in a request slip and handing it with your I.D. to the desk attendant for charging.

5. Non-Circulating Materials. Periodicals, reference and Treasure Room books, and microforms cannot be used outside the building or outside designated areas.

6. Responsibility for Returning and Using Carefully Library Materials.

   a. Overdue Books

General Collection	Reserve Materials
1-10 days overdue no fines levied	2-hour and 1-day items $1.00 per hour overdue
11-24 days overdue $2.00 fine per item	3 day items $1.00 per day overdue
25-38 days overdue $6.00 fine per item	Recalled Books $1.00 per day overdue
39 or more days over- Bill for lost book, plus $10.00 processing fee and $6.00 fine	

ALL FINE NOTICES FOR GENERAL COLLECTION BOOKS ARE GENERATED IN URBANA, AND DELIVERY AND PROCESSING ARE SOMETIMES SUBJECT TO DELAY, PARTICULARLY AT THE END OF THE TERM.

DAMAGED LIBRARY PROPERTY

Books: Replacement
List price of the book, plus $10.00 processing fee

Books: Repair
To be determined by Library staff

PLEASE NOTE: IT IS THE BORROWER'S RESPONSIBILITY TO BE AWARE OF THE DUE DATE AND TO MAKE SURE THAT ALL MATERIALS ARE RENEWED OR RETURNED IN TIME.

WHEN RENEWING BOOKS IN PERSON OR BY PHONE, IT IS THE BORROWER'S RESPONSIBILITY TO KNOW AND RECORD THE NEW DUE DATE.

After 30 days all unpaid fines and service charges will be referred to the College Business Office. Any fine less than $5.00 will be increased to $5.00 when billed from the Business Office, and must be paid directly to that office (not to the library).

   b. Overdue and Fine Problems. Library users should respond promptly to all overdue or fine notices. Students should report problems promptly to Nancy Rozak in Circulation (ext. 403) or on "Overdue Problem Report" form provided.

   c. Care of Materials. Students are expected to respect library materials, which are community property, to ensure that others can use them in the future. Charges will be assessed to repair or replace damaged material as indicated above.

d. Students and Faculty Leaving Campus. Students and faculty leaving campus, except for term breaks, are responsible for returning library materials before they depart. Any book not returned will be reordered and charged to the patron, along with processing cost of $10.00 per item and accumulated fines.

Interlibrary Loan and Photoduplication

If students begin early enough in the term to identify materials needed for a project or term paper, the library staff can obtain materials from other libraries, thus significantly expanding the range of materials available. With an early start, the Lake Forest student has as much or more available than a student in a typical large university library. More than one-third of the student body uses the interlibrary borrowing service. They use this service by filling out a form which shows the material requested and its source. This is available at the reference desk.

Smoking and Food and Drink

Smoking and eating or drinking are not permitted in the building. The Lounge on the upper level is designated a smoking area.

Security

An electronic security system screens all library users as they exit the library.

PERSONNEL - North Hall

Leslie Thomas Chapman, Assistant Vice President, Business

This Department processes the paychecks of students and regular College employees. Annual W-2 Wage and Tax Statements are issued from this office. All student employees must file annually federal and state W-4 statements with Personnel through the Business Office. Student paychecks are issued biweekly and are available from the Cashier. Paydays are listed on the time card. Other aspects of student employment, such as assignments, time cards, and rate of pay, are the responsibility of the Financial Aid Office.

PHYSICAL EDUCATION AND ATHLETICS - Sports Center

Mike Dau, Director

The Physical Education Department offers a wide variety of non-credit courses. The athletic program is designed to serve student needs and interests on four levels: varsity intercollegiate athletics, intramurals, physical education, and recreational activities.

Facilities are available for racquetball, squash, handball, basketball, volleyball, tennis, weight training, hockey, ice skating and swimming.

Sign-up sheets are available for the handball and squash courts.

Men's and women's locker rooms are equipped with saunas. The swimming pool is open when posted, and swim attire is required.

PHYSICAL PLANT - Physical Plant Building

A.F. Zabor, Director
Bob LePak, Assistant to the Director
Gordon Kensgaard, Administrative Assistant
George Martinovich, Chief Engineer

The Physical Plant is responsible for the operation and maintenance of all campus buildings and grounds. The responsibilities include housekeeping, boiler plants, energy conservation, groundskeeping, motor pool and maintenance. The work operation includes painting, plumbing, electrical, carpentry and engineering aspects. The housekeeping operations involve custodians.

POST OFFICE - Commons, Lower Level

All incoming and outgoing mail and packages are processed through this department. The mailroom is a United Parcel Service depository, however, no wrapping services are available; packages should be ready to go when taken to the mailroom.

PRESIDENT - North Hall 211

Eugene Hotchkiss III, President

The President's Office maintains regular College hours.

An appointment may be necessary in order to see the President. In the President's absence, his Secretary will refer inquiries promptly to the appropriate person.

PUBLIC AFFAIRS - North Hall 3rd Floor

Gene Brandt, Vice President for Development

The Office of Development is located on the third floor of North Hall. It includes the Development Office, the Alumni Office, and the Office of Public Relations. The Development Office does the fund-raising for the College, and the Alumni Office organizes activities to maintain relations with former students of the College. Public Relations is responsible for the publication of Spectrum and Newsbeat and provides news, feature, and sports information to the media, including hometown stories on student activities and achievements.

PURCHASING AND ACCOUNTS PAYABLE - North Hall

Mary Glenz

Accounts Payable processes all requisitions, purchase orders, and invoices for payment. They also handle reimbursements for College expenses to faculty, staff, and students.

REGISTRAR - North Hall 209

Ruthane Bopp, Registrar

This office handles course registration, course information, and transcripts.

SECURITY - Commons, Second Floor

Don Craft, Director

The Security Department is dedicated to the safety and protection of the College and the community. The success of the Security Department in the performance of its duties is largely measured by the degree of support and cooperation it receives from the people it serves. All members of the College community are expected to comply with the directions of Security Officers, and students and their guests are required to present their I.D. cards when requested.

WRITING CENTER - Donnelley 48 (lower level; enter through the Library)

Gertrude Grisham, Director

The Writing Center offers free tutorial assistance, information, and resources to all students who want to become better writers or cope with unfamiliar writing tasks of every type: short papers, lab reports, business letters, research papers, senior theses or letters of application. The Center Director and a staff of highly qualified student tutors provide a free support service at all levels of writing competency - help with grammar, punctuation and manuscript preparation as well as style; guidance for organization, outlining and proofreading. Handouts on various aspects of writing are available free of charge, and a well-stocked library of writing handbooks, style manuals and dictionaries may be consulted in the Center's tutoring offices. These materials cover the needs of all disciplines taught at the College, just as the tutoriall staff represents a wide spectrum of disciplines and writing experience. Please note: The Writing Center is not a proofreading service, but a place to learn writing by doing it.

The Writing Center, located at the foot of the stairs on the lower level of Donnelley Library, is open to all members of the campus community at regular hours five days a week, Wednesday evening, and Sunday afternoon. For an appointment, call extension 438 or stop by. Drop-in visitors are welcomed on a first-come, first-served basis.

ATHLETIC COMPLEX HOURS
STUDENTS, FACULTY, STAFF

	Gymnasium	Swimming	Handball & Squash	Weight Room	Sauna	Ice Rink
Monday	7:00 am—10:00 pm	11:00 am—1:00 pm 8:00 pm—10:00 pm	1:00 pm—10:00 pm	12 noon—10:00 pm	7:00 am—10:00 pm	10:30 am —Free Skate 12:30 pm 12:30 pm —Free Play Hockey 1:45 pm

There will be exceptions to these hours relating to varsity practices, intramurals, special events, and physical education classes.

Any court times not reserved by PRIME TIME or NORTH SHORE LEAGUE by 11:00 am Monday - Friday or 8:00 am Saturday and Sunday are available to students, faculty and staff.

SECTION IV

RESIDENTIAL LIFE

SECTION IV

RESIDENTIAL LIFE

ADMINISTRATIVE AUTHORITY FOR HOUSING

Housing and specific room assignments are privileges which may be cancelled, withdrawn, or changed at any time at the direction of the Dean of Students or other College officials.

Lake Forest College reserves the right to use all residence halls for housing students or for other purposes during recess periods. Usually, however, only one residence hall will be used.

ALCOHOL POLICY

The law of the State of Illinois requires that persons be 21 years of age or older to purchase, possess or consume alcoholic beverages, including beer and wine. In addition to purchase and possession or consumption of alcoholic beverages by persons under 21 years of age, violations of the law include misrepresentation of age and giving or selling alcoholic beverages to underage persons. Maximum penalties for various violations of the state statute range from 30 days in jail and a fine of $500, to 364 days in jail and a fine of $1000.

The responsibility for abiding by the law and the liability for violation of the law in this case, as in the case of all other state and federal laws, rests with the student or students involved. A person injured by an intoxicated individual has the right to sue for damages the supplier of the liquor as well as the intoxicated individual himself or herself.

In recognition of this state law and in order to avoid giving college sanction to situations which might encourage violation of the law, the college establishes the following policy regarding alcohol on campus:

1. Students of legal drinking age may possess and consume alcoholic beverages only in private places on campus (i.e. individual rooms and designated areas within the residence hall). Public includes all other areas on campus such as academic buildings, Commons, athletic events and buildings, campus grounds and lawns (including quadrangles). Violators are subject to the usual disciplinary measures described in the Student Handbook.

2. The sale of alcoholic beverages by students is prohibited.

3. Activity Fee funds may not be used for the purchase of alcoholic beverages.

4. Intoxication, disorderly conduct or bad manners where liquor is present are serious offenses, subjecting the student offender to disciplinary action which may include suspension or

expulsion from the College. Being under the influence of alcohol shall in no way be considered an excuse for disorderly or disruptive conduct which shall be subject to the usual disciplinary sanctions.

ARRIVAL AND DEPARTURE TIMES

Students should check-in and check-out with the Residence Staff of the assigned residence hall. Each student is expected to vacate the campus with 24 hours of her/his last exam. A student dismissed for academic or disciplinary reasons, or who withdraws from the College, is required to depart within 24 hours of notice from a College official, unless immediate departure is specified, or permission for an extension is granted. Late departure will result in a $25.00 per day charge and/or trespass prosecution. Subject to the preceding statements, students may occupy rooms, and must depart, as listed below:

FALL TERM 1983

arrive: new students after 9:00 a.m., August 29
returning students after 9:00 a.m., August 30

depart: all students by Noon, December 18

SPRING TERM 1984

arrive: new students after 9:00 a.m., January 15
returning students after 9:00 a.m., January 16

depart: all students by 5:00 p.m., May 10
(graduating students may stay until 2:00 p.m., May 13)

NOTE: A student who withdraws, or is otherwise separated from the College is required to return keys and ID card before any refunds will be made or transcripts released. The Residence Staff or Dean of Students Office will accept the keys. The Business Office will accept the ID card for removal of any validation stickers. Refunds, when appropriate, are given after all library fines, damage charges, etc. have been assessed. Refund policy guidelines are published in the Lake Forest College Bulletin, p. 151.

BOARD is required of all resident students for the full academic year. Requests for release from the board plan should be forwarded to the Business Office with complete medical or religious documentation which must include a detailed diet signed by a medical doctor or the proper religious leader.

DAMAGE POLICY AND CHARGES

Damage is defined as any change in condition of College owned property occasioned by carelessness, accident or intentional action on the part of students or their guests.

Charges will be determined, whenever applicable, by the price listing below and/or by the actual amount of cost (material, labor and overhead) of replacement or repair of the property damaged. The individual cost factors will be determined by information obtained from regular work orders used in carrying out the repairs. The cost may include material and labor obtained from outside of the College when Physical Plant determines that that particular action is appropriate.

If a student is determined to be responsible for damage incurred, that individual is to be billed the appropriate amount. The billing will be generated by the Physical Plant with copies sent to the student and to the Damage Review Committee. The student's copy will indicate that he or she may appeal the charges to the Damage Review Committee within 10 days of the issue date on the damage charge memo. If there is no appeal, or if the appeal is denied, the Physical Plant will forward the charge to the Business Office at the end of the 10 day period.

Standards of type and quality of repair are to be determined only by the Physical Plant.

General Billing will be made to regular repair accounts when the charge has not been made to a specific person(s).

DETERMINING RESPONSIBILITY

The Residence Staff, Physical Plant, Security, and other authorized personnel will have responsibility for calling in damage reports or submitting work orders. 1) The name(s) of the person(s) responsible for the damage should be submitted with the work order or phone call whenever possible. 2) When damage is accidental the reporting person should write "accident" on the work order. 3) When the damage appears intentional but no responsible party is known, the reporting person should write "party unknown" on the work order. 4) When a damage incident is under investigation, the reporting person should write "under investigation by _____" on any work orders and indicate who is conducting the investigation. 5) While the College only seeks to charge those responsible for damage, persons who tolerate abuse of the residence halls are also responsible for the cost. If the individual responsible is identified, only that individual will pay. When the responsible individual cannot be identified those persons living or present in the area may be charged.

Resultant charges should be processed by the Physical Plant through its regular procedures. The billings will be generated by the Physical Plant with instructions that he/she may appeal to the Damage Review Committee if desired. Appeals must be submitted to the Damage Review Committee within 10 days of the date on the damage charge memo.

Once a month a Damage Review Committee comprised of a representative from the Dean of Students Office, Physical Plant, Security, and a student appointed by the Executive Committee of Student Government, will examine the monthly damage reports and hear any student appeals. The committee shall have the authority to cancel specific charges, or levy charges where investigation by the Committee yields identification of the responsible

parties. Final authority and responsibility for all matters pertaining to damage on campus rests with the Dean of Students.

Furnishings and replacement costs are as follows:

Bed Frame ($75)
Carpeting ($120), bolster frames ($50), and bolster drawers ($10) are provided in some residence halls.
Chair ($60)
Desk ($175)
Desk Drawer ($35)
Door ($90)
Drapes ($100 to $175) are provided in Deerpath, Gregory, Lois, McClure, Nollen and Roberts.
Dresser ($175)
Dresser Drawer ($50)
Lamp ($30)
Lamp Shape ($10)
NOTE: LAMPS AND LAMP SHADES WILL NOT BE PROVIDED AFTER THE 1982-83 ACADEMIC YEAR.
Locks ($75)
Mattress ($75)
Mattress Cover ($10)
Mattress Pad ($10)
Mirror ($25)
Screen ($25) NOTE: If the occupants of a room remove the window screen, no screen will be put in place until after the students leave.
Waste Basket ($5)
Window (actual cost)
Window Shade ($8)

Occupants will be charged for missing or damaged items and a $25.00 charge will be assessed for a messy room.

FIRE SAFETY

Fire safety is an issue of paramount importance to all individuals at Lake Forest College, especially residents. In order to adequately safeguard lives and property please do the following whenever the fire alarm sounds:

1. Close windows
2. Open drapes and/or shades
3. Turn on lights
4. Lock doors and take keys; if fire or smoke is in the immediate vicinity, close but do not lock doors
5. Exit quietly and move away from the building

It is also suggested that you take the following articles:

1. Coat (particularly in inclement weather)
2. Shoes (appropriate for fire escapes and the elements)
3. WET towel (to be used over head and face in the event of smoke or flames)

DO NOT RETURN to the building until the all clear alarm is sounded. Students who fail to vacate the building during a fire alarm will be issued an Administrative Warning.

After careful review of existing fire code regulations in 1982 the Lake Forest College Fire Safety Task Force found the College in compliance with all local and state ordinances. However, no amount of planning nor an elaborate detection system can stop sheer carelessness on just one individual's part. With this in mind, all residents should follow the following procedures:

1. Room decorations - tapestries should be set against the wall and well away from all outlets. Room furnishings must not impede quick access to corridors from the sleeping areas, especially in the quads. Fire retardant sprays are suggested for all wall coverings.

2. Appliance use - appliances in student rooms should be regulated by common sense. DO NOT OVERLOAD ONE OUTLET WITH A MYRIAD OF EXTENSION CORDS AND OCTOPUS PLUGS - an overload could cause an electrical fire.

3. Smoke detectors - smoke detectors as well as approved extension cords are available at local hardware stores. In addition, Physical Plant will provide information on the proper size and weight for all extension cords.

4. Trash cans - keep trash cans away from bed coverings and furnishings. Do not store cans in closet. Do not throw cigarettes into trash cans!

PROHIBITED:

1. Storage of flammable materials
2. Storage of newspapers in residence halls
3. Storage of motor-driven vehicles in residence halls.

False Alarms, or tampering with fire safety equipment violates Illinois law and will be severely dealt with by the Conduct Board and/or civil authorities.

Fire escapes and fire doors are to be used only when the alarm sounds. Use of fire escapes or fire doors is strictly prohibited at all other times.

TO REPORT A FIRE CALL THE LAKE FOREST FIRE DEPARTMENT (234-2121) AND THEN CALL CAMPUS SECURITY (234-3100, ext. 555).

HOUSING CHOICES, CHARGES, AND CHANGES

A. Regular Rooms: single, double, triple, quad, and Deerpath Hall suite accommodations are available for $1075 per person per academic year ($537.50 per billing period).

B. Differential Rooms: single and triple differential accommodations,

when available, are only in Deerpath, Gregory, McClure, Nollen and Roberts Halls. The single differential charge (for one person occupying space for two) is an additional $340 per person per academic year ($170 per billing period). The triple differential charge (for three persons occupying space for four) is an additional $170 per person per academic year ($85 per billing period). Differentials may be withdrawn at any time at the convenience of the College.

C. Room Changes: Following the second full week of classes and prior to the last four weeks of classes in any term, requests for room changes will be processed by the Dean of Students staff. Consultation with roommates and Residence Staff is expected prior to presentation of room change requests. A list of vacancies is posted in the Dean of Students Office, and a Room Change Request Form must be filed in order to be considered. Change requests are processed weekly, and are approved on the basis of seniority. Approved room changes must be made within 72 hours. The Arrival and Departure Procedures published in this Section should be followed, and failure to move may result in doubled room rent charges.

D. Room Selection (Room Draw): Students who have established a $100 credit with the Business Office by March 30, 1984 are eligible to select rooms for the 1984-85 academic year in order of their position on the randomized computer draw list. Spring Term class standing, as determined by the Registrar, determines which of the following Room Draw dates apply:

April 10 - Seniors and Juniors
April 11 - Sophomores
April 12 - Freshmen

Housing floor plans are posted one week prior to room draw. For information on the $100 credit requirement see Student Handbook Section I, "Pre-Registration and Room Draw Credit Requirements".

Persons who want housing at any other time should complete a Housing Preference Form at the Dean of Students Office. Anyone who does not participate in Room Draw will be assigned housing at the end of the Summer. During the academic year, assignments will be made as soon as possible.

Members of approved Purpose Units and individuals who have filed an OFF-CAMPUS application may not participate in Room Draw.

E. Summer Housing is available only for the following:

1. students attending summer school at LFC.
2. Students employed full-time on campus.

Applications are available at the Dean of Students Office and are due by April 23, 1984. Late applications will be accepted if space is available.

The cost of summer housing is determined in the spring and a deposit must accompany the application. Food service is available (cash basis) when summer school is in session.

Summer residents must vacate the campus within 48 hours of termination of College employment or classes.

F. Winter Recess Housing is available in Bradley Lodge for the following.

1. students employed full-time on campus during recess.

Applications are available at the Dean of Students Office and are due by November 27, 1983. Late applications will be accepted if space is available.

There is no charge for Winter Recess housing, and no food service is available on-campus.

G. Off-Campus approval will be given to all sophomores, juniors, seniors, and married students who submit an application to the Dean of Students Office.

Freshmen students may obtain an off-campus release if (a) pursuing an educational project (e.g., tutoring in return for room and/or board), or (b) eligible for a work/live-in arrangement with a local family during the release period. The applicant must submit a written statement which describes the terms and conditions of (a) or (b) with the application. The terms and conditions statement must include the signature and address of the person(s) to whom the student is responsible.

Off-campus applicants may not participate in room draw. Students who submit an application but are unable to find accommodations should contact the Dean of Students Office for campus housing.

Students who participate in room draw, but who decide to procure off-campus housing after selecting a room may complete an off-campus housing application upon payment of a $100 penalty fee. (Selecting space in room draw limits the choice of other students and causes the College to rely on the occupancy commitment). The penalty fee will also be required of students who wish to submit an off-campus application during the academic year. If an application is approved, any room and board refund will be determined by College Policy as stated in the Lake Forest College Bulletin.

Off-campus students are expected to keep the Dean of Students Office advised of their addresses and telephone numbers at all times. They are also expected to abide by all College rules and regulations.

KEYS (KEEP YOUR DOOR LOCKED!) are available from the Residence Staff, and should be returned to the Residence Staff. A $5.00 key deposit is required each year and will be refunded when keys are returned. Refunds are not issued after May 28.

Lost key replacement charges (non-refundable) are $15.00 per room key, $5.00 per hall key. To secure a replacement, pay the Business Office and bring the receipt to the Physical Plant Office.

Extra room keys will only be issued if a receipt from the Business Office indicating a $20.00 deposit (refundable) and a letter of request signed by all room occupants, the Head Resident, and the resident student who will hold the extra key, is presented to the Physical Plant Office. The extra key must be returned to the Physical Plant Office before key refunds will be given to any occupants.

PURPOSE UNITS

Every resident student has a right to draw for space anywhere on the campus. Therefore, purpose units must serve significant purposes to warrant the removal of residence space from the general room draw. Upon application to the Dean of Students, a group of no less than ten, but no more than twenty-eight, may live together in an assigned area of a residence hall.

A. Selection is based on the following:

1. potential contribution to the College community.
2. Rationale for the unit.
3. Benefit to individual members.
4. Benefit to non-member residents.

Purpose Unit approval is granted for one year only, and existing units must reapply each year. Existing units will also be evaluated on past performance. The College Life Advisory Board reviews and recommends Purpose Unit applicants to the Dean of Students.

B. Applications are due on January 31, 1984, and a signed Member Application is required for each member of a potential Purpose Unit. Forms are available at the Dean of Students Office.

An advisor from the faculty or administration is required.

Purpose Unit members are required to establish a $100 credit with the Business Office by March 30, 1984. Space will be withdrawn from the unit for any persons who fail to meet credit requirements (see Student Handbook Section I, "Pre-Registration and Room Draw Credit Requirements"). An approved Purpose Unit whose membership drops below ten members will be cancelled.

Individuals who complete a Member Application may not participate in Room Draw.

Purpose Units are accountable to the Dean of Students staff for the actions of unit members and involvement in the residence halls. Units are expected to adhere to all College policies, though supervision of more stringent guidelines will be the responsibility of unit members. Each unit must have an elected (chosen) leader or leaders, and units will be reviewed during the year by the Dean of Students Office.

RESIDENTIAL REGULATIONS AND SERVICES

Appliances in student rooms should be regulated by common sense. Those with self-contained thermostatically controlled heating elements may be used. Other appliances may only be used in residence hall kitchenettes. Circuit capacities may require additional limitations which must be followed for the safety of everyone. When in doubt, ask!

Balconies are inappropriate for barbecues, parties, or amplification equipment.

Barbecues may only be used outdoors, away from buildings, and in an appropriate container. Barbecues are prohibited on balconies, and briquets or fluid may not be stored in student rooms.

Bicycles may be parked in assigned areas inside and outside the residence halls. Bicycles must be registered with the City of Lake Forest. This can be done at the Campus Security Office.

Candles may be used during religious holidays and at other times if enclosed in a glass chimney and used with extreme care. Strobe candles are prohibited, and no candle should be kept burning when occupants are asleep or out of the room.

Guests may share occupant facilities for periods up to 72 hours provided the Head Resident is notified. All guests must have a guest I.D. card (available from the Head Resident) and a designated resident student host. Lack of notice and/or extended occupancy will result in a $10.00 per day charge to the resident and trespass prosecution of the non-resident.

Hall Councils are encouraged in each residence hall to assist the residence staff in developing a positive environment. Head Residents are responsible for establishing and advising hall councils.

Housekeeping and Maintenance services are the responsibility of the Residence and Physical Plant staffs. Problems should be reported to the Residence Staff who will contact the Physical Plant. The Physical Plant office will only accept Work/Repair Requests from the Residence Staff. Housekeeping services are provided in bathrooms (except Head Resident apartments), hallways, and other public areas.

Kitchenettes are available in all residence halls and the cleanliness of these areas is the responsibility of the user. Where abuse is evident, kitchenettes will be closed.

Laundry facilities are provided in all residence halls. Problems should be reported to the Head Resident, and refunds are possible by reporting the machine location and number to the Dean of Students Office.

Lounges and Furniture are located in all residence halls and the cleanliness of these areas is the responsibility of all students. Removal of furniture is prohibited, and replacement or moving charges will be assessed against anyone who removes lounge furnishings.

Painting and Room Decoration should be guided by common sense. Painting is permitted only after a Residence Hall Room Painting Contract is completed with the Business Office and appropriate steps followed.

Room Painting Contracts are available at the Cashier's window in North Hall. A $40.00 refundable deposit is required to paint a room. No other room painting process is permitted. Other decorations are all right as long as they do not constitute any kind of hazard and are removed upon departure with no marks or other damage remaining. Occupants are fully accountable for the condition of their rooms and charges for tape marks, nail holes, etc., will be made at the end of the year.

Penalties for violation of any residential conditions or College regulations will include administrative warnings, judicial board action, civil, or criminal action depending on the act. College policies and regulations as published in the Lake Forest College Bulletin, Student Handbook, "Campus Capsule", and Stentor are binding on all Lake Forest College students.

Pets are strictly prohibited in residence halls or other public areas. Small animals in cages or bowls (e.g. fish, but not snakes) are permitted if registered with the Head Resident. The occupant is responsible for any eventualities resulting from the presence of a pet. Failure to remove any animal when requested may result in eviction of the resident. When in doubt, ask!

Quiet Hours begin at 11:00 p.m., Sunday through Thursday, and 1:00 a.m., Friday and Saturday. During Quiet Hours a resident should be able to sleep or study without disturbance within, or outside his/her room. At all other times, noise levels should conform to reasonable standards allowing the pursuit of academic objectives on the campus. At no time should amplification equipment or noise be directed outside the individual room. Courtesy and cooperation in response to a request for quiet is expected, and failure to comply warrants the issuance of an Administrative Warning.

Refrigerators are prohibited if output is greater than 4 amps. Refrigerators must be registered with the Head Resident.

Residence Staff

Each residence hall has at least one Head Resident or Resident Assistant who is a member of the Dean of Students staff. These persons are responsible for the operation and management of the residence hall, development of Hall Councils and in-residence programs, communications between residents and the faculty/staff concerning academic, social, or personal matters, and the general conduct of individual residents.

Shipping to the College should be in care of the Physical Plant where shipped items are also to be claimed. Shipping to and from the College is entirely at the owner's risk. Shipping firms are invited to the campus during the final days of the Spring term, but matters pertaining to cost, insurance, delivery times, etc. are between the student and the shipper.

Storage on campus is at the owner's risk. The College cannot be responsible for damage to or theft of articles left on campus.

Each residence hall has designated storage space. During the academic year and over the summer, students may store up to three trunks, boxes, or the like. Bricks or bookcases are acceptable provided they are neatly piled in a corner or stacked against a wall.

For your protection, all items should be boxed, dated, and labeled. Unidentified materials will be disposed of in order to maintain maximum usable space.

In the Spring, items for the following year should be stored in the residence hall to be occupied in the Fall.

Vending Machines are placed in residence halls at the initiative of a College-contracted vendor or the Head Resident. If money is lost in a residence hall machine, contact the Dean of Students Office. If money is lost in a College-contracted machine elsewhere on campus, contact the Commons central desk.

Water Beds are only permitted in Deerpath, Gregory, McClure, Nollen, Roberts, and the annexes of Blackstone and Harlan. Engineering limitations prohibit water beds anywhere else on campus.

A Water Bed Agreement must be filed with the Head Resident, and anyone with a water bed is responsible for any resultant damages including personal liability in case of electrical shock.

Parents of dependent students are to be made aware of the Water Bed agreement by the student with the water bed.

Students with water beds should bring their own hoses for filling and emptying the beds.

RIGHTS OF RESIDENTS are as follows:

Residents have the primary right to study and to sleep in the residence halls. While program interests and social activities are part of the residential experience, the primary function of Lake Forest College is intellectual and personal development and a suitable atmosphere is necessary to achieve this end. Courtesy and cooperation in response to requests for quiet are expected at all times. As further support for a resident's primary right, College-wide quiet hours begin at 11:00 p.m., Sunday through Thursday, and at 1:00 a.m., Friday and Saturday.

Residents are guaranteed privacy within the confines of their rooms on campus. Representatives of the College should not enter a student's room except under the following conditions:

1. For the purpose of inspecting rooms for general physical conditions and/or damage when written notification has been posted in the residence hall 48 hours in advance of any such action.
2. When the student has specifically requested a repair.
3. For the purpose of inspecting rooms for fire safety. Disciplinary action against a student on the basis of such entry is limited to violations of fire/safety rules or stolen property.
4. During vacation periods if the room is vacant. (If the room is occupied during the vacation period, the usual 48 hour notification applies). Inspections at this time are limited to room condition and fire safety. A minimum number of fire inspections per year are required by law, and the Physical Plant is better able to perform these routine inspections during the vacation periods.
5. In emergency circumstances where imminent danger to life, health, safety, or property is reasonably feared.
6. When there is excessive noise or disturbances which is affecting others.
7. When, under the authority of the Dean of Students Office there is evidence that College regulations have been violated. Such evidence is to be based upon direct observation of the violation or upon report from an identifiable source.

The right to enter is not synonymous with the right to search. When fire and safety checks are involved, any search shall only be authorized to establish that no violation of fire and safety standards exist.

College owned premises occupied by students and the personal possessions of students shall not be searched except under court authority or by permission of the Dean of Students Office. To obtain permission from the Dean of Students Office, application must be made to the Dean of Students specifying the reasons for the search and the objects or information sought. The student occupant should be present, if possible, during the search.

If a student believes that entry into or search of his premises violates the regulations established above, he should bring his accusation both to the President of the Student Government and the Chairman of the College Life Advisory Board. They, in turn, shall refer the accusation to a Review Board consisting of three students appointed by the President of the Student Government and two faculty members designated by the Chairman of the College Life Advisory Board. If the accusation is sustained, the student bringing the accusation shall not be charged with having violated College regulations on the basis of evidence gained by means of the unacceptable entry or search.

SOCIAL FUNCTIONS (Outdoors and Indoors)

All social functions are to be registered by completion and filing of a Social Function Registration Form by noon of the day on which the event is to be held.

1. A residence hall party requires approval of the Head Resident, and notice to the Dean of Students Office and Campus Security.
2. A campus party requires approval of the Director of Campus Activities and notice to the Dean of Students Office and Campus Security.
3. Outdoor functions are prohibited unless approved by the Director of Campus Activities following consultation with the Dean of Students.

Illinois law governs the use of alcohol on campus and the sale of alcohol at a party is prohibited.

Social functions should comply with Quiet Hours provisions, and campus or residence hall parties during the week are discouraged.

POLICIES AND PROCEDURES

SECTION V

POLICIES AND PROCEDURES

SECTION V

POLICIES AND PROCEDURES

ACADEMIC HONESTY RULES AND PROCEDURES

Section I - Examinations: No student shall give or receive any unauthorized aid concerning examinations.

(A) An examination will ordinarily be held at an appointed time and in a stipulated location(s). The instructor may decide whether or not to remain in the examination room, but in any case the instructor will be readily available for consultation throughout the examination.

(B) Individual instructors may upon occasion elect to depart from the procedure stated in (A) by giving "take home" examinations but in such cases they should clearly spell out to the class the conditions under which the examination is to be taken, e.g., time allotted, freedom for or restrictions on consulting written materials of specified types or conferring with other students or instructors.

Section II - Written Work: A student's name on any written work is assumed to be a guarantee that the work is the student's own, except where otherwise defined by the student through the use of footnotes, quotation marks, bibliography, and other forms of acknowledgement. The term "written work" includes all papers, essays, personal journals, examinations, and laboratory reports, and, by extension, all oral presentations and works in studio art.

(A) Professors may:
1) Prescribe any limitations on sources or assistance in any form.
2) Waive any requirements concerning the accrediting of sources.

(B) Students are not permitted to submit the same paper for credit in more than one course, except where there is strong academic justification and the consent of all the instructors involved is obtained in writing well in advance of the papers' due dates. This regulation applies also in the case of a paper submitted in a previous term, written permission being required from both instructors, even if this has to be obtained by mail.

(C) Permission must be obtained for two or more students to work together on an assignment. All students involved in such a group effort will be held responsible for an intellectual dishonesty in any part of the work produced.

Section III - Plagiarism: No student shall engage in plagiarism as defined and discussed below:

Plagiarism is the representing of someone else's work, either wholly or in part, as one's own. It is copying, closely paraphrasing, or only slightly altering, someone else's work without explicit acknowledgement. Direct quotation of another, including phrases and clauses, must always be indicated by quotation marks and a footnote identifying the source. When summarizing or referring in one's own words to what someone else has written, either to content or the organization of the ideas, the footnote is required, though quotation marks are omitted. All sources consulted in the preparation of a paper must be listed in the bibliography, giving author, title, place, date of publication, and publisher, even if only part of the work has been used.

Section IV - Determination of Violations:

(A) At the beginning of a course each instructor should clearly describe in writing any interpretations of the above guidelines which are specific to the course.

(B) An instructor suspecting violations of any item relating to Sections I, II, and III will meet with the student concerned to discuss the situation. It is hoped that this conference will provide an opportunity for the student to clear himself or herself to the satisfaction of the instructor, thereby terminating the proceeding. In any event it is the responsibility of the instructor at the outset of this conference to inform the student of the faculty policy on academic honesty, possible penalties and appeal procedures. It is important that there be no discussion of a specific penalty at this time. If the student admits to the violation as alleged, a brief description of the violation, signed by the student and the instructor, should be forwarded to the Dean of Faculty by the instructor. Otherwise, if the student does not admit to a violation and if the instructor believes the matter should be pursued, the instructor should send the description of the violation to the Chairperson and the Student Academic Advisory Committee of the Instructor's department, with a copy to the student involved.

(C) If the student believes the allegation of academic dishonesty to be false or inaccurate, the student has one week to submit (anonymously if desired) a written appeal to the instructor's departmental Student Academic Advisory Committee and the Chairperson (or other designated faculty member if the instructor involved is the Chairperson). This group, convened by the Chairperson or substitute, will meet with the instructor, the students (if willing), and others whom the committee may find appropriate in order to determine whether and to what degree a violation has occurred. A student appearing before this group has the right to be assisted by any one member of the college community. Three affirmative votes are necessary for a ruling. If a ruling of violation is not obtained, the matter will be dropped and no record of the proceedings sent to the Dean of the

Faculty. Otherwise a brief description of the violation, including the names of the student and instructor involved, will be sent to the Dean of the Faculty.

Section V - Penalties:

(A) The faculty has recommended the following penalties for violations of the rules and procedures governing academic honesty:

1) First Violation - (At the discretion of the instructor) - failure (F grade or zero) in the course or project.
2) Second Violation - (At the discretion of the President) - suspension from the College for one year.
3) Third Violation - (At the discretion of the President) - expulsion.

(B) Once it has been determined that a violation has occurred through IV-B or IV-C, the instructor must contact the Dean of Faculty as soon as possible to ascertain whether the violation is the student's first at the College. If it is the first, the instructor will then assess an appropriate penalty (V-A-1).

(C) In the case of a second or third violation, the Dean of Faculty will, in consultation with the instructor (and, if available, instructors concerned with the student's earlier violations), recommend to the President a penalty in accord with V-A.

(D) The affected student may appeal the penalty assessed under B or C above with a petition to the Academic Appeals Board, augmented for this purpose by three voting student members selected by the Student Government on an annual basis. A student has the right to appear before the AAB to present his/her appeal, and to be assisted by any one member of the college community. In a case appealed in this way, at least four Board members must approve the previously assessed penalty or an alternative one. Failing such a vote, the determination of involvement remains on the student's record but no penalty is imposed.

(E) The Dean of Faculty shall keep a record of all violations committed by each student while at Lake Forest College.

ACTIVITY FEE - Funding Guidelines

Discussions within the College Council in the Spring of 1973 and among students have led to the establishment of new priorities for determining the expenditures of the Activity Fee, and of new procedural guidelines to control these expenditures.

The Activity Fee is determined in amount by the Administration of the College and is collected by the Administration as a part of the general fee structure of the College; failure to pay the fee results in suspension of a student's registration at the College.

The College will allocate the Fee to Student Government twice each year in September and in February. The responsibility for the disbursement of these funds lies directly with Student Government and its officers, the President and the Treasurer.

The Administration reserves the right to withhold funds already collected if the Student Government should cease to exist or if procedures are not adequately enforced, and to revise the fee or to cancel it entirely for a given year if it is determined that the established priorities are not being met and/or procedures are being violated, or for the best interests of the College.

A review may be held at any time at the request of either Student Government or the Administration, and will be held each year no later than February (prior to the determination of the College's budget); such reviews are to be accomplished by the College Life Committee, which shall report its findings to the Office of the Dean of Students.

Priorities

The Activity Fee shall be distributed in recognition of the following priorities:

a) The maintenance of a representative Student Government;
b) The encouragement of responsible Student Government, through procedures which recognize and reflect individual expressions of funding priorities;
c) The maintenance of an effective, community-wide communication system on campus (e.g., The Stentor, WMXM);
d) The support of a comprehensive program of community-wide cultural activities;
e) The encouragement and support of a residence hall program which includes housing units;
f) The encouragement and support of sub-groups within the total community, which contribute to the strength of the entire community.

Procedures

a) The Budget of Student Government shall be set annually by the Government in the Spring of each year.
b) All accounts of Student Government will be maintained within the College's accounting system and will be subject to semi-annual review by the College's Business Officer.
c) All programs, events, publications, etc., supported by the Activity Fee shall be open equally to all members of the College Community.
d) All expenditures, whether by Student Government or by those organizations granted "economic autonomy" must be in conformance with civil law and College rules.
e) Neither Student Government nor organizations granted "economic autonomy" may participate in deficit spending.

ATHLETIC ADVISORY COMMITTEE

1. Duties:
   The Advisory Committee may be consulted in any manner affecting the operations of the department, and will be consulted in the evaluation of staff and (when calendar permits) in the appointment of new staff. A meeting of the Department with its Advisory Committee shall take place at least twice a year.
2. Composition:
   a. Four varsity sports representatives (two men and two women) to be selected each fall by varsity team captains from within their own group.
   b. Two intramural representatives to be selected each fall by the fall intramural captains.
   c. One club sport representative to be selected annually by the Club Sport Committee.
   d. It should be noted that any student may place him/herself on the ballots by presenting a petition signed by at least fifty members of the College community, provided that he or she meet the appropriate requirements for that position.

BULLETIN BOARDS

Bulletin Boards in Commons list daily campus events, job opportunities, events in Chicago and other important notices.

All notices should be approved and stamped in the Office of the Director of Campus Activities before they are posted.

COLLEGE COMMONS

The Commons area serves as the hub of the campus community. Suggestions for developing and promoting recreational, cultural, and social programs in the Commons should be made to the Office of the Director of Campus Activities. Please note the following Commons' regulations:

1) Animals are not permitted in the building
2) Furniture may not be moved from one room to another except when approved by staff personnel
3) No one is permitted to remain in the building after closing hours
4) Bulletin board notices must be approved and stamped by the Office of the Director of Campus Activities before they are posted
5) Solicitations are prohibited except under solicitation guidelines in this section.

Cooperation by all members of the College community will be appreciated and will aid in the efficient operation and maintenance of the Commons building.

DRIVING ON THE GRASS

A $25.00 fine will be imposed for driving or parking on the grass and/or sidewalks.

DRUG REGULATIONS

In formulating the Drug Regulations to be recommended to the administration, the College Life Committee (predecessor of the College Life Advisory Board), meeting during the Fall of 1971, expressed two primary concerns, one for the health and safety of the student; the other for the maintenance of an atmosphere appropriate to an academic institution.

The regulations affecting the private use of drugs place primary responsibility on the student for the conduct of his/her own affairs. The College will seek to arrange confidential, professional counseling for students with drug abuse problems; the primary interest in such cases will be therapeutic, not punitive.

The Committee expressed particular concern with the threat to student health which is presented by drugs with a high potential for abuse and with trafficking in those drugs. Such drugs are dangerous to the individual and also invite danger to the College community from a wide variety of off-campus sources: addicts, drug dealers, and civil authorities. Students can and should police themselves in such a way as to make College action in this area unnecessary. Particularly, it was expected that students would see that the dealer in hard drugs was a serious threat to themselves and to others, and would act accordingly to stop the actions of such persons on campus.

The College does not, and shall not, make use of persons whether students, or not, specifically assigned to the task of discovering violations of these regulations in a covert role. Only if there is clear evidence of student trafficking in hard drugs, and the students and the College have been unable to solve the problem, will alteration of the ban on "informers" be considered. Any change in this policy shall be publicly announced; the authority to change the policy rests with the President, who will consult with the College Life Committee prior to his public decision.

The College reminds each student of Federal and State laws concerning possession, use, sale, or distribution of illegal drugs. (Check the Revised Illinois State Statues in Donnelley Library).

A. Alcohol - The law of the State of Illinois requires that persons be 21 years of age or older to purchase, possess or consume alcoholic beverages, including beer and wine. In addition to purchase and possession or consumption of alcoholic beverages by persons under 21 years of age, violations of the law include misrepresentation of age and giving or selling alcoholic beverages to underage persons. Maximum penalties for various violations of the state statute range from 30 days in jail and a fine of $500, to 364 days in jail and a fine of $1000.

The responsibility for abiding by the law and the liability for violation of the law in this case, as in the case of all other state and federal laws, rests with the student or students involved. A person injured by an intoxicated individual has the right to sue for damages the supplier of the liquor as well as the intoxicated individual himself or herself.

In recognition of state law and in order to avoid giving college sanction to situations which might encourage violation of the law, the College established the following policy regarding alcohol on campus:

1. Students of legal drinking age may possess and consume alcoholic beverages only in private places on campus (i.e. individual rooms and designated areas within the residence hall). Public includes all academic buildings, Commons, athletic events and buildings, campus grounds and lawns (including quadrangles). Violators are subject to the usual disciplinary measures described in the Student Handbook.

2. The sale of alcoholic beverages by students is prohibited.

3. Activity Fee funds may not be used for the purchase of alcoholic beverages.

4. Intoxication, disorderly conduct or bad manners where liquor is present are serious offenses, subjecting the student offender to disciplinary action which may include suspension or expulsion from the College. Being under the influence of alcohol shall in no way be considered an excuse for disorderly or disruptive conduct which shall be subject to the usual disciplinary sanctions.

B. Other Drugs -

1. The public use of any illegal drugs will subject the user to established College disciplinary procedures, with the possible penalty ranging up to and including dismissal from College.

2. Sale or distribution of illegal drugs, or the possession of illegal drugs in quantities such as to suggest trafficking, will subject students to established College disciplinary procedures. The prescribed penalties for sale or distribution shall be as follows:

   a. The sale or distribution of so-called "hard" and/or addictive drugs, including but not limited to heroin, other opiates, cocaine, and methedrine crystal, shall be grounds for immediate explusion from College. (Hallucinogens of high-abuse potential, including LSD, shall be considered under this category as well.)
   b. The sale or trafficking in any illegal drugs shall be cause for action up to and including dismissal from College.

3. In recognition of the College's special responsibility to the wider community, the sale or distribution of any illegal drug to anyone outside the college community shall result in immediate explusion from College.

4. A student whose drug use threatens severe personal, psychologic or physical harm, substantially impairs his or her ability to

perform in the academic program, or is substantially deleterious to the general life of the College, and who is unwilling to accept counseling, may be requested to withdraw from the College; in such instances, the students may exercise the right of appeal through established college procedures.

5. Being under the influence of drugs shall in no way be considered an excuse for disorderly or disruptive conduct which shall be subject to the usual disciplinary sanctions.

FEDERAL REGULATIONS AND GRIEVANCE PROCEDURES

In accordance with federal legislation grievance procedures related to Public Law 92-318 (Title IX) and the Rehabilitation Act of 1973 Section 504, have been developed. Any grievance brought under the umbrella of these procedures must, by law, be specifically limited to the issue covered by these laws.

I. Sex Discrimination:
No student shall, on the basis of sex, be excluded from participation in, be denied benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance. Title IX, which prohibits sex discrimination in education, requires the adoption of a grievance procedure to handle allegations of sex discrimination against students.

A. Scope of Review:
The inquiry must be limited to a consideration of whether the action or decision was tainted by the irrelevant consideration of sex. The Grievance Committee cannot make a de novo decision or substitute its judgment for that of the decision-making committee or administrative supervisor responsible for the decision.

B. Procedures:
1) Individuals with a grievance should discuss the grievance with the Dean of Students.

2) Failing resolution, the individual may petition the Grievance Committee to hear the complaints. The petition shall set forth in detail the nature of the grievance and shall state against whom the grievance is directed.

The Grievance Committee shall be the Conduct Board.

The Committee, following the limits addressed in Section A "Scope of Review" will attempt to make its report within 10 days. If recommendations are made to the President, the President will inform the Committee of his disposition of the matter.

II. Handicap Discrimination

Lake Forest College does not discriminate on the basis of handicap against any otherwise qualified person by denying him or her participation in, or the benefits, of any College program or activity.

A. Procedures
Section 504 requires the adoption of a grievance procedure to deal with allegations of discrimination on the basis of handicap. If a member of the student body feels there is reason to believe that handicap discrimination has occurred, under Section 504 of the Rehabilitation Act of 1973, grievance should be handled in the following manner:

a) Individuals with a grievance should notify Mr. White of his grievance, in writing, within seven days of the alleged incident.
b) Failing resolution, follow appropriate grievance procedures established for sex discrimination.

FIREARMS/FIREWORKS

The possession, carrying, or use of firearms, including rifles and shotguns, ammunition, explosives, or other dangerous weapons, instruments, or substances in or upon College premises, except by law enforcement officers, is prohibited. This regulation includes pellet guns, BB guns, slingshots, and firecrackers.

GOVERNANCE

The Lake Forest College Governance plan was originally established in 1973 with five objectives:

1. To provide formal ways in which student and faculty voices can be expressed and heard in matters relating to the governance of the College.
2. To make the process of governance visible to all and to establish channels for substantive communication at all levels.
3. To provide a structure to make matters of co-curricular activities a concern of students, faculty, and administration.
4. To develop a form of governance that will not encroach on the primary functions of faculty, students, and administrators.
5. To establish clarity of authority, responsibility, jurisdiction and their accountability.

The following represents the Governance plan as of August, 1981.

ARTICLE I

College Policies and Personnel

A. COLLEGE COUNCIL
1. Duties:
a. Advises the President.
b. Considers problems and concerns brought to the Committee by any member of the faculty, student body, or administration who submits a written request to the office of the President. The Council may place the item on its own agenda if a substantial minority of the Council so decides, or it can refer the matter

to an appropriate organ of College Governance with the request to keep the Council informed of its disposition of the matter. If there are recommendations on matters of academic policy, faculty personnel policies, or student life, these recommendations must be referred to the appropriate committee for further study, reports or recommendations.

c. Advises the President on budget priorities for the College.

d. Supervises and promotes the effective operation of all organs of College Governance and acts as court of appeals in cases in which a substantial number of people maintain that an organ of College Governance (including Student Government) has exceeded, violated, or not fulfilled its constitutional role.

e. Acts on Amendments (Article VII, Part B) and forwards same to the Office of the President.

2. Composition:

a. Four faculty members, three to be nominated by the academic divisions in rotation to serve staggered three-year terms, one to be nominated and elected by the faculty at large to a one-year term.

b. The President of the Student Government.

c. Three students to be elected from the student body at large (see Article VI,A,2 for nomination procedures).

d. The President, who serves as Chairperson, or the President's designee when the President is unavailable.

e. The Dean of Students.

3. Procedures:

The Council will not ordinarily meet in the President's absence, but in case of emergency it can be called into session by the officer designated as Acting President in the President's absence, who will then serve as Acting Chairperson.

B. FACULTY PERSONNEL POLICIES COMMITTEE

1. Duties:

a. Advises the President in establishing policies for appointing, promoting, granting tenure, and formulating policies on fringe benefits, research grants, sabbaticals, and other faculty personnel issues.

b. Through its Promotion and Tenure Sub-Committee advises the President on specific cases of promotion and tenure.

c. Advises the President on faculty appointments.

d. Meets with the three student representatives to the Academic Policies Committee at least twice a year and considers with them the general policy guidelines established for appointments, promotion and tenure.

e. Serves as a committee on committees, advising the President on candidates for faculty committees. The Committee shall, whenever possible, maintain effective continuity in committee appointments.

f. Appoints faculty members to the College Life Advisory Board and the Campus Program Board.

g. Recommends faculty members for election to trustee committees. In making these recommendations the FPPC should choose representatives whose role in College Governance committees

enables them to represent a link between on-campus governance and the appropriate committees of the Board of Trustees.

h. Advises the President on the appointment or re-appointment of department chairpersons. Each such position shall be reviewed by the Committee at least every three years.

i. Advises the President on specific applications for leaves.

2. Composition:

a. The Dean of Faculty who is also a member of the Promotion and Tenure Subcommittee.

b. Six Faculty members to be elected as follows:

(1) Promotion and Tenure Subcommittee: three full professors on tenure (one to be elected each year) nominated and elected by the faculty at large to serve three-year terms. If the three-year term is fulfilled, the member will not be eligible for re-election to the Promotion and Tenure Subcommittee for three years. For service of less than three years, the member will be ineligible for re-election for a period equal to the time served. In no case shall two members of the same department serve on the Promotion and Tenure Subcommittee.

(2) Should it occur that no untenured faculty is serving on the FPPC or elected to it, the member elected in that year (or if two are elected, the one chosen by the smallest number) shall be disqualified and a special election held in which untenured faculty shall nominate and all voting faculty shall vote to elect a non-tenured faculty member to the Committee.

c. All eligible members of the standing Governance Committees shall be eligible for election to serve on the Promotion and Tenure Subcommittee (and thus on the FPPC). If elected, the person must resign from their former committee.

d. Members of the Promotion and Tenure Subcommittee who are department chairpersons may not participate in deliberations concerning promotion or tenure of faculty from their departments. The most recent, available, former Promotion and Tenure Subcommittee member should participate instead.

e. The Committee shall elect its own chairperson.

C. LONG-RANGE PLANNING COMMITTEE FOR ACADEMIC GOALS

1. Duties:

a. Studies and formulates the academic long-range goals of the College and proposes means of achieving them.

b. Monitors the policies of the Admissions Office and the Financial Aid Office.

2. Composition:

a. Dean of Faculty.

b. Three members of the faculty, appointed by the President on the recommendation of the Faculty Personnel Policies Committee, for three-year terms (the entire committee to be appointed and replaced at the same time).

c. Two students to be elected as follows:
The Academic Advisory Committees will gather in divisional meetings. Each division will nominate two candidates. From a slate of six candidates (two per division) the two candidates

with the highest vote total in the general election shall serve on the LRPC regardless of the division they represent.

d. The Faculty Personnel Policies Committee shall recommend to the President which member of the Committee shall serve as its chairperson.

3. Procedures:

a. The Committee shall prepare a five-year master plan, setting forth its views of the College's academic goals and the ways and means of achieving them. This master plan shall be revised by each subsequent Long-Range Planning Committee on the basis of its research and new developments.

b. It is expected that the Committee will bring into its discussions, for a comprehensive examination of various aspects of the College, the appropriate personnel for extended periods of time, i.e. students, alumni, administrative officers and other faculty members.

c. The Committee shall present an annual report to faculty, students, and the Trustee's Committee on Long-Range Planning.

ARTICLE II

Academic Life

A. ACADEMIC ADVISORY COMMITTEE

1. Duties: Advise departments and major committees on:

a. Curriculum.

b. Appointments.

c. Departmental policies, procedures and activities.

d. Academic honesty.

2. Composition:

Three majors, elected at a meeting of all majors who then select their own chairperson. It is the responsibility of the Dean of Faculty to maintain in the Dean's office an accurate list of the members of the committees. In the case of departments or programs not offering a major (e.g., Religion, Education, and the College Scholar Program) three students shall be elected at a meeting of all students taking courses in these departments or participating in these programs.

3. Procedures:

a. Departments and interdisciplinary committees must meet with their Advisory Committee before making any recommendations to the Faculty Personnel Policies Committee regarding appointments and before submitting any plans for change in the curriculum to the Academic Policies Committee.

b. A meeting of the Department or Interdisciplinary Committee with its Advisory Committee shall take place at least twice a year.

c. The student chairperson or department may call a meeting.

B. ACADEMIC POLICIES COMMITTEE

1. Duties:

a. Formulates and discusses academic policies. (Recommendations about the basic structure of the academic calendar are under the jurisdiction of this committee. Minor changes will be determined by the administration, discussed by College Council,

and approved by this committee.) In reviewing or proposing academic policies, the Committee shall consider the feasibility of allowing the Dean of Faculty some discretionary authority in interpreting these rules. The Dean of Faculty is required to inform the Committee regularly of interpretations of academic policy in specific cases.

b. Evaluates curricular recommendations made by departments and interdisciplinary committees.

c. Advises the President on the distribution of faculty within the College.

d. Establishes methods for regular student evaluation of courses.

e. Clarifies the intent of academic policies and rules at the request of the Academic Appeals Board.

2. Composition:

a. Six faculty members (two from each division). Faculty candidates for staggered two-year terms shall be nominated by each division and elected by the entire faculty (ordinarily there will be three vacancies).

b. Three students to be elected as follows:
The Academic Advisory Committee will gather in divisional meetings. Each division will nominate three candidates. These candidates are to be academic advisory committee members nominated by their respective division. From a slate of nine candidates (three from each division), the candidates with the highest vote total in each division in the general election (with each full-time student voting for one candidate in each division) shall serve on the APC.

c. The Dean of Faculty.

d. The Committee shall elect its own chairperson.

3. Procedures:

a. Recommendation for curricular change by departments or interdisciplinary committees must be submitted to the Academic Policies Committee for evaluation. Automatic approval will be granted unless two-thirds of the membership of the Committee determines that the proposed changes have important consequences for the College's academic program. Such a decision places the matter on the agenda of the Academic Policies Committee for discussion and action.

b. The Academic Policies Committee's decisions are recommendations to the faculty, to be considered by the faculty meeting (except for those curricular changes to which the Committee has given automatic approval).

C. ACADEMIC APPEALS BOARD

1. Duties:

a. Rules on cases in which students appeal the Dean of Faculty's interpretation of faculty rules or in cases in which faculty rules are unclear.

b. Considers and acts on cases and appeals of academic suspension and dismissal.

c. In extraordinary cases, the Academic Appeals Board can grant exceptions to faculty rules, but only by unanimous vote of all three members. The board must report a summary of its actions to the faculty once each term. This summary should include the rationale behind the Board's decisions in each specific case.

These decisions may be appealed to the faculty at the initiative of the student.

d. Reports in detail to the Academic Policies Committee at least once per term.

e. Hears appeals from students regarding an instructor's judgement and/or penalty in cases of alleged violation of College policy on academic honesty.

2. Composition:

a. Three faculty members, appointed by the President, on the recommendation of the Faculty Personnel Policies Committee. The Faculty Personnel Policies Committee also recommends which committee member shall serve as chairperson. Members are appointed to one-year terms.

b. The Dean of Faculty and the Registrar as non-voting members. The Registrar serves as secretary of the Committee.

c. The Dean of Students who shall meet with the Board when it hears or judges cases and appeals of academic suspension and dismissal.

d. Three voting student members selected by Student Government to serve on an annual basis only in cases of appeals of alleged violations of College policy on academic honesty.

3. Procedures:

a. Students must present their appeals in writing with supporting evidence to the Secretary of the Board. Students have the right to make a personal appearance before the Board. If they wish to exercise this right, they must state this in their written appeal. The personal appearance is not for the purpose of bringing in new evidence or arguments but can only be used to clarify points made in the written appeal.

b. The Board shall give a written reply to students, informing them of the grounds for its decision.

c. The Secretary of the Board shall receive appeals, distribute copies of the documents to committee members, keep all records, and handle all correspondence for the Board.

d. (1) When a student thinks that an instructor's judgement and/or penalty in a case of an alleged violation of College policy on academic honesty is inappropriate, the student may submit a written appeal to the Academic Appeals Board outlining the reasons for considering the instructor's ruling unjust.

(2) The Academic Appeals Board augmented by three voting members selected by Student Government to serve on an annual basis, will arrange a meeting with the student, instructor, Dean of Students and departmental Academic Advisory Committee. After hearing all available evidence in the case, the augmented Academic Appeals Board will deliberate among themselves as to the validity of the instructor's judgement of guilt and penalty. If it is the opinion of at least four of the members of the board that the instructor's judgement of infraction of the rules was incorrect or the penalty imposed was inappropriate, the penalty will be changed in accordance with the board's instructions.

ARTICLE III

Student Life

A. COLLEGE LIFE ADVISORY BOARD

1. Duties:
Considers and recommends policies and programs on health, food, housing, counseling services, career planning, campus activities, athletic programs, and athletic and recreational facilities.

2. Composition:

a. The Vice President of Student Government.

b. Four students (three elected by the student body at large, one appointed by the Executive Committee).

c. Two faculty members appointed by the Faculty Personnel Policies Committee.

d. The Dean of Students.

e. The Director of Campus Activities.

3. Procedures:

a. The committee shall elect one of its student members as chairperson.

b. Recommendations of the College Life Advisory Board are subject to veto by a two-thirds vote of the General Assembly.

c. All recommendations of the committee are in the form of recommendations to the President.

B. CAMPUS PROGRAM BOARD

1. Duties
Responsible for planning and coordinating campus programs and the campus calendar, appointing the Homecoming and RA chairperson, and cooperating with the organizers of special events.

2. Composition:

a. Campus Entertainment Committee chairperson.

b. Film Group chairperson.

c. Speaker/Lecture/Fine Arts Board chairperson.

d. A member of the Executive Committee, appointed by the Executive Committee.

e. One faculty member appointed by the FPPC.

f. The Director of Campus Activities.

3. Procedures:

a. The committee shall elect one of its members as chairperson.

b. The committee shall report to the Executive Committee of Student Government.

ARTICLE IV

Student Government

A. Student Government will have at least the two following governing bodies: a General Assembly and an Executive Committee. Should a situation arise when the College Council determines that no student government exists, the College Council shall assume responsibility for the duties of student government until a Student Government is formed through elections.

1. GENERAL ASSEMBLY
   a. Duties:
      (1) Meets at least once a month and reviews the decisions of the College Life Advisory Board and the Executive Committee. The Assembly shall have the right to veto such decisions by a majority vote of its total membership.
      (2) The Assembly shall elect three of its members to serve on the Executive Committee.
   b. Composition:
      (1) The Delegates who shall be elected on a representative basis from student constituents.
      (2) The Dean of Students (or a representative from that office) who shall be an observer.
2. EXECUTIVE COMMITTEE
   a. Duties:
      (1) Administers the affairs of Student Government.
      (2) Allocates the student budget.
      (3) Recommends students to the President of the College to serve on the Conduct Board, Committee on Dispositions and trustee committees.
      (4) Makes student appointments.
   b. Composition:
      (1) The President, Vice-President and Treasurer of Student Government.
      (2) Three representatives from the General Assembly.
      (3) One student appointed by the Student Government President.

ARTICLE V

Communication

A. All minutes of standing committees shall be distributed to:
   1. All faculty members.
   2. The President, Dean of Faculty, Deans of Students, Assistant to the President, Associate Dean of Faculty, Director of Admissions.
   3. All Head Residents for posting.
   4. The Library reserve section and the College archives.
   5. The Student Government Officers.
   6. The Campus Activities Office for posting.
   7. All members of the Committee which issues the minutes.
   8. Chairpersons of all Governance Committees.

B. Each Governance Committee chairperson is responsible for:
   1. Designating a secretary, with the exception of the Academic Appeals Board.
   2. Preparing the agenda for meetings.
   3. Insuring the prompt distribution of minutes.
   4. Calling meetings and notifying members.
   5. Insuring that minutes are complete and prepared in the proper format.
   6. Reporting to the faculty and Student Government in the Fall and Spring.

C. Dissemination:
   1. The Librarian shall keep complete files of all committee minutes.
   2. The Director of Campus Activities shall post the minutes and reports of all committees in Commons.

   3. The Office of the President shall maintain an up-to-date "record" copy of the Governance system.
   4. Any communication problem within the Governance system should be brought to the attention of the College Council for resolution.
   5. The student newspaper shall announce, when requested, and, when necessary, at the expense of the College:
      a. Committee and Student Government meetings, agenda, reports, and decisions.
      b. Campus events.
      c. Statements by the President and other administrative officials.

D. Reporting:
   1. All committees and administrative officers (i.e. the President, the Deans, the Director of Admissions, Financial Aid, Development, and the Library) shall report to the Faculty and students on their agenda and progress for the year early in the fall and spring terms.
   2. Student members of Governance committees shall report to the General Assembly of Student Government on their committee work in the fall and spring terms.
   3. Additional reports from committees may be requested for the faculty by the President of the College, or for students by the President of Student Government.

E. Registration:
   1. All student organizations that identify themselves as Lake Forest College groups must register with the Director of Campus Activities.

ARTICLE VI

General Procedures

A. Governance Committee Nomination and Election Details
   1. Number of votes per voter on nomination ballots:
      Voting faculty will be allowed to vote for up to ten percent (rounded up to the nearest integer) of the total number of candidates on the nominating ballot. On nominating ballots of 30 or fewer candidates, voters will be allowed to vote for up to three candidates.
   2. Eligibility for service on governance committee:
      All voting faculty, expected to be on campus in the year following the election, are eligible for nomination and election to governance committees.
   3. Number of candidates to appear on election ballot:
      a. If one position is to be filled, the election ballot will contain the names of the three individuals receiving the highest number of votes from the nominating ballot.
      b. If more than one position is to be filled, the number of candidates to be placed on the election ballot will be equal to twice the number of positions to be filled. Voters will be allowed as many votes as there are positions to be filled.
   4. Elections to fill long and short term positions:
      The individual receiving the highest number of votes will fill the long-term position. The individual receiving the second highest number of votes will fill the short-term (replacement) position.

5. Person(s) elected but unable to serve:
   The runner-up will serve for one year in the event that the individual elected cannot serve. If the runner-up is subsequently elected to another committee, a new election will be held.
6. Election to the College Council, the Faculty Personnel Policies Committee or the Academic Policies Committee shall make a faculty member ineligible for election to another of these committees (except as modified by I, B, 2, C).
7. A faculty member on half-year leave is ineligible for service on a committee for the year of the leave.
8. Voting eligibility: those persons with voting privileges as defined in the Faculty Handbook are eligible to vote in Governance elections and run for Governance positions.

B. Elections:
1. Faculty elections shall take place, in order, as follows:
   a. Promotion and Tenure Subcommittee of the Faculty Personnel Policies Committee:
      No later than the second week of spring term the Dean of Faculty shall circulate to the faculty a list of the faculty members eligible for election to the Promotion and Tenure Subcommittee. Nomination and Election will be held by secret ballot, according to the procedures in VI, A. Each faculty member shall vote on nominating and election ballots.
   b. Academic Policies Committee:
      No later than the fourth week of spring term the Dean of Faculty shall circulate to the faculty, by division, a list of the faculty members, in the same division, eligible for election to the Academic Policies Committee. Nomination and election will be by secret ballot and will follow the procedures in VI, A. Faculty members in each division will nominate representatives for their own division. Each faculty member shall vote for representatives for each division.
   c. The College Council:
      No later than the sixth week of spring term the Dean of Faculty shall circulate to the faculty, in the division in which the three-year term vacancy occurs, a list of the faculty members, in that same division, eligible for election to the College Council. Nominations and elections will be by secret ballot and will follow the procedures in VI, A. Representatives for each division will be nominated and elected by members of that division.
      Following the divisional elections, an at large member shall be nominated and elected, by secret ballot, according to the procedures in VI, A. Each member of the entire faculty shall vote on nominating and election ballots.
   d. The Remaining Members of the Faculty Personnel Policies Committee:
      No later than the eighth week of spring term the Dean of Faculty shall circulate to the eligible faculty (see I,B,2,b,(2)) a list of the faculty members eligible for election to the Faculty Personnel Policies Committee. Nomination and election will be by secret ballot and will follow the procedures in VI, A. Each member of the entire faculty shall vote on nominating and election ballots.

2. Procedures for Student Elections:
   a. No later than the end of the second week of spring term, all nominations by petition for President, Vice President and Treasurer of Student Government must be presented to the Dean of Students, who shall then prepare the ballot. Elections for positions in Student Government must be held no later than the fourth week of the spring term.
   b. No later than the fourth week in the spring term the Dean of Faculty shall arrange meetings of all departments and interdisciplinary majors for the purpose of selecting the Academic Advisory Committees.
   c. No later than the fifth week in the spring term the Dean of Faculty shall arrange a meeting of the Academic Advisory Committees to nominate student candidates to the Academic Policies Committee and the Long Range Planning Committee for Academic Goals.
   d. All nominations by petition for the student vacancies on the College Life Advisory Board and the College Council must be submitted to the Dean of Students no later than the seventh week of the spring term.
   e. No later than the ninth week of the spring term, but no sooner than two weeks after the elections for Student Government, the Dean of Students (with the assistance of Student Government and the Dean of Faculty) shall prepare the ballot and conduct an all student election for the following positions:
      (1) Three students to the College Council.
      (2) Three students to the Academic Policies Committee.
      (3) Three students to the College Life Advisory Board.
      (4) Two students to the Long Range Planning Committee for Academic Goals.
   f. No later than the second week of the fall term the Dean of Students (with the assistance of the Student Government Officers) shall arrange for elections to be held for delegates to the General Assembly of the Student Government.
   g. Nomination or appointment to the College Council, Academic Policies Committee, the College Life Advisory Board, or the Long Range Planning Committee shall make a student ineligible for nomination or appointment to another of these committees.
   h. All nomination petitions for Student Government President, Vice President, Treasurer, College Council, and College Life Advisory board must consist of at least fifty full-time student signatures.
   i. Terms of Office
      (1) The President, Vice President, and Treasurer of Student Government elected no later than the fourth week in the spring term shall take office no later than the sixth week in the spring term.
      (2) The two weeks following the Student Government elections shall serve as a transitional period at the end of which the new Student Government Officers shall assume their duties.
      (3) Delegates to the General Assembly, and members of the College Council, Academic Policies Committee, and College Life Advisory Board shall serve from the start of the

academic year until Commencement. These students are eligible for re-election or re-appointment.

(4) The incumbent Student Government President shall serve the full term on the College Council.

(5) The incumbent Student Government Vice President shall serve the full term on the College Life Advisory Board.

(6) The Academic Advisory Committees shall serve from the time of their election in the spring term until the following year's election.

j. Voting eligibility:

(1) Each full-time student may cast one vote for each position on the ballot.

(2) Only full-time students are eligible to run for governance positions.

(3) Full-time students include last-term seniors taking the minimum courses necessary to fulfill graduation requirements.

3. For the purposes of divisional representation on committees the departments are divided as follows (Academic Advisory Committees for interdisciplinary majors may choose which division they wish to join):

I	II	III
English	Economics	Biology
Fine Arts	Education	Chemistry
Foreign Languages	Politics	Mathematics
Music	History	Physics
Philosophy	Sociology & Anthropology	Psychology
Religion		

C. Vacancies:

1. If the College Council determines that there is a vacancy of an elected position on any committee of College Governance it shall insure that the vacancy is filled (within two weeks time) as follows:

a. All elective faculty vacancies of College Governance Committees during the terms of office will be filled by the procedures in VI, A. (See especially VI, A, 5.)

b. Should a vacancy occur in an elected student position on the College Council, or the College Life Advisory Board, the Student Government Executive Committee shall be responsible for appointing a replacement no later than two weeks after the vacancy occurs.

c. Should a vacancy occur in a student position on the Academic Policies Committee, the Dean of the Faculty will conduct an election among the student members of the Academic Advisory Committees of the division in which the vacancy has occurred to determine the replacement.

d. Should a student vacancy occur on the Long Range Planning Committee for Academic Goals, the Dean of Faculty will conduct an election among the student members of the Advisory Committees of all three divisions to determine a successor.

2. If the College Council determines that there is a vacancy of an appointed position on any committee of College Governance it shall ask the FPPC or the Executive Committee of Student Government to recommend respective faculty or student appointees.

D. If a change in a committee member's status may alter the basis of representation or legitimacy of that member's participation, the College Council shall determine what action, if any, is to be taken.

E. Subcommittees:

1. A committee may appoint a task-oriented subcommittee to study special problems and to bring information and policy options to the appointing committee.

2. A subcommittee (except for the Promotion and Tenure Subcommittee of the Faculty Personnel Policies Committee) shall exist no longer than the time required to accomplish its task.

F. Every faculty and joint faculty-student committee elected or appointed shall serve the entire year.

G. The Dean of Students is responsible for conducting all student elections, except the elections to the Academic Advisory Committees.

H. The Dean of Faculty is responsible for conducting all student elections to the Academic Advisory Committees.

I. The President is ex-officio a member of all committees.

ARTICLE VII

Ratification and Amendment Procedures

A. Ratification:

1. This College Governance plan shall go into effect upon ratification by a two-thirds vote of all faculty members and full-time students participating in separate ratification elections.

2. Students shall vote by secret ballot during a two-day period. Balloting shall be under the supervision of the Dean of Students.

3. The faculty shall vote according to its rules at a faculty meeting held after the close of the polls of the student election.

4. The Dean of Students shall announce the result of the faculty and student vote simultaneously.

B. Amendments:

1. The College Council is empowered to make minor modifications in this College Governance plan to assure the better implementation of the spirit of this document by unanimous vote. In no case shall a change become effective until three weeks after public announcement of the proposed change. If ten per cent of the student body or faculty by petition maintain that the modification is not minor or not in the spirit of the document, such modification cannot go into effect.

2. Amendments can be proposed by the College Council by a vote of no fewer than eight of its members.

3. Amendments can also be proposed by petition signed by one-third of the faculty or student body. Such petitions must be submitted to the College Council, which shall initiate a ratification referendum.

4. Amendments shall be deemed ratified if they receive the vote of two-thirds of the faculty voting on the amendment and two-thirds of the full-time students voting on the amendment.

HAZING

Lake Forest College explicitly and emphatically outlaws hazing. Hazing is defined as any action taken or situation created, whether on or off Purpose Unit premises, intentionally designed to produce mental or physical harm, discomfort, or harassment. Such activities and situations include, but are not limited to paddling in any form, creation of excessive fatigue, physical or psychological shocks, morally degrading and humiliating games and activities, late work sessions which interfere with academic goals, and any other activities which are not consistent with Purpose Unit guidelines and/or the regulations and policies of the College.

Hazing violations will be dealt with under the College's Judicial System. In addition to those sanctions included in the Judicial System the following may be imposed by the Dean of Students:

Warnings: For a minor, non-life threatening violation, as determined by the Dean of Students Office, a written summary of the incident will be sent to the Purpose Unit. This summary will be included in the reapplication process.

Probation: For major violations of the hazing policy (i.e. those which are life threatening and/or humiliating), the purpose unit will be placed on probation for a period of time to be specified by the Dean of Students. Probation may also be imposed when a purpose unit accumulates an untoward number of warnings. Probation may result in loss of contiguous living accomodations for members of the Purpose Unit.

If, while on probation, a Purpose Unit violates the hazing policy, it will be subject to disbandment.

Disbandment: For a major and/or repeated life-threatening and/or humiliating violations of the hazing policy, the purpose unit in question may be disbanded permanently.

JUDICIAL SYSTEM

I. Purpose

The status of Lake Forest College as a residential academic community and the student's position as a citizen of that community make necessary certain regulations designed to protect and promote a learning environment, to maintain order and to control behavior that infringes on the rights and freedoms of others. The primary objective of the College is to provide human and physical resources most conducive to the education of its students. A college education is primarily academic and intellectual in nature, but it also includes the development of attitudes and values which encourage mature, responsible behavior.

The Judicial System is an integral part of the educational process in two ways: it provides those students who administer it a learning opportunity and it requires of all students behavior consonant with decency, recognition of the rights and property of others and obedience to the laws of the land.

II. General Statement

The judicial procedures of Lake Forest College have been established to provide justice in cases of alleged violations of College regulations by students. These procedures invoke the college's disciplinary authority and should be distinguished from public law enforcement, which is the province of local, state, and federal officials. If alleged acts are violations of both public law and the College regulations, this document neither requires nor precludes College jurisdiction.

When a minor violation of College regulations occurs, the student involved shall be issued an administrative warning, subject to validation by the Dean of Students. When a major violation of College regulations occurs, all members of the College are responsible for reporting the facts to a member of the Committee on Dispositions. That committee shall review the facts and take appropriate action; it may advise the plaintiff that no further action is possible; it may advise the plaintiff to seek the assistance of civil authorities; it may record the conduct as a matter of record; or it may continue the investigation. If the case is found to merit a hearing, the Committee on Dispositions shall notify the Conduct Board. The Conduct Board shall hear the Case and may assign authorized sanctions up to and including suspension and expulsion.

Lake Forest College's judicial authority originates in the Board of Trustees and the President of the College. Changes in this document may be recommended by the College Council to the President of the College.

III. Minor violation of the College regulations...including but not limited to excessive noise, the keeping of pets, and the discharge of fire extinguishers...shall be dealt with through the issuance of administrative warnings. A student may be issued an administrative warning by a residence hall staff member, Security Officer, Dean of Students staff member, or authorized Librarian. (A Security Officer will attempt to inform a residence staff member before issuing a warning.) Administrative warnings shall be cumulative over the period of one academic year plus one additional term (at the end of this period all administrative warnings will be removed from the record); three valid warnings may result in further sanctions.

Major violations of College regulations shall be considered by the Committee on Dispositions and the Conduct Board. These regulations include but shall not be limited to:

1. Physical or verbal abuse or intimidation of any person or conduct which threatens the health or safety of any person.
2. Campus disorders...participation in actions which disrupt legitimate activities of the College, as well as behavior which interferes with the free speech or the rights of access to College facilities of any member of the College.
3. Theft of, or intentional damage to, property of the College, or of a member of the College.
4. Unauthorized entry to or use of College facilities.

5. Forgery, alteration, or misuse of College documents, records, or identification.
6. Perjury...the conscious furnishing of false information to College officials, the Committee on Dispositions or the Conduct Board.
7. Violation of public laws or College regulations pertaining to: a) alcohol, narcotics, or illegal drugs, including possession and distribution; b) firearms, incendiaries, explosives, and other dangerous items.
8. Failure to comply with directions of College officials acting appropriately in the performance of their duties, including the refusal to present a College identification card to a College official.

IV. The Committee on Dispositions

a. Composition - The Committee on Dispositions shall be composed of a Dean of Students staff member chosen by the Dean, who shall serve as chairperson; a member of the Faculty, selected by the Faculty Personnel Policies Committee and a student selected by the Executive Committee of the Student Government, both of whom must be approved by the President of the College. The Committee shall be appointed no later than the ninth week of the Spring Term and shall take office at the beginning of the academic year.

b. Process - A member of the College who has a complaint which could lead to a judicial action should bring it immediately to the attention of a member of the Committee on Dispositions. The complaint must be of sufficient specificity to enable the Committee to make an intelligent decision as to the competence of the College to handle the complaint. The person filing the complaint shall be called the plaintiff, and the person cited in the complaint shall be called the respondent.
The Committee shall meet as soon as possible after receiving a complaint, at which time it will decide how the investigation as well as judicial aspects of the case should be handled. The Committee may require any member of the College involved in a violation of College regulations to appear; information given the Committee by such individuals may in turn be requested by the Conduct Board or the President.
The Committee shall advise all parties of their rights and courses of action open to them, including the right to seek assistance from local law enforcement officials. Once the plaintiff reports an alleged offense, he or she shall become a witness to the facts if and when the case is brought to a hearing.

c. Roles - The Committee may act in a mediatory role and, with the plaintiff's consent, may talk separately with the other parties involved, may bring all parties involved together to discuss the matter, or may use any other means of mediation that is appropriate. Some complaints may thus be satisfactorily resolved without subsequent proceedings. If the Committee decides to forward a case to the Conduct Board for a hearing, it shall develop the case so that the Conduct Board can hear and evaluate all relevant testimony. If the Committee decides that there is insufficient evidence to warrant pursuing the case, it shall so inform the plaintiff and the respondent. In such cases the Committee may choose to record in the respondent's file the conduct in question. Such record will be removed upon graduation.

d. Reporting - The Chairperson, after consulting with other members of the Committee, shall submit in the spring to the College Life Advisory Board, the College Council, and The Stentor a report of the Committee's activities during the academic year, including recommendations for the future.

V. The Conduct Board

a. Composition - The Conduct Board shall be composed of five students and two faculty members. The students shall be nominated by the Executive Committee of the Student Government. Before the names are submitted to the President of the College for final approval, they shall be posted for one week during which students shall be urged to examine the list and make any objections known to the Executive Committee. The faculty members shall be selected by the Faculty Personnel Policies Committee and their names submitted to the President for final approval. One student alternate and one faculty alternate shall be selected in the same manner. The Executive Committee and the Faculty Personnel Policies committee shall take into account in the appointments the need for broad representation of the various groups within the student body. The appointments shall be made no later than the ninth week of the spring term, with the new Conduct Board members taking office at the beginning of the next academic year. (After the appointments are made the chairperson may, under pressing circumstances, call upon new members as substitutes.) The chairperson of the Conduct Board shall be a student elected by the five students, two faculty members, and two alternates.

b. Quorum - A quorum shall be constituted by six members. The faculty alternate and the student alternate may attend meetings of the Conduct Board even though they may not be serving actively. A member of the Dean of Students staff shall also attend meetings as an observer, and may participate in cases. A member of the Conduct board may ask to be disqualified from a meeting on grounds of possible prejudice.

c. Reporting - After consulting with the Conduct Board, the chairperson shall submit, in the spring, to the College Life Advisory Board, the College Council and The Stentor a report of the Board's activities during the academic year, including a summary of violations and sanctions assigned, and recommendations for the future.

d. End of term and summer procedures - The validity and disposition of complaints arising during the last week of classes (or later during the spring term) or during the summer session shall be determined by the Dean of Students or his/her appointed alternate. The student charged may request a hearing by a special committee appointed by the President consisting of three students, two faculty members and a representative of the office of the Dean of Students. The special committee shall elect a chairperson and shall follow the judicial procedures outlined in the Student Handbook.

VI. The Hearing

Hearings shall be relatively informal and procedures shall be flexible. Before a hearing, the chairperson of the Conduct Board shall recommend procedural guidelines which must not contradict this

document. A majority of members present shall be required to adopt such guidelines or to overrule the chairperson. The hearing is closed to all except those conducting it...the alternates, the Committee on Dispositions, the plaintiff, the respondent, the respondent's counsel, and a member of the Dean of Students' staff. A tape shall be made of the hearing which shall be kept nine months.

The chairperson of the Conduct Board shall have the power to summon the presence of any member of the College, as well as any other person. Upon reasonable notice to the chairperson, the respondent or the Committee on Dispositions may call upon the subpoena power of the Conduct Board to call witnesses and order the production of pertinent documents. If a student does not appear when subpoenaed, the Conduct Board may impose a sanction up to and including a judicial citation. For faculty members and administrators who do not appear, sanctions up to letters of censure may be recommended. All witnesses before the Conduct Board may be questioned by the Committee on Dispositions, the respondent and/or the respondent's counsel, and members of the Board.

The respondent shall have the right to:

1. Obtain assistance from the Committee on Dispositions in cases where the plaintiff is advised to consult local officials.
2. See a written charge against him/her prior to the hearing and written notice of the time and place of the hearing.
3. Request revision or review of the procedures of the Conduct Board concerning any aspect of the case with which he/she is dissatisfied.
4. Refrain from self-incrimination.
5. Testify and present evidence; present a reasonable number of witnesses in his/her behalf; and have an opportunity to question adverse witnesses. In no case shall the Conduct Board consider statements against the respondent unless he/she has been given an opportunity to rebut unfavorable inferences which might otherwise be drawn.
6. Have one counsel, who must be a member of the College, present at the hearing at all times while the respondent is before the Conduct Board. The respondent should inform the chairperson of the Board of plans to have a counsel present.
7. Request the Conduct Board to conduct an open hearing, subject to the right of witnesses to closed testimony.
8. Tape his/her own hearing in addition to the official tape.

If the respondent enters a plea of guilty, the Committee on Dispositions shall present evidence regarding the charge. Upon the conclusion of this presentation, the respondent or the respondent's counsel may speak and request that additional evidence for the defense be introduced by the Committee on Dispositions, or they may themselves introduce evidence. Formal rules of evidence shall not apply; however, evidence must conform to basic standards of fairness. Admissible evidence shall be limited to facts pertinent to the charge; applicability of regulations on which the charge is based to the facts of the case; and circumstances which might affect severity of any sanction assigned. The Conduct Board may recess at any time upon the order of the chairperson to provide for the gathering of additional evidence.

All matters upon which a decision may be based shall be introduced into evidence in the presence of the respondent at the proceedings before the Conduct Board. A respondent's previous conduct record shall not be made available to the Board until after the decision of guilt has been made, and may be used only in the assignment of a sanction.

At least four members of the Conduct Board must vote to convict for a respondent to be found guilty; the chairperson shall vote only in case of a tie. Sufficient evidence to demonstrate an infraction to a reasonable person shall be the standard proof for determining guilt. The burden of proof rests with the party bringing the case.

VII. Sanctions

In the assignment of judicial sanctions, the Conduct Board shall consider the nature of the violation, the respondent's previous conduct, and the circumstances under which the violation was committed. Furthermore, the Conduct Board shall consider restitution an integral part of any decision on sanctions.

Administrative Warning Sanctions: Whenever possible, an administrative warning shall be given in person at the time of the incident; however, under unusual circumstances it may be delivered to a student through the campus mail. Receipt of an administrative warning shall require the student to report to the Dean of Students the next working day, at which time the Dean shall review the incident and decide whether the warning is valid. In reaching a decision, the Dean may consult the warning official, the student, and others in an informal manner. If the student does not report to the Dean, the warning may be automatically validated.

Upon validation of the first warning, notification shall be given to the student, the warning official, the student's academic adviser, and the Security Officer; a record shall also be placed in the student's personal file. In addition, upon validation of the second warning, the Dean of Students shall notify the student's parents or legal guardian. In addition, upon validation of the third warning, the student shall be evicted from the College residence halls for at least the remainder of that academic term. The Conduct Board shall decide whether the eviction is to be extended for a maximum of two additional terms. Residential students (in addition to eviction) and non-residential students shall be subject to the assignment of a social contract, a judicial citation or severe citation. No refund shall be given the student for a paid housing fee.

Within 24 hours after the validation of the third warning by the Dean of Students, the student may submit a written appeal of any or all warnings to the Conduct Board. The Conduct Board shall hear the appeal only if sufficient evidence of real injustice exists; otherwise, the warning shall remain on record.

Major Sanctions

1. Social Contract, a flexible sanction determined by the Conduct Board and agreed to by the respondent and the Conduct Board

appropriate to the violation, which shall generally involve service to the College or to the Community or may involve restitution. A member of the Conduct Board selected by the chairperson, shall be responsible for supervising the respondent in order to assure that the terms of the contract are met. A Judicial Citation shall automatically be assigned if the contractural terms are not met.

2. Judicial Citation, which causes the respondent to be reprimanded for his or her conduct and to be warned that if he/she is ever (or for a specified period of time) convicted of violating a College regulation again, suspension shall be automatic as the least possible penalty. The Conduct Board shall state the suspension period applicable to the second violation.
3. Severe Citation, which, in addition to the provisions of the Judicial Citation, excludes a student from eligibility for extracurricular activities and from representing the College in official positions off campus. The Conduct Board shall state the period of time for ineligibility.
4. Suspension and Expulsion, the former ranging in length from at least one academic term to two academic years. Both these sanctions shall be recommendations to the President of the College, who alone has the power to suspend or expel a student. Students who face the assignment of a judicial sanction and who are on leaves of absence may lose their privilege to return to the College by action of the Conduct Board; this sanction shall be considered equivalent to expulsion of a student enrolled in the College. The respondent may appeal to the President the sanctions determined by the Conduct Board.

With all sanctions, the President of the College retains the power of executive privilege and authority, the powers of suspension and expulsion. He may delegate to the Dean of Students the power of temporary suspension pending final action by civil or College officials if the alleged violation is a potential threat to the safety or well-being of the College or the Community.

Records of judicial action are destroyed upon graduation except in instances of suspension or expulsion. Suspension or expulsion is noted on official College transcripts. Students who are suspended must reapply for admisison to the College. No refunds are available to students who are suspended or dismissed. Students on financial aid should note that they are ineligible for aid reconsideration until after they have made up for credits lost. Eligibility would then be dependent on the availability of aid and applicant need. Students must clear financial obligations with the Business Office before transcripts will be released.

MOTOR VEHICLES

All vehicles on campus must be registered with the College. Commuting students and resident sophomores, juniors and seniors may have cars. The cost for registering a vehicle on campus is as follows:

Resident Student:	$30.00 per year
Commuting Student:	$20.00 per year
Motorcycles:	$10.00 per year

Students not entitled to have their own cars on campus may not drive cars of others. Students must recognize the authority of the Campus Security Officers or lose their permit at once.

Motor Driven Cycles may not be operated on the sidewalks and lawns on campus.
Inoperable cars (due to any reason) must be removed immediately to the proper parking area by owner.
Unregistered vehicles and improperly parked cars may be towed and/or stored at owner's risk and expense.
Tickets will be issued to violators. Registered vehicles, including motorcycles will be charged $5.00 per ticket. Tickets may be appealed to the Director of Security. Tickets should be paid at the Business Office (or proof of successful appeal should be presented to clear accounts). Tickets must be paid (or successfully appealed) within 7 days of issuance. After 7 days, fines will double and will be added to the student's account at the Business Office. If a student has successfully appealed a ticket, but has not acted within the 7 day period, there will be a $5.00 service charge for removing the fine.
Parking privileges will be revoked if a student accumulates three unpaid tickets or if any vehicle accumulates six or more violations per year (registered car owners are responsible for all citations received by their cars). When privileges are revoked the permit must be scraped off, the remains surrendered, and the vehicle must be removed from campus. A $25.00 fine and/or such action as the College deems appropriate will be imposed if the vehicle is on campus at any time after revocation of the permit.
Unregistered vehicles: If three tickets are received before the vehicle is registered, no registration will be allowed and the vehicle must be removed from campus for the year.
Failure to pay tickets or to remove a vehicle whose registration has been cancelled may result in further action by the College.

LFC OFF-CAMPUS PROGRAM APPLICATION PROCEDURES

A student becomes a participant in one of the off-campus programs of Lake Forest College upon acceptance by the department or the supervisory committee appropriate to the particular program, with the concurrence of the Associate Dean of Faculty. Major considerations in determining admissibility to a program are:

> evidence of academic motivation and promise of adequate academic work; usually an average of B- or better will be expected; reason to believe that the student will benefit from the particular program; the applicant's major interest and the reasons given for wanting to join the program.

If the group of applicants is larger than the number who can be admitted, preference will be given to majors and to upperclassmen. Freshmen and last-term seniors are ineligible.

Each applicant must present the following:

A completed application form, including parental signature,* and waiver*
A medical report*
A deposit of $250 (make check payable to Lake Forest College; if student withdraws, $50 is non-refundable; and the remaining $200 is refundable only if his/her place can be filled)
A letter of recommendation from a member of the teaching faculty who is familiar with the academic work of the applicant
A letter of recommendation from the Dean or Assistant Dean of Students.

The admitting committee will also consult the academic record at the school where the student is presently enrolled, and seek the opinion of the Dean or Associate Dean of Faculty.

Students at other institutions must also supply:

An official transcript
Two recommendations from faculty members

All parts of the application listed above are due at the deadline. If payment of the deposit involves a real hardship, the applicant may make special arrangement with the Associate Dean of Faculty. No applicant will be accepted into the program until all the conditions are met.

The deadline for the Spring Semester in Greece is November 1.

Applications should be submitted in full before the due date. Completed applications will be evaluated as they come in; decisions on late applications will thus be the last to be made. No additional applications will be considered after the deadline.

Cost of participating in a program includes:

Tuition at the regular Lake Forest College rate.
Small student activity fee.
Travel to and from the location of the program.
In some cases an excursion fee for field trips.
Lodging and meals.
Books and incidentials, including individual travel.

*The forms marked with an asterisk above may be obtained from the Office of the Registrar or the Associate Dean of Faculty, North Hall, Lake Forest College, Lake Forest, IL 60045.

There are many overseas programs to which students may apply individually. Students interested in study abroad should consult the Associate Dean of Faculty. See the Lake Forest College Bulletin, pp. 16-23. Students planning to study abroad on programs other than those

offered by Lake Forest College or those ACM programs listed in the College Bulletin must submit a petition for a Leave of Absence to the Academic Appeals Board. See p. 33 of the College Bulletin.

PRIVACY STATEMENT

1. Directory Information
   The amendments to the Family Privacy Act make it possible to release "Directory Information" to any parties without the written consent of the student. As stated in the Federal Register, "Directory Information" includes the student's name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous educational agency or institution attended by the student, the student's class schedule, the name of the student's parents and academic advisor, and other information routinely published in the College directory.
2. Information to Parents of Dependent Students
   The College does not need a dependent student's written consent to send his or her parents the following information: College bills, grades or other academic information (as appropriate), and other information about the general welfare of the student.
3. Confidential Information
   Students may not review their parents' financial records without written consent of the parents. In addition, confidential letters and statements placed in the students' files before January 1, 1975 must have their assurance of confidentiality respected. Otherwise, students may inspect their records in the Office of the Dean of Students.

Persons with questions about the revised law should feel free to consult with the Office of the Dean of Students.

PROPERTY LOSS

Lake Forest College does not provide insurance for students' personal belongings such as bicycles, stereo sets and clothing. If a student sustains a loss, the College cannot be held liable for the replacement of such loss. It is recommended that the student make arrangements for insurance to cover personal belongings.

In the event that there is the possibility of negligence on the part of Lake Forest College, the alleged damaged property must be immediately examined by a representative of the College, preferably the Security Department. This is not a valuation procedure; it merely establishes the fact of loss and possible College action.

College negligence will subsequently be reviewed. Those claiming such negligence must advise the Business Office, in writing, and send a copy to the Office of the Dean of Students.

If settlement is made, the receipient must sign a statement that no claim is being made to an insurance company.

RECRUITERS

No student may obstruct other students from access to an exchange of information with a speaker, recruiter, or representative who has made arrangements to visit the College.

No speaker, recuiter, or representative who visits the College shall be permitted to take photographs of demonstrators or in any other way intimidate students form exercising their right to demonstrate peacefully.

RESERVATION OF CAMPUS FACILITIES AND SCHEDULING

A. Room reservations for on-campus activities are made through the following offices:

Sports Center: Director of Athletics
Commons Cafeteria, Pierson A, B, C, & Commonplace: Director of Campus Activities
All other rooms in academic buildings, including McCormick Auditorium and Reid Auditorium are reserved as follows:

1. For scheduling every day of the week, contact the Dean of the Faculty
2. For scheduling McCormick Auditorium and Reid Auditorium after 5:00 p.m., contact the Director of Campus Activities

The rental of any room or building on campus to an outside person or group is done through the Director of Conferences who will also handle reservations for housing for visiting lecturers and professors.

B. Lounge Reservations - To coordinate the use of residence hall lounges by individual students and groups of students, a reservation form should be completed whenever an activity is planned for a residence hall lounge. Approval by the Head Resident is required and the student(s) reserving a lounge are responsible for maintaining the facility; responsible for the compliance of participants with College regulations; and accountable for clean-up or repairs necessitated by the particular activity.

1. Activities of a party nature (i.e., birthdays) will not ordinarily be permitted during the day and evening preceding a class day.
2. Lounge reservations must be approved by the Head Resident by noon of the day of the event. The Head Resident shall notify Campus Security and the Dean of Students Office.
3. Fire and safety occupancy limits must be observed in plans for activities in residence hall lounges. All-campus, or open invitation activities are appropriate only in Commons and must be coordinated with the Director of Campus Activities.
4. Non-resident students may not reserve residence hall facilities.
5. The exchange of money at an activity for which a lounge reservation is secured is strictly prohibited.
6. Activities in lounges will run no later than official college quiet hours (11 P.M., Sun.-Thurs., 1 A.M., Fri. and Sat.).
7. Clean-up of the lounge must be completed no later than noon of the day following the event.

C. All campus activities (regardless of the room reserved) must be noted on the Master Calendar in the Campus Activities Office. This can be done via a phone call or by sending a brief written notice. The Campus Activities Office should be notified immediately if any event is cancelled.

SMOKING

No smoking is allowed in any classroom, seminar room, studio, laboratory, library public area, the auditorium, the field house, or the chapel. Faculty members are asked to cooperate by refraining from smoking in these places and by requiring student adherence to the rule.

SOLICITATION BY OFF-CAMPUS INDIVIDUALS OR ORGANIZATIONS (including commercial sales, fundraising, and distribution of literature)

General Regulations:

No person (which includes individuals and organizations) other than Lake Forest College students, faculty, or staff, including such College recognized organizations which they may form, may distribute literature, advertise, solicit, seek donations, or make sales on campus without the express authorization of the Director of Campus Activities.

Specific Regulations:

A) COMMERCIAL SALES: The Director of Campus Activities may grant permission for solicitations and sales by off-campus concerns. Such permission when granted, will be subject to such limitations as the Director of Campus Activities may prescribe.

B) CHARITABLE, POLITICAL, OR RELIGIOUS SOLICITATION: As a general rule, representatives of off-campus political, religious, and charitable groups will not be permitted to solicit on campus. However, representatives of such off-campus groups who are acting on behalf of candidates for public office or of bona fide political or religious literature may obtain permission to sell or distribute their political or religious literature under the following guidelines:

1. Non-members of the College community who are acting on behalf of candidates for public office or of bona fide political or religious organizations and who wish to seek permission to distribute and/or sell political or religious literature on the campus must apply to the Director of Campus Activities between 9:00 a.m. and 5:00 p.m. Monday through Friday.

2. The only site where political or religious literature may be sold or distributed is between the two entrances of the cafeteria in the Commons building and across from the Commons Desk. Entrances and exits in and around the building shall not be blocked by persons soliticing or selling.

3. The sale or distribution of political or religious literature will be limited to the hours between 9:00 a.m. and 5:00 p.m. seven days a week.

4. Not more than two individuals will be allowed to so distribute or sell political or religious literature at any one time.

5. The sale or distribution of political or religious material by off-campus individuals or groups will be limited to once a month on behalf of any individual or group, but upon petition to the Director of Campus Activities this restriction may be waived in the sole discretion of such Director.

6. Lake Forest College students, staff, faculty, and their respective organizations will have preference in the use of the campus facility described above in paragraph B(2) over off-campus individuals or groups wishing to distribute or sell political or religious literature.

7. Harrassment of members of the College community by those selling or distributing political or religious literature, or sale or distribution outside of the house or location for which permission has been granted, will be cause for the immediate revocation of permission for the sale or distribution of literature.

8. Permission regarding requests under these guidelines may not be granted in particular instances if it appears that any special circumstances relating to College activities may be impeded thereby or that such permission to sell or distribute political or religious literature may place an unacceptable burden on the College's security forces and administrative staffs.

SPEAKER POLICY

The following excerpt from the resolution adopted by the Board of Trustees on December 2, 1963 is quoted here:

> ...Lake Forest has long recognized that academic freedom for its faculty and students is not a privilege granted by administration and trustees, but an absolutely necessary atmosphere without which excellence in education cannot be attained. If the quest for truth is not free, then both the quest and the truth are seriously endangered. Every teacher and every student at Lake Forest enjoys the rights guaranteed to all Americans by the Constitution of the United States and the privileges traditionally accorded all members of the academic community, both in the classroom and outside of it...in its policy governing this appearance of outside speakers on campus, Lake Forest College seeks only to be assured that such speakers are willing to engage themselves in a rational dialogue with faculty and students, in a give and take of free discussion.

The sole purpose of inviting a speaker is to contribute to the aims of the College as a center of free inquiry and sound learning. To assure that a speaker is the kind of person whose method of presentation is appropriate to the atmosphere of a liberal arts college, the following procedures must be followed:

1. Only organizations officially recognized by the College may invite a speaker to the campus.
2. Before inviting a speaker, student groups must obtain the written approval of the Dean of Students.
3. If the Dean of Students objects to the invitation of a particular speaker, the College Council will automatically review the case before a decision is given to the applying group.

In May of 1966 the Board of Trustees supplemented that statement as follows: The College is desirous of continuing that policy, opening its doors to all points of view. It seeks also, however, to insure that invited guests of the College, or of groups within the College, will be treated with courtesy and respect, and accorded the dignity due to them as human beings, no matter how strongly persons in their audiences might disagree with their ideas.

The College Administration and Trustees, therefore, set forth the College attitude as follows:

1. The College, out of simple courtesy, wishes to protect its guests from insults and indignities.
2. The College seeks to preserve a forum open to all. Freedom of inquiry in a liberal arts college takes precedence over freedom of public demonstration.
3. Picketing or demonstrating are appropriate tools only where the rational processes of discussion have broken down so that negotiation or dialogue is no longer possible.
4. The College wishes to make it clear that outsiders who are not members of the College community and who seek to intervene or agitate on College property, will be treated as trespassers.
5. Further, in order to preserve an orderly atmosphere and avoid possible embarassment to invited guests, the College will prohibit two speakers representing opposing viewpoints on the same date, unless the events have been appropriately arranged in advance and unless both speakers have full prior knowledge and acceptance of the circumstances of their invitation.
6. The College neither has, nor desires, authority to prohibit its students from participating as individuals in picket lines or peaceful and lawful demonstrations off campus on behalf of causes with which they are in "sympathy."

VEHICLE RENTAL

The Physical Plant has two vans available for rent to recognized student groups. Vehicles may be used only for College-connected and approved activities. Drivers have to have an operator's license and be certified by the Physical Plant as being authorized to drive these vehicles. The cost will 20¢ a mile plus $1.00 an hour. Twelve-hour periods cost $10.00 plus 20¢ a mile. Twenty-four hour periods cost $15.00 plus 20¢ a mile. Minimum charge is $4.00. Reservations must be made in advance. Any alcoholic beverages being consumed or transported in the vans will result in person(s) or organizations having privileges of driving vans or van rental suspended for one year.
